4 public improvements all in accordance with a comprehensive plan, the county commission in all
5 counties of the first class, as provided by law, except in counties of the first class not having a
6 charter form of government, is hereby empowered to regulate and restrict, by order, in the
7 unincorporated portions of the county, the height, number of stories and size of buildings, the
8 percentage of lots that may be occupied, the size of yards, courts and other open spaces, the
9 density of population, the location and use of buildings, structures and land for trade, industry,
10 residence or other purposes, including areas for agriculture, forestry and recreation.

11 2. The provisions of this section shall not apply to the incorporated portions of the
12 counties, nor to the raising of crops, livestock, orchards, or forestry, nor to seasonal or temporary

25 authorized or permitted by a certificate of public convenience and necessity, or order issued by
26 the public service commission, or by permit of the county commission.

27 4. For the purpose of any zoning regulation adopted under the provisions of sections
28 64.010 to 64.160, the classification of single-family dwelling or single-family residence shall
29 include any home in which eight or fewer unrelated mentally or physically handicapped persons
30 reside, and may include two additional persons acting as houseparents or guardians who need
31 not be related to each other or to any of the mentally or physically handicapped persons. The
32 classification of single-family dwelling or single-family residence shall also include any private
33 residence licensed by the **children's** division [of family services] or department of mental health
34 to provide foster care to one or more but less than seven children who are unrelated to either

36 appearance of the home and property be in reasonable conformance with the general
37 neighborhood standards and may also establish reasonable standards regarding the density of
38 such individual homes in any specific single-family dwelling or single-family residence area.
39 Should a single-family dwelling or single-family residence as defined in this subsection cease
40 to operate for the purposes specified in this subsection, any other use of such dwelling or
41 residence, other than that allowed by the zoning regulations, shall be approved by the county
42 board of zoning adjustment. Nothing in this subsection shall be construed to relieve the
43 **children's** division [of family services], the department of mental health or any other person,
44 firm or corporation occupying or utilizing any single-family dwelling or single-family residence
45 for the purposes specified in this subsection from compliance with any ordinance or regulation
46 relating to occupancy permits except as to number and relationship of occupants or from
47 compliance with any building or safety code applicable to actual use of such single-family
48 dwelling or single-family residence.

49 5. Except in subsection 4 of this section, nothing contained in sections 64.010 to 64.160

9 mentally or physically handicapped persons reside, and may include two additional persons
10 acting as houseparents or guardians who need not be related to each other or to any of the
11 mentally or physically handicapped persons residing in the home. In the case of any such

12 residential home for mentally or physically handicapped persons, the local zoning authority may
13 require that the exterior appearance of the home and property be in reasonable conformance with
14 the general neighborhood standards. Further, the local zoning authority may establish reasonable
15 standards regarding the density of such individual homes in any specific single family dwelling
16 neighborhood.

20 whose boundaries are partially contiguous with a portion of a lake with a shoreline of at least one
21 hundred fifty miles shall have the authority to enforce its zoning laws, ordinances or codes for
22 one hundred yards beyond the shoreline which is adjacent to its boundaries. In the event that a
23 lake is not large enough to allow any county, city, town or village to enforce its zoning laws,
24 ordinances or codes for one hundred yards beyond the shoreline without encroaching on the
25 enforcement powers granted another county, city, town or village under this subsection, the
26 counties, cities, towns and villages whose boundaries are partially contiguous to such lake shall
27 enforce their zoning laws, ordinances or orders under this subsection pursuant to an agreement
28 entered into by such counties, cities, towns and villages.

29 5. Should a single family dwelling or single family residence as defined in subsection
30 2 of this section cease to operate for the purpose as set forth in subsection 2 of this section, any
31 other use of such home, other than allowed by local zoning restrictions, must be approved by the
32 local zoning authority.

33 6. For purposes of any zoning law, ordinance or code the classification of single family
34 dwelling or single family residence shall include any private residence licensed by the **children's**
35 division [of family services] or department of mental health to provide foster care to one or more
36 but less than seven children who are unrelated to either foster parent by blood, marriage or
37 adoption. Nothing in this subsection shall be construed to relieve the **children's** division [of
38 family services], the department of mental health or any other person, firm or corporation
39 occupying or utilizing any single family dwelling or single family residence for the purposes
40 specified in this subsection from compliance with any ordinance or regulation relating to
41 occupancy permits except as to number and relationship of occupants or from compliance with
42 any building or safety code applicable to actual use of such single family dwelling or single
43 family residence.

44 7. Any city, town, or village that is granted zoning powers under this section and is
45 located within a county that has adopted zoning regulations under chapter 64 may enact an
46 ordinance to adopt by reference the zoning regulations of such county in lieu of adopting its own
47 zoning regulations.

7 such services for a period greater than ninety days, may submit a claim to the director of the
8 department of health and senior services for the unpaid health care services. The director of the
9 department of health and senior services shall review such claim. If the claim appears
10 meritorious on its face, the claim for the unpaid medical services shall constitute a debt of the
11 department of health and senior services for purposes of sections 143.782 to 143.788, and the

26 debtor within a reasonable time after such excess is determined.

27 4. The department of revenue shall notify the debtor by certified mail the taxpayer whose
28 refund is sought to be set off that such setoff will be made. The notice shall contain the

49 created under the authority delegated in this section shall become effective only if it complies

50 with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028.
51 This section and chapter 536 are nonseverable and if any of the powers vested with the general
52 assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and
53 annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and
54 any rule proposed or adopted after August 28, 2007, shall be invalid and void.

10 **health and senior services** elderly home-delivered meals trust fund, such individual or
11 corporation may, by separate check, draft, or other negotiable instrument, send in with the
12 payment of taxes, or may send in separately, that amount, clearly designated for the [division of
13 aging] **department of health and senior services** elderly home-delivered meals trust fund, the
14 individual or corporation wishes to contribute and the department of revenue shall forward such
15 amount to the state treasurer for deposit to the fund as provided in subsection 2 of this section.

16 2. The director of revenue shall transfer at least monthly all contributions designated by
17 individuals or corporations pursuant to this section, less an amount not to exceed five percent
18 of such transferred contributions which is sufficient to cover the cost of collection and handling
19 by the department of revenue, to the state treasurer for deposit in the state treasury to the credit
20 of the elderly home-delivered meals trust fund. A contribution designated pursuant to this
21 section shall only be transferred and deposited in the elderly home-delivered meals trust fund
22 after all other claims against the refund from which such contribution is to be made have been
23 satisfied.

24 3. There is hereby established in the state treasury the "Elderly Home-Delivered Meals
25 Trust Fund", which shall consist of all moneys deposited in the fund pursuant to subsection 2 of
26 this section. The state treasurer shall administer the fund, and the moneys in the fund shall be
27 used solely, upon appropriation, by the department of health and senior services for assistance
28 in preparing and transporting meals to elderly persons in this state through a program designed
29 to meet such purposes. These funds shall be transferred by the department to the area agencies

31 and moneys from the general revenue fund. Notwithstanding the provisions of section 33.080

32 to the contrary, moneys in the elderly home-delivered meals trust fund at the end of any biennium
33 shall not be transferred to the credit of the general revenue fund.

3 jointly by the department of elementary and secondary education, the department of social
4 services and the National Guard.

5 2. The program may include and emphasize appropriate role model examples, adventure
6 training, codes of conduct and policies on discipline as necessary to train students to become
7 personally disciplined.

8 3. Students in the seventh or eighth grade may apply to attend the program upon
9 recommendation of their school administration, or upon recommendation by local **children's**
10 division [of family services] counselors.

11 4. This program shall be a four-week residential program at a National Guard facility
12 during which time military training instructors from the National Guard shall have overall
13 responsibility for the students. Academic instruction shall be provided by the local school
14 system and needed training for the families of the students shall be provided by school
15 counselors or the department of social services.

16 5. There is hereby established in the state treasury the "National Guard Pilot Instruction
17 Program Fund". The pilot program of public instruction established pursuant to this section shall
18 be funded by moneys from this fund. The fund may receive any grants, gifts, donations and
19 appropriations for the purpose of establishing and operating this program.

178.893. A community college district, with the approval of the department of economic
2 development in consultation with the office of administration, may enter into an agreement to
3 establish a project and provide program services to an employer. As soon as possible after initial
4 contact between a community college district and a potential employer regarding the possibility
5 of entering into an agreement, the district shall inform the division of [job development and
6 training] **workforce development** of the department of economic development and the office
7 of administration about the potential project. The division of [job development and training]
8 **workforce development** shall evaluate the proposed project within the overall job training
9 efforts of the state to ensure that the project will not duplicate other job training programs. The
10 department of economic development shall have fourteen days from receipt of the application
11 to approve or disapprove projects. If no response is received by the community college within
12 fourteen days the projects are approved. Any project that is disapproved must be in writing
13 stating the reasons for the disapproval. If an agreement is entered into, the district and the

14 employer shall notify the department of revenue within fifteen calendar days. An agreement may
15 provide, but is not limited to:

16 (1) Payment of program costs, including deferred costs, which may be paid from one or
17 a combination of the following sources:

18 (a) Funds appropriated by the general assembly from the Missouri community college
19 job training program fund and disbursed by the division of [job development and training]
20 **workforce development** in respect of new jobs credit from withholding to be received or
21 derived from new employment resulting from the project;

22 (b) Tuition, student fees, or special charges fixed by the board of trustees to defray
23 program costs in whole or in part;

24 (c) Guarantee of payments to be received under paragraph (a) or (b) of this subdivision;

25 (2) Payment of program costs shall not be deferred for a period longer than ten years if
26 program costs do not exceed five hundred thousand dollars, or eight years if program costs
27 exceed five hundred thousand dollars from the date of commencement of the project;

28 (3) Costs of on-the-job training for employees, shall include wages or salaries of
29 participating employees. Payments for on-the-job training shall not exceed the average of fifty
30 percent of the total percent of the total wages paid by the employer to each participant during the
31 period of training.

32 Payment for on-the-job training may continue for up to six months after the placement of the
33 participant in the new job;

34 (4) A provision which fixes the minimum amount of new jobs credit from withholding,
35 or tuition and fee payments which shall be paid for program costs;

36 (5) Any payment required to be made by an employer is a lien upon the employer's
37 business property until paid and has equal precedence with ordinary taxes and shall not be
38 divested by a judicial sale. Property subject to the lien may be sold for sums due and delinquent
39 at a tax sale, with the same forfeitures, penalties, and consequences as for the nonpayment of
40 ordinary taxes. The purchasers at tax sale obtain the property subject to the remaining payments.

178.894. If an agreement provides that all or part of program costs are to be met by
2 receipt of new jobs credit from withholding, such new jobs credit from withholding shall be
3 determined and paid as follows:

4 (1) New jobs credit from withholding shall be based upon the wages paid to the
5 employees in the new jobs;

6 (2) A portion of the total payments made by the employer pursuant to section 143.221
7 shall be designated as the new jobs credit from withholding. Such portion shall be an amount
8 equal to two and one-half percent of the gross wages paid by the employer for each of the first
9 one hundred jobs included in the project and one and one-half percent of the gross wages paid

10 by the employer for each of the remaining jobs included in the project. If business or
11 employment conditions cause the amount of the new jobs credit from withholding to be less than
12 the amount projected in the agreement for any time period, then other withholding tax paid by
13 the employer pursuant to section 143.221 shall be credited to the Missouri community college
14 job training fund by the amount of such difference. The employer shall remit the amount of the
15 new jobs credit to the department of revenue in the manner prescribed in section 178.896. When
16 all program costs, including the principal of, premium, if any, and interest on the certificates
17 have been paid, the employer credits shall cease;

18 (3) The community college district participating in a project shall establish a special fund
19 for and in the name of the project. All funds appropriated by the general assembly from the
20 Missouri community college job training program fund and disbursed by the division of [job
21 development and training] **workforce development** for the project and other amounts received
22 by the district in respect of the project and required by the agreement to be used to pay program
23 costs for the project shall be deposited in the special fund. Amounts held in the special fund may
24 be used and disbursed by the district only to pay program costs for the project. The special fund
25 may be divided into such accounts and subaccounts as shall be provided in the agreement, and
26 amounts held therein may be invested in investments which are legal for the investment of the
27 district's other funds;

28 (4) Any disbursement in respect of a project received from the division of [job
29 development and training] **workforce development** under the provisions of sections 178.892
30 to 178.896 and the special fund into which it is paid may be irrevocably pledged by a community
31 college district for the payment of the principal of, premium, if any, and interest on the certificate
32 issued by a community college district to finance or refinance, in whole or in part, the project;

33 (5) The employer shall certify to the department of revenue that the credit from
34 withholding is in accordance with an agreement and shall provide other information the
35 department may require;

36 (6) An employee participating in a project will receive full credit for the amount
37 designated as a new jobs credit from withholding and withheld as provided in section 143.221;

38 (7) If an agreement provides that all or part of program costs are to be met by receipt of
39 new jobs credit from withholding, the provisions of this subsection shall also apply to any
40 successor to the original employer until such time as the principal and interest on the certificates
41 have been paid.

178.895. 1. To provide funds for the present payment of the costs of new jobs training
2 programs, a community college district may borrow money and issue and sell certificates payable
3 from a sufficient portion of the future receipts of payments authorized by the agreement
4 including disbursements from the Missouri community college job training program to the

5 special fund established by the district for each project. The total amount of outstanding
6 certificates sold by all community college districts shall not exceed twenty million dollars, unless
7 an increased amount is authorized in writing by a majority of members of the Missouri job
8 training joint legislative oversight committee. The certificates shall be marketed through
9 financial institutions authorized to do business in Missouri. The receipts shall be pledged to the
10 payment of principal of and interest on the certificates. Certificates may be sold at public sale
11 or at private sale at par, premium, or discount of not less than ninety-five percent of the par value
12 thereof, at the discretion of the board of trustees, and may bear interest at such rate or rates as
13 the board of trustees shall determine, notwithstanding the provisions of section 108.170 to the
14 contrary. However, chapter 176 does not apply to the issuance of these certificates. Certificates
15 may be issued with respect to a single project or multiple projects and may contain terms or
16 conditions as the board of trustees may provide by resolution authorizing the issuance of the
17 certificates.

18 2. Certificates issued to refund other certificates may be sold at public sale or at private
19 sale as provided in this section with the proceeds from the sale to be used for the payment of the
20 certificates being refunded. The refunding certificates may be exchanged in payment and
21 discharge of the certificates being refunded, in installments at different times or an entire issue
22 or series at one time. Refunding certificates may be sold or exchanged at any time on, before,
23 or after the maturity of the outstanding certificates to be refunded. They may be issued for the
24 purpose of refunding a like, greater, or lesser principal amount of certificates and may bear a
25 higher, lower, or equivalent rate of interest than the certificates being renewed or refunded.

26 3. Before certificates are issued, the board of trustees shall publish once a notice of its
27 intention to issue the certificates, stating the amount, the purpose, and the project or projects for
28 which the certificates are to be issued. A person may, within fifteen days after the publication
29 of the notice, by action in the circuit court of a county in the district, appeal the decision of the
30 board of trustees to issue the certificates. The action of the board of trustees in determining to
31 issue the certificates is final and conclusive unless the circuit court finds that the board of
32 trustees has exceeded its legal authority. An action shall not be brought which questions the
33 legality of the certificates, the power of the board of trustees to issue the certificates, the
34 effectiveness of any proceedings relating to the authorization of the project, or the authorization
35 and issuance of the certificates from and after fifteen days from the publication of the notice of
36 intention to issue.

37 4. The board of trustees shall determine if revenues provided in the agreement are
38 sufficient to secure the faithful performance of obligations in the agreement.

39 5. Certificates issued under this section shall not be deemed to be an indebtedness of the
40 state or the community college district or of any other political subdivision of the state and the

41 principal and interest on such certificates shall be payable only from the sources provided in
42 subdivision (1) of section 178.893 which are pledged in the agreement.

43 6. The department of economic development shall coordinate the new jobs training
44 program, and may promulgate rules that districts will use in developing projects with new and
45 expanding industrial new jobs training proposals which shall include rules providing for the
46 coordination of such proposals with the [service delivery] **local workforce investment** areas
47 established in the state to administer federal funds pursuant to the federal [Job Training
48 Partnership] **Workforce Investment** Act. No rule or portion of a rule promulgated under the
49 authority of sections 178.892 to 178.896 shall become effective unless it has been promulgated
50 pursuant to the provisions of chapter 536. All rulemaking authority delegated prior to June 27,
51 1997, is of no force and effect and repealed; however, nothing in this section shall be interpreted
52 to repeal or affect the validity of any rule filed or adopted prior to June 27, 1997, if such rule
53 complied with the provisions of chapter 536. The provisions of this section and chapter 536 are
54 nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536,
55 including the ability to review, to delay the effective date, or to disapprove and annul a rule or
56 portion of a rule, are subsequently held unconstitutional, then the purported grant of rulemaking
57 authority and any rule so proposed and contained in the order of rulemaking shall be invalid and
58 void.

59 7. No community college district may sell certificates as described in this section after
60 July 1, 2018.

178.896. 1. There is hereby established within the state treasury a special fund, to be
2 known as the "Missouri Community College Job Training Program Fund", to be administered
3 by the division of [job development and training] **workforce development within the**
4 **department of economic development**. The department of revenue shall credit to the
5 community college job training program fund, as received, all new jobs credit from withholding
6 remitted by employers pursuant to section 178.894. The fund shall also consist of any gifts,
7 contributions, grants or bequests received from federal, private or other sources. The general
8 assembly, however, shall not provide for any transfer of general revenue funds into the
9 community college job training program fund. Moneys in the Missouri community college job
10 training program fund shall be disbursed to the division of [job development and training]
11 **workforce development** pursuant to regular appropriations by the general assembly. The
12 division shall disburse such appropriated funds in a timely manner into the special funds
13 established by community college districts for projects, which funds shall be used to pay program
14 costs, including the principal of, premium, if any, and interest on certificates issued by the
15 district to finance or refinance, in whole or in part, a project. Such disbursements by the division
16 of [job development and training] **workforce development** shall be made to the special fund for

17 each project in the same proportion as the new jobs credit from withholding remitted by the
18 employer participating in such project bears to the total new jobs credit from withholding
19 remitted by all employers participating in projects during the period for which the disbursement
20 is made. Moneys for new jobs training programs established under the provisions of sections
21 178.892 to 178.896 shall be obtained from appropriations made by the general assembly from
22 the Missouri community college job training program fund. All moneys remaining in the
23 Missouri community college job training program fund at the end of any fiscal year shall not
24 lapse to the general revenue fund, as provided in section 33.080, but shall remain in the Missouri
25 community college job training program fund.

26 2. The department of revenue shall develop such forms as are necessary to demonstrate
27 accurately each employer's new jobs credit from withholding paid into the Missouri community
28 college job training program fund. The new jobs credit from withholding shall be accounted as
29 separate from the normal withholding tax paid to the department of revenue by the employer.
30 Reimbursements made by all employers to the Missouri community college job training program
31 fund shall be no less than all allocations made by the division of [job development and training]
32 **workforce development** to all community college districts for all projects. The employer shall
33 remit the amount of the new job credit to the department of revenue in the same manner as
34 provided in sections 143.191 to 143.265.

35 3. Sections 178.892 to 178.896 shall expire July 1, 2028.

8 **HealthNet** division [of medical services] of the department of social services and used, upon
9 appropriation, by the **MO HealthNet** division [of medical services] for payments to hospitals.

10 3. Notwithstanding the provisions of this section, any hospital determined to be

3 accompanied by a nonrefundable fee in the amount required by the [division] **department**. The
4 fee, to be determined by the director [of the division], shall not exceed one hundred dollars and
5 shall be based on the licensed capacity of the applicant.

[660.411.] **192.1050**. The [division] **department** shall offer technical assistance or
2 consultation to assist applicants for or holders of licenses or provisional licenses in meeting the
3 requirements of sections [199.025 and 660.403 to 660.420] **192.1040 to 192.1058**, staff
4 qualifications, and other aspects involving the operation of an adult day care program, and to
5 assist in the achievement of programs of excellence related to the provision of adult day care.

[660.414.] **192.1052**. 1. Whenever the [division] **department** is advised or has reason
2 to believe that any person is operating an adult day care program without a license, or provisional
3 license, or that any holder of license, or provisional license is not in compliance with the
4 provisions of sections [199.025 and 660.403 to 660.420] **192.1040 to 192.1058**, the [division]
5 **department** shall make an investigation and inspection to ascertain the facts. If the [division]
6 **department** is not permitted access to the adult day care program in question, the [division]
7 **department** may apply to the circuit court of the county in which the program is located for an
8 order authorizing entry for inspection. The court shall issue the order if it finds reasonable
9 grounds necessitating the inspection.

10 2. If the [division] **department** finds that the adult day care program is being operated
11 in violation of sections [199.025 and 660.403 to 660.420] **192.1040 to 192.1058**, it may seek,
12 among other remedies, injunctive relief against the adult day care program.

 [660.416.] **192.1054.** 1. Any person aggrieved by an official action of the [division]
2 **department** either refusing to issue a license or revoking or suspending a license may seek a
3 determination thereon by the administrative hearing commission pursuant to the provisions of
4 section 161.272, et seq.; except that, the petition must be filed with the administrative hearing
5 commission within thirty days after the mailing or delivery of notice to the applicant for or
6 holder of such license or certificate. When the notification of the official action is mailed to the
7 applicant for or holder of such a license, there shall be included in the notice a statement of the
8 procedure whereby the applicant for or holder of such license may appeal the decision of the
9 [division] **department** before the administrative hearing commission. It shall not be a condition
10 to such determination that the person aggrieved seek a reconsideration, a rehearing or exhaust
11 any other procedure within the [division] **department**.

12 2. The administrative hearing commission may stay the revocation or suspension of such
13 certificate or license, pending the commission's findings and determination in the cause, upon
14 such conditions as the commission deems necessary and appropriate including the posting of
15 bond or other security; except that, the commission shall not grant a stay or if a stay has already
16 been entered shall set aside its stay, if, upon application of the [division] **department**, the
17 commission finds reason to believe that continued operation of the facility to which the
18 certificate or license in question applies pending the commission's final determination would
19 present an imminent danger to the health, safety or welfare of any person or a substantial
20 probability that death or serious physical harm would result. In any case in which the [division]
21 **department** has refused to issue a certificate or license, the commission shall have no authority
22 to stay or to require the issuance of a license pending final determination by the commission.

23 3. The administrative hearing commission shall make the final decision as to the
24 issuance, suspension, or revocation of a license. Any person aggrieved by a final decision of the
25 administrative hearing commission, including the [division] **department**, may seek judicial
26 review of such decision by filing a petition for review in the court of appeals for the district in
27 which the adult day care program to which the license in question applies is located. Review
28 shall be had in accordance with the provisions of sections 161.337 and 161.338.

2 to promulgate rules pursuant to this section and chapter 536 in order to carry out the provisions
3 of sections [199.025 and 660.403 to 660.420] **192.1040 to 192.1058**. No rule or portion of a rule

5 to **192.1058** shall become effective unless it has been promulgated pursuant to the provisions of
6 section 536.024.

3 materially false statements in order to obtain a certificate or license, or the renewal thereof,
4 issued pursuant to sections [199.025 and 660.403 to 660.420] **192.1040 to 192.1058**, shall be
5 guilty of a class A misdemeanor.

6 2. Any person who is convicted pursuant to this section shall, in addition to all other
7 penalties provided by law, have any license issued to him **or her** under sections [199.025 and
8 660.403 to 660.420] **192.1040 to 192.1058** revoked, and shall not operate, nor hold any license
9 to operate, any adult day care program, or other entity governed by the provisions of sections

2 disclosed only at the discretion of the ombudsman having authority over the disposition of such
3 files, except that the identity of any complainant or resident of a long-term care facility shall not
4 be disclosed by such ombudsman unless:

5 (1) Such complainant or resident, or the complainant's or resident's legal representative,

7 (2) Such disclosure is required by court order.

8 2. Any representative of the office conducting or participating in any examination of a
9 complaint who shall knowingly and willfully disclose to any person other than the office, or
10 those authorized by the office to receive it, the name of any witness examined or any information
11 obtained or given upon such examination, shall be guilty of a class A misdemeanor. However,
12 the ombudsman conducting or participating in any examination of a complaint shall disclose the
13 final result of the examination to the facility with the consent of the resident.

14 3. Any statement or communication made by the office relevant to a complaint received
15 by, proceedings before or activities of the office and any complaint or information made or
16 provided in good faith by any person, shall be absolutely privileged and such person shall be
17 immune from suit.

18 4. The office shall not be required to testify in any court with respect to matters held to
19 be confidential in this section except as the court may deem necessary to enforce the provisions
20 of sections [660.600 to 660.608] **192.1060 to 192.1066**, or where otherwise required by court
21 order.

[660.608.] **192.1066.** 1. Any regional coordinator or local program staff, whether an employee or an unpaid volunteer, shall be treated as a representative of the office. [660.255.] **192.1082.** 1. Any person having reasonable cause to suspect that an eligible
2 adult presents a likelihood of suffering serious physical harm and is in need of protective services
3 shall report such information to the department.

4 2. The report shall be made orally or in writing. It shall include, if known:

5 (1) The name, age, and address of the eligible adult;

6 (2) The name and address of any person responsible for the eligible adult's care;

7 (3) The nature and extent of the eligible adult's condition; and

8 (4) Other relevant information.

9 3. Reports regarding persons determined not to be eligible adults as defined in section
10 [660.250] **192.1080** shall be referred to the appropriate state or local authorities.

11 4. The department shall maintain a statewide toll free phone number for receipt of
12 reports.

 [660.260.] **192.1084.** Upon receipt of a report, the department shall make a prompt and
2 thorough investigation to determine whether or not an eligible adult is facing a likelihood of
3 serious physical harm and is in need of protective services. The department shall provide for any
4 of the following:

- 5 (1) Identification of the eligible adult and determination that the eligible adult is eligible
6 for services;
- 7 (2) Evaluation and diagnosis of the needs of eligible adults;
- 8 (3) Provision of social casework, counseling or referral to the appropriate local or state
9 authority;
- 10 (4) Assistance in locating and receiving alternative living arrangements as necessary;
- 11 (5) Assistance in locating and receiving necessary protective services; or
- 12 (6) The coordination and cooperation with other state agencies and public and private
13 agencies in exchange of information and the avoidance of duplication of services.

 [660.261.] **192.1086.** Upon receipt of a report that an eligible adult between the ages of
2 eighteen and fifty-nine is facing a likelihood of serious physical harm, the department shall:

- 3 (1) Investigate or refer the report to appropriate law enforcement or state agencies; and
- 4 (2) Provide services or refer to local community or state agencies.

 [660.263.] **192.1088.** 1. Reports made pursuant to sections [660.250 to 660.295]
2 **192.1080 to 192.1100** shall be confidential and shall not be deemed a public record and shall not
3 be subject to the provisions of section 109.180 or chapter 610.

4 2. Such reports shall be accessible for examination and copying only to the following
5 persons or offices, or to their designees:

- 6 (1) The department or any person or agency designated by the department;
- 7 (2) The attorney general;
- 8 (3) The department of mental health for persons referred to that department;
- 9 (4) Any appropriate law enforcement agency; and
- 10 (5) The eligible adult or [his] **such adult's** legal guardian.

11 3. The name of the reporter shall not be disclosed unless:

- 12 (1) Such reporter specifically authorizes disclosure of his **or her** name; and
- 13 (2) The department determines that disclosure of the name of the reporter is necessary
14 in order to prevent further harm to an eligible adult.

15 4. Any person who violates the provisions of this section, or who permits or encourages
16 the unauthorized dissemination of information contained in the central registry and in reports and
17 records made pursuant to sections [660.250 to 660.295] **192.1080 to 192.1100**, shall be guilty
18 of a class A misdemeanor.

19 5. The department shall maintain a central registry capable of receiving and maintaining
20 reports received in a manner that facilitates rapid access and recall of the information reported,
21 and of subsequent investigations and other relevant information. The department shall
22 electronically record any telephone report of suspected abuse and neglect received by the
23 department and such recorded reports shall be retained by the department for a period of one year
24 after recording.

25 6. Although reports to the central registry may be made anonymously, the department
26 shall in all cases, after obtaining relevant information regarding the alleged abuse or neglect,
27 attempt to obtain the name and address of any person making a report.

 [660.265.] **192.1090.** When an eligible adult gives consent to receive protective services,
2 the department shall assist the adult in locating and arranging for necessary services in the least
3 restrictive environment reasonably available.

 [660.270.] **192.1092.** When the department receives a report that there has been abuse
2 or neglect, or that there otherwise is a likelihood of serious physical harm to an eligible adult and
3 that he or she is in need of protective services and the department is unable to conduct an
4 investigation because access to the eligible adult is barred by any person, the director may
5 petition the appropriate court for a warrant or other order to enter upon the described premises
6 and investigate the report or to produce the information. The application for the warrant or order
7 shall identify the eligible adult and the facts and circumstances which require the issuance of the
8 warrant or order. The director may also seek an order to enjoin the person from barring access
9 to an eligible adult or from interfering with the investigation. If the court finds that, based on
10 the report and relevant circumstances and facts, probable cause exists showing that the eligible
11 adult faces abuse or neglect, or otherwise faces a likelihood of serious physical harm and is in
12 need of protective services and the director has been prevented by another person from
13 investigating the report, the court may issue the warrant or enjoin the interference with the
14 investigation or both.

 [660.275.] **192.1094** If an eligible adult gives consent to receive protective services and
2 any other person interferes with or prevents the delivery of such services, the director may
3 petition the appropriate court for an order to enjoin the interference with the delivery of the
4 services. The petition shall allege the consent of the eligible adult and shall allege specific facts
5 sufficient to show that the eligible adult faces a likelihood of serious physical harm and is in need
6 of the protective services and that delivery is barred by the person named in the petition. If the

7 court finds upon a preponderance of evidence that the allegations in the petition are true, the
8 court may issue an order enjoining the interference with the delivery of the protective services
9 and may establish such conditions and restrictions on the delivery as the court deems necessary
10 and proper under the circumstances.

[660.280.] **192.1096.** When an eligible adult facing the likelihood of serious physical
2 harm and in need of protective services is unable to give consent because of incapacity or legal
3 disability and the guardian of the eligible adult refuses to provide the necessary services or allow
4 the provision of such services, the director shall inform the court having supervisory jurisdiction
5 over the guardian of the facts showing that the eligible adult faces the likelihood of serious
6 physical harm and is in need of protective services and that the guardian refuses to provide the
7 necessary services or allow the provision of such services under the provisions of sections
8 [660.250 to 660.295] **192.1080 to 192.1100.** Upon receipt of such information, the court may
9 take such action as it deems necessary and proper to insure that the eligible adult is able to meet
10 his **or her** essential human needs.

[660.285.] **192.1097.** 1. If the director determines after an investigation that an eligible
2 adult is unable to give consent to receive protective services and presents a likelihood of serious
3 physical harm, the director may initiate proceedings pursuant to chapter 202 or chapter 475, if
4 appropriate.

5 2. In order to expedite adult guardianship and conservatorship cases, the department may
6 retain, within existing funding sources of the department, legal counsel on a case-by-case basis.

[660.290.] **192.1098.** 1. When a peace officer has probable cause to believe that an
2 eligible adult will suffer an imminent likelihood of serious physical harm if not immediately
3 placed in a medical facility for care and treatment, that the adult is incapable of giving consent,
4 and that it is not possible to follow the procedures in section [660.285] **192.1097**, the officer may
5 transport, or arrange transportation for, the eligible adult to an appropriate medical facility which
6 may admit the eligible adult and shall notify the next of kin, if known, and the director.

7 2. Where access to the eligible adult is barred and a substantial likelihood exists of
8 serious physical harm resulting to the eligible adult if [he] **such eligible adult** is not immediately
9 afforded protective services, the peace officer may apply to the appropriate court for a warrant
10 to enter upon the described premises and remove the eligible adult. The application for the
11 warrant shall identify the eligible adult and the circumstances and facts which require the
12 issuance of the warrant.

13 3. If immediately upon admission to a medical facility, a person who is legally
14 authorized to give consent for the provision of medical treatment for the eligible adult, has not
15 given or refused to give such consent, and it is the opinion of the medical staff of the facility that
16 treatment is necessary to prevent serious physical harm, the director or the head of the medical

17 facility shall file a petition in the appropriate court for an order authorizing specific medical
18 treatment. The court shall hold a hearing and issue its decision forthwith. Notwithstanding the
19 above, if a licensed physician designated by the facility for such purpose examines the eligible
20 adult and determines that the treatment is immediately or imminently necessary and any delay
21 occasioned by the hearing provided in this subsection would jeopardize the life of the person
22 affected, the medical facility may treat the eligible adult prior to such court hearing.

23 4. The court shall conduct a hearing pursuant to chapter 475 forthwith and, if the court
24 finds the eligible adult incapacitated, it shall appoint a guardian ad litem for the person of the
25 eligible adult to determine the nature and extent of the medical treatment necessary for the
26 benefit of the eligible adult and to supervise the rendition of such treatment. The guardian ad
27 litem shall promptly report the completion of treatment to the court, who shall thereupon conduct
28 a restoration hearing or a hearing to appoint a permanent guardian.

29 5. The medical care under this section may not be rendered in a mental health facility
30 unless authorized pursuant to the civil commitment procedures in chapter 632.

31 6. Nothing contained in this section or in any other section of sections [660.250 to
32 660.295] **192.1080 to 192.1100** shall be construed as requiring physician or medical care or
33 hospitalization of any person who, because of religious faith or conviction, relies on spiritual
34 means or prayer to cure or prevent disease or suffering nor shall any provision of sections
35 [660.250 to 660.295] **192.1080 to 192.1100** be construed so as to designate any person as an
36 eligible adult who presents a likelihood of suffering serious physical harm and is in need of
37 protective services solely because such person, because of religious faith or conviction, relies on
38 spiritual means or prayer to cure or prevent disease or suffering.

[660.295.] **192.1100.** If an eligible adult does not consent to the receipt of reasonable and
2 necessary protective services, or if an eligible adult withdraws previously given consent, the
3 protective services shall not be provided or continued; except that, if the director has reasonable
4 cause to believe that the eligible adult lacks the capacity to consent, the director may seek a court
5 order pursuant to the provisions of section [660.285] **192.1097.**

[660.300.] **192.1102.** 1. When any adult day care worker; chiropractor; Christian
2 Science practitioner; coroner; dentist; embalmer; employee of the departments of social services,
3 mental health, or health and senior services; employee of a local area agency on aging or an
4 organized area agency on aging program; funeral director; home health agency or home health
5 agency employee; hospital and clinic personnel engaged in examination, care, or treatment of
6 persons; in-home services owner, provider, operator, or employee; law enforcement officer;
7 long-term care facility administrator or employee; medical examiner; medical resident or intern;
8 mental health professional; minister; nurse; nurse practitioner; optometrist; other health
9 practitioner; peace officer; pharmacist; physical therapist; physician; physician's assistant;

10 podiatrist; probation or parole officer; psychologist; or social worker has reasonable cause to
11 believe that an in-home services client has been abused or neglected, as a result of in-home
12 services, he or she shall immediately report or cause a report to be made to the department. If
13 the report is made by a physician of the in-home services client, the department shall maintain
14 contact with the physician regarding the progress of the investigation.

15 2. When a report of deteriorating physical condition resulting in possible abuse or
16 neglect of an in-home services client is received by the department, the client's case manager and
17 the department nurse shall be notified. The client's case manager shall investigate and
18 immediately report the results of the investigation to the department nurse. The department may
19 authorize the in-home services provider nurse to assist the case manager with the investigation.

20 3. If requested, local area agencies on aging shall provide volunteer training to those
21 persons listed in subsection 1 of this section regarding the detection and report of abuse and
22 neglect pursuant to this section.

23 4. Any person required in subsection 1 of this section to report or cause a report to be
24 made to the department who fails to do so within a reasonable time after the act of abuse or
25 neglect is guilty of a class A misdemeanor.

26 5. The report shall contain the names and addresses of the in-home services provider
27 agency, the in-home services employee, the in-home services client, the home health agency, the
28 home health agency employee, information regarding the nature of the abuse or neglect, the name
29 of the complainant, and any other information which might be helpful in an investigation.

30 6. In addition to those persons required to report under subsection 1 of this section, any
31 other person having reasonable cause to believe that an in-home services client or home health
32 patient has been abused or neglected by an in-home services employee or home health agency
33 employee may report such information to the department.

34 7. If the investigation indicates possible abuse or neglect of an in-home services client
35 or home health patient, the investigator shall refer the complaint together with his or her report
36 to the department director or his or her designee for appropriate action. If, during the
37 investigation or at its completion, the department has reasonable cause to believe that immediate
38 action is necessary to protect the in-home services client or home health patient from abuse or
39 neglect, the department or the local prosecuting attorney may, or the attorney general upon
40 request of the department shall, file a petition for temporary care and protection of the in-home
41 services client or home health patient in a circuit court of competent jurisdiction. The circuit
42 court in which the petition is filed shall have equitable jurisdiction to issue an ex parte order
43 granting the department authority for the temporary care and protection of the in-home services
44 client or home health patient, for a period not to exceed thirty days.

45 8. Reports shall be confidential, as provided under section [660.320] **192.1112**.

46 9. Anyone, except any person who has abused or neglected an in-home services client
47 or home health patient, who makes a report pursuant to this section or who testifies in any
48 administrative or judicial proceeding arising from the report shall be immune from any civil or
49 criminal liability for making such a report or for testifying except for liability for perjury, unless
50 such person acted negligently, recklessly, in bad faith, or with malicious purpose.

51 10. Within five working days after a report required to be made under this section is
52 received, the person making the report shall be notified in writing of its receipt and of the
53 initiation of the investigation.

54 11. No person who directs or exercises any authority in an in-home services provider
55 agency or home health agency shall harass, dismiss or retaliate against an in-home services client
56 or home health patient, or an in-home services employee or a home health agency employee
57 because he **or she** or any member of his or her family has made a report of any violation or
58 suspected violation of laws, standards or regulations applying to the in-home services provider
59 agency or home health agency or any in-home services employee or home health agency
60 employee which he **or she** has reasonable cause to believe has been committed or has occurred.

61 12. Any person who abuses or neglects an in-home services client or home health patient
62 is subject to criminal prosecution under section 565.180, 565.182, or 565.184. If such person
63 is an in-home services employee and has been found guilty by a court, and if the supervising
64 in-home services provider willfully and knowingly failed to report known abuse by such
65 employee to the department, the supervising in-home services provider may be subject to
66 administrative penalties of one thousand dollars per violation to be collected by the department
67 and the money received therefor shall be paid to the director of revenue and deposited in the state
68 treasury to the credit of the general revenue fund. Any in-home services provider which has had
69 administrative penalties imposed by the department or which has had its contract terminated may
70 seek an administrative review of the department's action pursuant to chapter 621. Any decision
71 of the administrative hearing commission may be appealed to the circuit court in the county
72 where the violation occurred for a trial de novo. For purposes of this subsection, the term
73 "violation" means a determination of guilt by a court.

74 13. The department shall establish a quality assurance and supervision process for clients
75 that requires an in-home services provider agency to conduct random visits to verify compliance
76 with program standards and verify the accuracy of records kept by an in-home services employee.

77 14. The department shall maintain the employee disqualification list and place on the
78 employee disqualification list the names of any persons who have been finally determined by the
79 department, pursuant to section [660.315] **192.1108**, to have recklessly, knowingly or purposely
80 abused or neglected an in-home services client or home health patient while employed by an
81 in-home services provider agency or home health agency. For purposes of this section only,

82 "knowingly" and "recklessly" shall have the meanings that are ascribed to them in this section.
83 A person acts "knowingly" with respect to the person's conduct when a reasonable person should
84 be aware of the result caused by his or her conduct. A person acts "recklessly" when the person
85 consciously disregards a substantial and unjustifiable risk that the person's conduct will result
86 in serious physical injury and such disregard constitutes a gross deviation from the standard of
87 care that a reasonable person would exercise in the situation.

88 15. At the time a client has been assessed to determine the level of care as required by
89 rule and is eligible for in-home services, the department shall conduct a "Safe at Home
90 Evaluation" to determine the client's physical, mental, and environmental capacity. The
91 department shall develop the safe at home evaluation tool by rule in accordance with chapter
92 536. The purpose of the safe at home evaluation is to assure that each client has the appropriate
93 level of services and professionals involved in the client's care. The plan of service or care for
94 each in-home services client shall be authorized by a nurse. The department may authorize the
95 licensed in-home services nurse, in lieu of the department nurse, to conduct the assessment of
96 the client's condition and to establish a plan of services or care. The department may use the
97 expertise, services, or programs of other departments and agencies on a case-by-case basis to
98 establish the plan of service or care. The department may, as indicated by the safe at home
99 evaluation, refer any client to a mental health professional, as defined in 9 CSR 30-4.030, for
100 evaluation and treatment as necessary.

101 16. Authorized nurse visits shall occur at least twice annually to assess the client and the
102 client's plan of services. The provider nurse shall report the results of his or her visits to the
103 client's case manager. If the provider nurse believes that the plan of service requires alteration,
104 the department shall be notified and the department shall make a client evaluation. All
105 authorized nurse visits shall be reimbursed to the in-home services provider. All authorized
106 nurse visits shall be reimbursed outside of the nursing home cap for in-home services clients
107 whose services have reached one hundred percent of the average statewide charge for care and
108 treatment in an intermediate care facility, provided that the services have been preauthorized by
109 the department.

110 17. All in-home services clients shall be advised of their rights by the department or the
111 department's designee at the initial evaluation. The rights shall include, but not be limited to, the
112 right to call the department for any reason, including dissatisfaction with the provider or services.
113 The department may contract for services relating to receiving such complaints. The department
114 shall establish a process to receive such nonabuse and neglect calls other than the elder abuse and
115 neglect hotline.

116 18. Subject to appropriations, all nurse visits authorized in sections [660.250 to 660.300]
117 **192.1080 to 192.1102** shall be reimbursed to the in-home services provider agency.

2 [660.305.] **192.1104.** 1. Any person having reasonable cause to believe that a
3 misappropriation of an in-home services client's property or funds, or the falsification of any
4 documents verifying service delivery to the in-home services client has occurred, may report
5 such information to the department.

6 2. For each report the department shall attempt to obtain the names and addresses of the
7 in-home services provider agency, the in-home services employee, the in-home services client,
8 information regarding the nature of the misappropriation or falsification, the name of the
9 complainant, and any other information which might be helpful in an investigation.

10 3. Any in-home services provider agency or in-home services employee who puts to his
11 or her own use or the use of the in-home services provider agency or otherwise diverts from the
12 in-home services client's use any personal property or funds of the in-home services client, or
13 falsifies any documents for service delivery, is guilty of a class A misdemeanor.

14 4. Upon receipt of a report, the department shall immediately initiate an investigation
15 and report information gained from such investigation to appropriate law enforcement
16 authorities.

17 5. If the investigation indicates probable misappropriation of property or funds, or
18 falsification of any documents for service delivery of an in-home services client, the investigator
19 shall refer the complaint together with the investigator's report to the department director or the
20 director's designee for appropriate action.

21 6. Reports shall be confidential, as provided under section [660.320] **192.1112.**

22 7. Anyone, except any person participating in or benefitting from the misappropriation
23 of funds, who makes a report pursuant to this section or who testifies in any administrative or
24 judicial proceeding arising from the report shall be immune from any civil or criminal liability
25 for making such a report or for testifying except for liability for perjury, unless such person acted
26 negligently, recklessly, in bad faith, or with malicious purpose.

27 8. Within five working days after a report required to be made under this section is
28 received, the person making the report shall be notified in writing of its receipt and of the
29 initiation of the investigation.

30 9. No person who directs or exercises any authority in an in-home services provider
31 agency shall harass, dismiss or retaliate against an in-home services client or employee because
32 he or she or any member of his or her family has made a report of any violation or suspected
33 violation of laws, ordinances or regulations applying to the in-home services provider agency or
34 any in-home services employee which he or she has reasonable cause to believe has been
35 committed or has occurred.

36 10. The department shall maintain the employee disqualification list and place on the
employee disqualification list the names of any persons who are or have been employed by an

37 in-home service provider agency and who have been finally determined by the department to,
38 pursuant to section [660.315] **192.1108**, have misappropriated any property or funds, or falsified
39 any documents for service delivery of an in-home services client and who came to be known to
40 the person, directly, or indirectly while employed by an in-home services provider agency.

[660.310.] **192.1106**. 1. Notwithstanding any other provision of law, if the [department
2 of health and senior services] **Missouri Medicaid audit and compliance unit** proposes to deny,
3 suspend, place on probation, or terminate an in-home services provider agency contract, the
4 [department of health and senior services] **Missouri Medicaid audit and compliance unit** shall
5 serve upon the applicant or contractor written notice of the proposed action to be taken. The
6 notice shall contain a statement of the type of action proposed, the basis for it, the date the action
7 will become effective, and a statement that the applicant or contractor shall have thirty days from
8 the date of mailing or delivery of the notice to file a complaint requesting a hearing before the
9 administrative hearing commission. The administrative hearing commission may consolidate
10 an applicant's or contractor's complaint with any proceeding before the administrative hearing
11 commission filed by such contractor or applicant pursuant to subsection 3 of section 208.156
12 involving a common question of law or fact. Upon the filing of the complaint, the provisions
13 of sections 621.110, 621.120, 621.125, 621.135, and 621.145 shall apply. With respect to cases
14 in which the [department] **unit** has denied a contract to an in-home services provider agency, the
15 administrative hearing commission shall conduct a hearing to determine the underlying basis for
16 such denial. However, if the administrative hearing commission finds that the contract denial
17 is supported by the facts and the law, the case need not be returned to the [department] **unit**. The
18 administrative hearing commission's decision shall constitute affirmation of the [department's]
19 **unit's** contract denial.

20 2. The [department of health and senior services] **Missouri Medicaid audit and**
21 **compliance unit** may issue letters of censure or warning without formal notice or hearing.

22 3. The administrative hearing commission may stay the suspension or termination of an
23 in-home services provider agency's contract, or the placement of the contractor on probation,
24 pending the commission's findings and determination in the cause, upon such conditions, with
25 or without the agreement of the parties, as the commission deems necessary and appropriate,
26 including the posting of bond or other security except that the commission shall not grant a stay,
27 or if a stay has already been entered shall set aside its stay, unless the commission finds that the
28 contractor has established that servicing the [department's] **MO HealthNet's** clients pending the
29 commission's final determination would not present an imminent danger to the health, safety, or
30 welfare of any client or a substantial probability that death or serious physical harm would result.
31 The commission may remove the stay at any time that it finds that the contractor has violated any
32 of the conditions of the stay. Such stay shall remain in effect, unless earlier removed by the

33 commission, pending the decision of the commission and any subsequent [departmental] **unit**
34 action at which time the stay shall be removed. In any case in which the [department] **unit** has
35 refused to issue a contract, the commission shall have no authority to stay or to require the
36 issuance of a contract pending final determination by the commission.

37 4. Stays granted to contractors by the administrative hearing commission shall, as a
38 condition of the stay, require at a minimum that the contractor under the stay operate under the
39 same contractual requirements and regulations as are in effect, from time to time, as are
40 applicable to all other contractors in the program.

41 5. The administrative hearing commission shall make its final decision based upon the
42 circumstances and conditions as they existed at the time of the action of the [department] **unit**
43 and not based upon circumstances and conditions at the time of the hearing or decision of the
44 commission.

45 6. In any proceeding before the administrative hearing commission pursuant to this
46 section, the burden of proof shall be on the contractor or applicant seeking review.

47 7. Any person, including the [department] **unit**, aggrieved by a final decision of the
48 administrative hearing commission may seek judicial review of such decision as provided in
49 section 621.145.

[660.315.] **192.1108.** 1. After an investigation and a determination has been made to
2 place a person's name on the employee disqualification list, that person shall be notified in
3 writing mailed to his or her last known address that:

4 (1) An allegation has been made against the person, the substance of the allegation and
5 that an investigation has been conducted which tends to substantiate the allegation;

6 (2) The person's name will be included in the employee disqualification list of the
7 department;

8 (3) The consequences of being so listed including the length of time to be listed; and

9 (4) The person's rights and the procedure to challenge the allegation.

10 2. If no reply has been received within thirty days of mailing the notice, the department
11 may include the name of such person on its list. The length of time the person's name shall
12 appear on the employee disqualification list shall be determined by the director or the director's
13 designee, based upon the criteria contained in subsection 9 of this section.

14 3. If the person so notified wishes to challenge the allegation, such person may file an
15 application for a hearing with the department. The department shall grant the application within
16 thirty days after receipt by the department and set the matter for hearing, or the department shall
17 notify the applicant that, after review, the allegation has been held to be unfounded and the
18 applicant's name will not be listed.

19 4. If a person's name is included on the employee disqualification list without the
20 department providing notice as required under subsection 1 of this section, such person may file
21 a request with the department for removal of the name or for a hearing. Within thirty days after
22 receipt of the request, the department shall either remove the name from the list or grant a
23 hearing and set a date therefor.

24 5. Any hearing shall be conducted in the county of the person's residence by the director
25 of the department or the director's designee. The provisions of chapter 536 for a contested case
26 except those provisions or amendments which are in conflict with this section shall apply to and
27 govern the proceedings contained in this section and the rights and duties of the parties involved.
28 The person appealing such an action shall be entitled to present evidence, pursuant to the
29 provisions of chapter 536, relevant to the allegations.

30 6. Upon the record made at the hearing, the director of the department or the director's
31 designee shall determine all questions presented and shall determine whether the person shall
32 be listed on the employee disqualification list. The director of the department or the director's
33 designee shall clearly state the reasons for his or her decision and shall include a statement of
34 findings of fact and conclusions of law pertinent to the questions in issue.

35 7. A person aggrieved by the decision following the hearing shall be informed of his or
36 her right to seek judicial review as provided under chapter 536. If the person fails to appeal the
37 director's findings, those findings shall constitute a final determination that the person shall be
38 placed on the employee disqualification list.

39 8. A decision by the director shall be inadmissible in any civil action brought against a
40 facility or the in-home services provider agency and arising out of the facts and circumstances
41 which brought about the employment disqualification proceeding, unless the civil action is
42 brought against the facility or the in-home services provider agency by the department of health
43 and senior services or one of its divisions.

44 9. The length of time the person's name shall appear on the employee disqualification
45 list shall be determined by the director of the department of health and senior services or the
46 director's designee, based upon the following:

47 (1) Whether the person acted recklessly or knowingly, as defined in chapter 562;

48 (2) The degree of the physical, sexual, or emotional injury or harm; or the degree of the
49 imminent danger to the health, safety or welfare of a resident or in-home services client;

50 (3) The degree of misappropriation of the property or funds, or falsification of any
51 documents for service delivery of an in-home services client;

52 (4) Whether the person has previously been listed on the employee disqualification list;

53 (5) Any mitigating circumstances;

54 (6) Any aggravating circumstances; and

55 (7) Whether alternative sanctions resulting in conditions of continued employment are
56 appropriate in lieu of placing a person's name on the employee disqualification list. Such
57 conditions of employment may include, but are not limited to, additional training and employee
58 counseling. Conditional employment shall terminate upon the expiration of the designated
59 length of time and the person's submitting documentation which fulfills the department of health
60 and senior services' requirements.

61 10. The removal of any person's name from the list under this section shall not prevent
62 the director from keeping records of all acts finally determined to have occurred under this
63 section.

64 11. The department shall provide the list maintained pursuant to this section to other
65 state departments upon request and to any person, corporation, organization, or association who:

66 (1) Is licensed as an operator under chapter 198;

67 (2) Provides in-home services under contract with the department **of social services or**
68 **its division or units;**

69 (3) Employs nurses and nursing assistants for temporary or intermittent placement in
70 health care facilities;

71 (4) Is approved by the department to issue certificates for nursing assistants training;

72 (5) Is an entity licensed under chapter 197;

73 (6) Is a recognized school of nursing, medicine, or other health profession for the
74 purpose of determining whether students scheduled to participate in clinical rotations with
75 entities described in subdivision (1), (2), or (5) of this subsection are included in the employee
76 disqualification list; or

77 (7) Is a consumer reporting agency regulated by the federal Fair Credit Reporting Act
78 that conducts employee background checks on behalf of entities listed in subdivisions (1), (2),
79 (5), or (6) of this subsection. Such a consumer reporting agency shall conduct the employee
80 disqualification list check only upon the initiative or request of an entity described in
81 subdivisions (1), (2), (5), or (6) of this subsection when the entity is fulfilling its duties required
82 under this section. The information shall be disclosed only to the requesting entity.

83

84 The department shall inform any person listed above who inquires of the department whether or
85 not a particular name is on the list. The department may require that the request be made in
86 writing. No person, corporation, organization, or association who is entitled to access the
87 employee disqualification list may disclose the information to any person, corporation,
88 organization, or association who is not entitled to access the list. Any person, corporation,
89 organization, or association who is entitled to access the employee disqualification list who

90 discloses the information to any person, corporation, organization, or association who is not
91 entitled to access the list shall be guilty of an infraction.

92 12. No person, corporation, organization, or association who received the employee
93 disqualification list under subdivisions (1) to (7) of subsection 11 of this section shall knowingly
94 employ any person who is on the employee disqualification list. Any person, corporation,
95 organization, or association who received the employee disqualification list under subdivisions
96 (1) to (7) of subsection 11 of this section, or any person responsible for providing health care
97 service, who declines to employ or terminates a person whose name is listed in this section shall
98 be immune from suit by that person or anyone else acting for or in behalf of that person for the
99 failure to employ or for the termination of the person whose name is listed on the employee
100 disqualification list.

101 13. Any employer who is required to discharge an employee because the employee was
102 placed on a disqualification list maintained by the department of health and senior services after
103 the date of hire shall not be charged for unemployment insurance benefits based on wages paid
104 to the employee for work prior to the date of discharge, pursuant to section 288.100.

105 14. Any person who has been listed on the employee disqualification list may request
106 that the director remove his or her name from the employee disqualification list. The request
107 shall be written and may not be made more than once every twelve months. The request will be
108 granted by the director upon a clear showing, by written submission only, that the person will
109 not commit additional acts of abuse, neglect, misappropriation of the property or funds, or the
110 falsification of any documents of service delivery to an in-home services client. The director
111 may make conditional the removal of a person's name from the list on any terms that the director
112 deems appropriate, and failure to comply with such terms may result in the person's name being
113 relisted. The director's determination of whether to remove the person's name from the list is not
114 subject to appeal.

[660.317.] **192.1110.** 1. For the purposes of this section, the term "provider" means any
2 person, corporation or association who:

3 (1) Is licensed as an operator pursuant to chapter 198;

4 (2) Provides in-home services under contract with the department **of social services or**
5 **its divisions or units;**

6 (3) Employs nurses or nursing assistants for temporary or intermittent placement in
7 health care facilities;

8 (4) Is an entity licensed pursuant to chapter 197;

9 (5) Is a public or private facility, day program, residential facility or specialized service
10 operated, funded or licensed by the department of mental health; or

11 (6) Is a licensed adult day care provider.

12 2. For the purpose of this section "patient or resident" has the same meaning as such term
13 is defined in section 43.540.

14 3. Prior to allowing any person who has been hired as a full-time, part-time or temporary
15 position to have contact with any patient or resident the provider shall, or in the case of
16 temporary employees hired through or contracted for an employment agency, the employment
17 agency shall prior to sending a temporary employee to a provider:

18 (1) Request a criminal background check as provided in section 43.540. Completion of
19 an inquiry to the highway patrol for criminal records that are available for disclosure to a
20 provider for the purpose of conducting an employee criminal records background check shall be
21 deemed to fulfill the provider's duty to conduct employee criminal background checks pursuant
22 to this section; except that, completing the inquiries pursuant to this subsection shall not be
23 construed to exempt a provider from further inquiry pursuant to common law requirements
24 governing due diligence. If an applicant has not resided in this state for five consecutive years
25 prior to the date of his or her application for employment, the provider shall request a nationwide
26 check for the purpose of determining if the applicant has a prior criminal history in other states.
27 The fingerprint cards and any required fees shall be sent to the highway patrol's central
28 repository. The first set of fingerprints shall be used for searching the state repository of criminal
29 history information. If no identification is made, the second set of fingerprints shall be
30 forwarded to the Federal Bureau of Investigation, Identification Division, for the searching of
31 the federal criminal history files. The patrol shall notify the submitting state agency of any
32 criminal history information or lack of criminal history information discovered on the individual.
33 The provisions relating to applicants for employment who have not resided in this state for five
34 consecutive years shall apply only to persons who have no employment history with a licensed
35 Missouri facility during that five-year period. Notwithstanding the provisions of section
36 610.120, all records related to any criminal history information discovered shall be accessible
37 and available to the provider making the record request; and

38 (2) Make an inquiry to the department of health and senior services whether the person
39 is listed on the employee disqualification list as provided in section [660.315] **192.1108**.

40 4. When the provider requests a criminal background check pursuant to section 43.540,
41 the requesting entity may require that the applicant reimburse the provider for the cost of such
42 record check. When a provider requests a nationwide criminal background check pursuant to
43 subdivision (1) of subsection 3 of this section, the total cost to the provider of any background
44 check required pursuant to this section shall not exceed five dollars which shall be paid to the
45 state. State funding and the obligation of a provider to obtain a nationwide criminal background
46 check shall be subject to the availability of appropriations.

47 5. An applicant for a position to have contact with patients or residents of a provider
48 shall:

49 (1) Sign a consent form as required by section 43.540 so the provider may request a
50 criminal records review;

51 (2) Disclose the applicant's criminal history. For the purposes of this subdivision
52 "criminal history" includes any conviction or a plea of guilty to a misdemeanor or felony charge
53 and shall include any suspended imposition of sentence, any suspended execution of sentence
54 or any period of probation or parole; and

55 (3) Disclose if the applicant is listed on the employee disqualification list as provided
56 in section [660.315] **192.1108**.

57 6. An applicant who knowingly fails to disclose his or her criminal history as required
58 in subsection 5 of this section is guilty of a class A misdemeanor. A provider is guilty of a class
59 A misdemeanor if the provider knowingly hires or retains a person to have contact with patients
60 or residents and the person has been convicted of, pled guilty to or nolo contendere in this state
61 or any other state or has been found guilty of a crime, which if committed in Missouri would be
62 a class A or B felony violation of chapter 565, 566 or 569, or any violation of subsection 3 of
63 section 198.070 or section 568.020.

64 7. Any in-home services provider agency or home health agency shall be guilty of a class
65 A misdemeanor if such agency knowingly employs a person to provide in-home services or home
66 health services to any in-home services client or home health patient and such person either
67 refuses to register with the family care safety registry or is listed on any of the background check
68 lists in the family care safety registry pursuant to sections 210.900 to 210.937.

69 8. The highway patrol shall examine whether protocols can be developed to allow a
70 provider to request a statewide fingerprint criminal records review check through local law
71 enforcement agencies.

72 9. A provider may use a private investigatory agency rather than the highway patrol to
73 do a criminal history records review check, and alternatively, the applicant pays the private
74 investigatory agency such fees as the provider and such agency shall agree.

75 10. Except for the hiring restriction based on the department of health and senior services
76 employee disqualification list established pursuant to section [660.315] **192.1108**, the department
77 of health and senior services shall promulgate rules and regulations to waive the hiring
78 restrictions pursuant to this section for good cause. For purposes of this section, "good cause"
79 means the department has made a determination by examining the employee's prior work history
80 and other relevant factors that such employee does not present a risk to the health or safety of
81 residents.

[660.320.] **192.1112.** 1. Reports confidential under section 198.070 and sections [660.300 to 660.315] **192.1102 to 192.1108** shall not be deemed a public record and shall not be subject to the provisions of section 109.180 or chapter 610. The name of the complainant or any person mentioned in the reports shall not be disclosed unless:

(1) The complainant, resident or the in-home services client mentioned agrees to disclosure of his or her name;

(2) The department determines that disclosure is necessary in order to prevent further abuse, neglect, misappropriation of property or funds, or falsification of any documents verifying service delivery to an in-home services client;

(3) Release of a name is required for conformance with a lawful subpoena;

(4) Release of a name is required in connection with a review by the administrative hearing commission in accordance with section 198.039;

(5) The department determines that release of a name is appropriate when forwarding a report of findings of an investigation to a licensing authority; or

(6) Release of a name is requested [by the division of family services] for the purpose of licensure under chapter 210.

2. The department shall, upon request, provide to the division of employment security within the department of labor and industrial relations copies of the investigative reports that led to an employee being placed on the disqualification list.

[660.321.] **192.1114.** Notwithstanding any other provision of law, the department shall not disclose personally identifiable medical, social, personal, or financial records of any eligible adult being served by the division of senior services except when disclosed in a manner that does not identify the eligible adult, or when ordered to do so by a court of competent jurisdiction. Such records shall be accessible without court order for examination and copying only to the following persons or offices, or to their designees:

(1) The department or any person or agency designated by the department for such purposes as the department may determine;

(2) The attorney general, to perform his or her constitutional or statutory duties;

(3) The department of mental health for residents placed through that department, to perform its constitutional or statutory duties;

(4) Any appropriate law enforcement agency, to perform its constitutional or statutory duties;

(5) The eligible adult, his or her legal guardian or any other person designated by the eligible adult; and

(6) The department of social services for individuals who receive Medicaid benefits, to perform its constitutional or statutory duties.

193.075. 1. The forms of certificates and reports required by sections 193.005 to 193.325 or by regulations adopted hereunder shall include as a minimum the items recommended by the federal agency responsible for national vital statistics.

2. Each certificate, report, and other document required by sections 193.005 to 193.325 shall be on a form or in a format prescribed by the state registrar.

3. All vital records shall contain the date received for registration.

4. Information required in certificates or reports authorized by sections 193.005 to 193.325 may be filed and registered by photographic, electronic, or other means as prescribed by the state registrar.

5. In addition to other personal data required by the registrar to be entered on a birth certificate, each parent shall furnish to the registrar the Social Security account number, or numbers if applicable, issued to the parent unless the registrar finds good cause for not requiring the furnishing of such number or numbers. Good cause shall be determined in accordance with regulations established by the Secretary of the United States Department of Health and Human Services. The registrar shall make numbers furnished under this section available to the **family support** division [of child support enforcement] of the department of social services. Such numbers shall not be recorded on the birth certificate. The **family support** division [of child support enforcement] shall not use any Social Security number furnished under the section for any purpose other than for the establishment and enforcement of child support obligations, and the confidentiality provisions and penalties contained in section 454.440 shall apply. Nothing in this section shall be construed to prohibit the department of health and senior services from using Social Security numbers for statistical purposes.

193.215. 1. A certificate or report registered pursuant to sections 193.005 to 193.325 may be amended only pursuant to the provisions of sections 193.005 to 193.325, and regulations adopted by the department.

2. A certificate or report that is amended pursuant to this section shall be marked "Amended" except as otherwise provided in this section. The date of amendment and a summary description of the evidence submitted in support of the amendment shall be endorsed on or made part of the record.

3. Upon receipt of a certified copy of an order of a court of competent jurisdiction changing the name of a person born in this state and upon request of such person or such person's parents, guardian, or legal representative, the state registrar shall amend the certificate of birth to show the new name. The court order shall include such facts as are necessary to locate and identify the certificate of birth of the person whose name is being changed.

4. When an applicant does not submit the minimum documentation required in the regulations for amending a vital record or when the state registrar has reasonable cause to

15 question the validity or adequacy of the applicant's sworn statements or the documentary
16 evidence, and if the deficiencies are not corrected, the state registrar shall not amend the vital
17 record and shall advise the applicant of the reason for this action and the applicant's right of
18 appeal to a court of competent jurisdiction.

19 5. When a certificate or report is amended pursuant to this section, the state registrar
20 shall report the amendment to any other custodians of the vital record and their record shall be
21 amended accordingly.

22 6. Upon written request of both parents and receipt of a sworn acknowledgment of
23 paternity notarized and signed by both parents of a child born out of wedlock, the state registrar
24 shall amend the certificate of birth to show such paternity. The acknowledgment affidavit form
25 shall be developed by the state registrar and shall include the minimum requirements prescribed
26 by the secretary of the Department of Health and Human Services pursuant to 42 U.S.C. Section
27 652(a)(7). The acknowledgment form shall include provisions to allow the parents to change the
28 surname of the child and such surname shall be changed on the birth record if the parents elect
29 to change the child's surname. The signature of the parents shall be notarized or the signature
30 shall be witnessed by at least two disinterested adults whose signatures and addresses shall be
31 plainly written thereon. The form shall be accompanied by oral notice, which may be provided
32 through the use of video or audio equipment, and written notice to the mother and putative father
33 of:

34 (1) The alternatives to, the legal consequences of, and the rights and responsibilities that
35 arise from signing the acknowledgment;

36 (2) The benefits of having the child's paternity established; and

37 (3) The availability of paternity establishment and child support enforcement services.

38 A rescission of acknowledgment form shall be filed with the bureau of vital records pursuant to
39 section 210.823 to vacate the legal finding of paternity. The bureau shall file all rescissions and
40 forward a copy of each to the **family support** division [of child support enforcement]. The birth
41 record shall only be changed pursuant to this subsection upon an order of the court or the **family**
42 **support** division [of child support enforcement].

43 7. The department shall offer voluntary paternity establishment services.

44 8. Upon receipt of a certified copy of an order of a court of competent jurisdiction
45 changing the name of a person born in this state and upon request of such person or such person's
46 parents, guardian or legal representative, the state registrar shall amend the certificate of birth
47 to show the new name.

48 9. Upon receipt of a certified copy of an order of a court of competent jurisdiction
49 indicating the sex of an individual born in this state has been changed by surgical procedure and

50 that such individual's name has been changed, the certificate of birth of such individual shall be
51 amended.

197.312. A certificate of need shall not be required for any institution previously owned
2 and operated for or in behalf of a city not within a county which chooses to be licensed as a
3 facility defined under subdivision [(21) or] (22) **or (23)** of section 198.006 for a facility of ninety
4 beds or less that is owned or operated by a not-for-profit corporation which is exempt from
5 federal income tax as an organization described in section 501(c)(3) of the Internal Revenue
6 Code of 1986, which is controlled directly by a religious organization and which has received
7 approval by the [division of aging] **department of health and senior services** of plans for
8 construction of such facility by August 1, 1995, and is licensed by the [division of aging]
9 **department of health and senior services** by July 1, 1996, as a facility defined under
10 subdivision [(21) or] (22) **or (23)** of section 198.006 or for a facility, serving exclusively
11 mentally ill, homeless persons, of sixteen beds or less that is owned or operated by a
12 not-for-profit corporation which is exempt from federal income tax which is described in section
13 501(c)(3) of the Internal Revenue Code of 1986, which is controlled directly by a religious
14 organization and which has received approval by the [division of aging] **department of health**
15 **and senior services** of plans for construction of such facility by May 1, 1996, and is licensed by
16 the [division of aging] **department of health and senior services** by July 1, 1996, as a facility
17 defined under subdivision [(21) or] (22) **or (23)** of section 198.006 or an assisted living facility
18 located in a city not within a county operated by a not for profit corporation which is exempt
19 from federal income tax which is described in section 501(c)(3) of the Internal Revenue Code
20 of 1986, which is controlled directly by a religious organization and which is licensed for one
21 hundred beds or less on or before August 28, 1997.

197.318. 1. As used in this section, the term "licensed and available" means beds which
2 are actually in place and for which a license has been issued.

3 2. The committee shall review all letters of intent and applications for long-term care
4 hospital beds meeting the requirements described in 42 CFR, Section 412.23(e) under its criteria
5 and standards for long-term care beds.

6 3. Sections 197.300 to 197.366 shall not be construed to apply to litigation pending in
7 state court on or before April 1, 1996, in which the Missouri health facilities review committee
8 is a defendant in an action concerning the application of sections 197.300 to 197.366 to
9 long-term care hospital beds meeting the requirements described in 42 CFR, Section 412.23(e).

10 4. Notwithstanding any other provision of this chapter to the contrary:

11 (1) A facility licensed pursuant to chapter 198 may increase its licensed bed capacity by:

12 (a) Submitting a letter of intent to expand to the [division of aging] **department of**
13 **health and senior services** and the health facilities review committee;

- 14 (b) Certification from the [division of aging] **department of health and senior services**
15 that the facility:
- 16 a. Has no patient care class I deficiencies within the last eighteen months; and
17 b. Has maintained a ninety-percent average occupancy rate for the previous six quarters;
- 18 (c) Has made an effort to purchase beds for eighteen months following the date the letter
19 of intent to expand is submitted pursuant to paragraph (a) of this subdivision. For purposes of
20 this paragraph, an "effort to purchase" means a copy certified by the offeror as an offer to
21 purchase beds from another licensed facility in the same licensure category; and
- 22 (d) If an agreement is reached by the selling and purchasing entities, the health facilities
23 review committee shall issue a certificate of need for the expansion of the purchaser facility upon
24 surrender of the seller's license; or
- 25 (e) If no agreement is reached by the selling and purchasing entities, the health facilities
26 review committee shall permit an expansion for:
- 27 a. A facility with more than forty beds may expand its licensed bed capacity within the
28 same licensure category by twenty-five percent or thirty beds, whichever is greater, if that same
29 licensure category in such facility has experienced an average occupancy of ninety-three percent
30 or greater over the previous six quarters;
- 31 b. A facility with fewer than forty beds may expand its licensed bed capacity within the
32 same licensure category by twenty-five percent or ten beds, whichever is greater, if that same
33 licensure category in such facility has experienced an average occupancy of ninety-two percent
34 or greater over the previous six quarters;
- 35 c. A facility adding beds pursuant to subparagraphs a. or b. of this paragraph shall not
36 expand by more than fifty percent of its then licensed bed capacity in the qualifying licensure
37 category;
- 38 (2) Any beds sold shall, for five years from the date of relicensure by the purchaser,
39 remain unlicensed and unused for any long-term care service in the selling facility, whether they
40 do or do not require a license;
- 41 (3) The beds purchased shall, for two years from the date of purchase, remain in the bed
42 inventory attributed to the selling facility and be considered by the department of social services
43 as licensed and available for purposes of this section;
- 44 (4) Any residential care facility licensed pursuant to chapter 198 may relocate any
45 portion of such facility's current licensed beds to any other facility to be licensed within the same
46 licensure category if both facilities are under the same licensure ownership or control, and are
47 located within six miles of each other;
- 48 (5) A facility licensed pursuant to chapter 198 may transfer or sell individual long-term
49 care licensed beds to facilities qualifying pursuant to paragraphs (a) and (b) of subdivision (1)

50 of this subsection. Any facility which transfers or sells licensed beds shall not expand its
51 licensed bed capacity in that licensure category for a period of five years from the date the
52 licensure is relinquished.

53 5. Any existing licensed and operating health care facility offering long-term care
54 services may replace one-half of its licensed beds at the same site or a site not more than thirty
55 miles from its current location if, for at least the most recent four consecutive calendar quarters,
56 the facility operates only fifty percent of its then licensed capacity with every resident residing
57 in a private room. In such case:

58 (1) The facility shall report to the [division of aging] **health and senior services** vacant
59 beds as unavailable for occupancy for at least the most recent four consecutive calendar quarters;

60 (2) The replacement beds shall be built to private room specifications and only used for
61 single occupancy; and

62 (3) The existing facility and proposed facility shall have the same owner or owners,
63 regardless of corporate or business structure, and such owner or owners shall stipulate in writing
64 that the existing facility beds to be replaced will not later be used to provide long-term care
65 services. If the facility is being operated under a lease, both the lessee and the owner of the
66 existing facility shall stipulate the same in writing.

67 6. Nothing in this section shall prohibit a health care facility licensed pursuant to chapter
68 198 from being replaced in its entirety within fifteen miles of its existing site so long as the
69 existing facility and proposed or replacement facility have the same owner or owners regardless
70 of corporate or business structure and the health care facility being replaced remains unlicensed
71 and unused for any long-term care services whether they do or do not require a license from the
72 date of licensure of the replacement facility.

197.367. Upon application for renewal by any residential care facility or assisted living
2 facility which on the effective date of this act has been licensed for more than five years, is
3 licensed for more than fifty beds and fails to maintain for any calendar year its occupancy level
4 above thirty percent of its then licensed beds, the [division of aging] **department of health and**
5 **senior services** shall license only fifty beds for such facility.

198.018. 1. Applications for a license shall be made to the department by the operator
2 upon such forms and including such information and documents as the department may
3 reasonably require by rule or regulation for the purposes of administering sections 198.003 to
4 198.186, section 198.200, and sections 208.030 and 208.159.

5 2. The applicant shall submit all documents required by the department under this section
6 attesting by signature that the statements contained in the application are true and correct to the
7 best of the applicant's knowledge and belief, and that all required documents are either included
8 with the application or are currently on file with the department.

9 3. The application shall be accompanied by a license fee in an amount established by the
10 department. The fee established by the department shall not exceed six hundred dollars, and
11 shall be a graduated fee based on the licensed capacity of the applicant and the duration of the
12 license. A fee of not more than fifty dollars shall be charged for any amendments to a license
13 initiated by an applicant. In addition, facilities certified to participate in the Medicaid or
14 Medicare programs shall pay a certification fee of up to one thousand dollars annually, payable
15 on or before October first of each year. The amount remitted for the license fee, fee for
16 amendments to a license, or certification fee shall be deposited in the state treasury to the credit
17 of the "Nursing Facility Quality of Care Fund", which is hereby created. All investment earnings
18 of the nursing facility quality of care fund shall be credited to such fund. All moneys in the
19 nursing facility quality of care fund shall, upon appropriation, be used by the [division of aging]
20 **department of health and senior services** for conducting inspections and surveys, and
21 providing training and technical assistance to facilities licensed under the provisions of this
22 chapter. The unexpended balance in the nursing facility quality of care fund at the end of the
23 biennium is exempt from the provisions of sections 33.080. The unexpended balance in the
24 nursing facility quality of care fund shall not revert to the general revenue fund, but shall
25 accumulate in the nursing facility quality of care fund from year to year.

26 4. Within ten working days of the effective date of any document that replaces, succeeds,
27 or amends any of the documents required by the department to be filed pursuant to this section,
28 an operator shall file with the department a copy of such document. The operator shall attest by
29 signature that the document is true and correct. If the operator knowingly fails to file a required
30 document or provide any information amending any document within the time provided for in
31 this section, a circuit court may, upon application of the department or the attorney general,
32 assess a penalty of up to fifty dollars per document for each day past the required date of filing.

33 5. If an operator fails to file documents or amendments to documents as required
34 pursuant to this section and such failure is part of a pattern or practice of concealment, such
35 failure shall be sufficient grounds for revocation of a license or disapproval of an application for
36 a license.

37 6. Any facility defined in subdivision [(8), (15), (16) or (17)] **(6), (14), (22), or (23)** of
38 section 198.006 that is licensed by the state of Missouri pursuant to the provisions of section
39 198.015 may not be licensed, certified or registered by any other political subdivision of the state
40 of Missouri whether or not it has taxing power, provided, however, that nothing in this
41 subsection shall prohibit a county or city, otherwise empowered under law, to inspect such
42 facility for compliance with local ordinances of food service or fire safety.

198.026. 1. Whenever a duly authorized representative of the department finds upon an
2 inspection of a facility that it is not in compliance with the provisions of sections 198.003 to

3 198.096 and the standards established thereunder, the operator or administrator shall be informed
4 of the deficiencies in an exit interview conducted with the operator or administrator, or his **or**
5 **her** designee. The department shall inform the operator or administrator, in writing, of any
6 violation of a class I standard at the time the determination is made. A written report shall be
7 prepared of any deficiency for which there has not been prompt remedial action, and a copy of
8 such report and a written correction order shall be sent to the operator or administrator by
9 certified mail or other delivery service that provides a dated receipt of delivery at the facility
10 address within ten working days after the inspection, stating separately each deficiency and the
11 specific statute or regulation violated.

12 2. The operator or administrator shall have five working days following receipt of a
13 written report and correction order regarding a violation of a class I standard and ten working
14 days following receipt of the report and correction order regarding violations of class II or class
15 III standards to request any conference and to submit a plan of correction for the department's
16 approval which contains specific dates for achieving compliance. Within five working days after
17 receiving a plan of correction regarding a violation of a class I standard and within ten working
18 days after receiving a plan of correction regarding a violation of a class II or III standard, the
19 department shall give its written approval or rejection of the plan. If there was a violation of any
20 class I standard, immediate corrective action shall be taken by the operator or administrator and
21 a written plan of correction shall be submitted to the department. The department shall give its
22 written approval or rejection of the plan and if the plan is acceptable, a reinspection shall be
23 conducted within twenty calendar days of the exit interview to determine if deficiencies have
24 been corrected. If there was a violation of any class II standard and the plan of correction is
25 acceptable, an unannounced reinspection shall be conducted between forty and ninety calendar
26 days from the date of the exit conference to determine the status of all previously cited
27 deficiencies. If there was a violation of class III standards sufficient to establish that the facility
28 was not in substantial compliance, an unannounced reinspection shall be conducted within one
29 hundred twenty days of the exit interview to determine the status of previously identified
30 deficiencies.

31 3. If, following the reinspection, the facility is found not in substantial compliance with
32 sections 198.003 to 198.096 and the standards established thereunder or the operator is not
33 correcting the noncompliance in accordance with the approved plan of correction, the department
34 shall issue a notice of noncompliance, which shall be sent by certified mail or other delivery
35 service that provides a dated receipt of delivery to each person disclosed to be an owner or
36 operator of the facility, according to the most recent information or documents on file with the
37 department.

38 4. The notice of noncompliance shall inform the operator or administrator that the
39 department may seek the imposition of any of the sanctions and remedies provided for in section
40 198.067, or any other action authorized by law.

41 5. At any time after an inspection is conducted, the operator may choose to enter into a
42 consent agreement with the department to obtain a probationary license. The consent agreement
43 shall include a provision that the operator will voluntarily surrender the license if substantial
44 compliance is not reached in accordance with the terms and deadlines established under the
45 agreement. The agreement shall specify the stages, actions and time span to achieve substantial
46 compliance.

47 6. Whenever a notice of noncompliance has been issued, the operator shall post a copy
48 of the notice of noncompliance and a copy of the most recent inspection report in a conspicuous
49 location in the facility, and the department shall send a copy of the notice of noncompliance to
50 the [division of family services of the] department of social services, the department of mental
51 health, and any other concerned federal, state or local governmental agencies.

 198.029. The provisions of section 198.026 notwithstanding, whenever a duly authorized
2 representative of the department finds upon inspection of a licensed facility, and the director of
3 the department finds upon review, that the facility or the operator is not in substantial compliance
4 with a standard or standards the violations of which would present either an imminent danger
5 to the health, safety or welfare of any resident or a substantial probability that death or serious
6 physical harm would result and which is not immediately corrected, the department shall:

7 (1) Give immediate written notice of the noncompliance to the operator, administrator
8 or person managing or supervising the conduct of the facility at the time the noncompliance is
9 found;

10 (2) Make public the fact that a notice of noncompliance has been issued to the facility.
11 Copies of the notice shall be sent to appropriate hospitals and social service agencies;

12 (3) Send a copy of the notice of noncompliance to the [division of family services of the]
13 department of social services, the department of mental health, and any other concerned federal,
14 state or local government agencies. The facility shall post in a conspicuous location in the
15 facility a copy of the notice of noncompliance and a copy of the most recent inspection report.

 198.077. For any residential care facility, assisted living facility, intermediate care
2 facility or skilled nursing facility, if the department of [social] **health and senior** services
3 maintains records of site inspections and violations of statutes, rules, or the terms or conditions
4 of any license issued to such facility, the department shall also maintain records of compliance
5 with such statutes, rules, or terms or conditions of any license, and shall specifically record in
6 such records any actions taken by the facility that are above and beyond what is minimally
7 required for compliance.

198.080. The [division of aging] **department of health and senior services** shall
2 develop flexible assessment procedures for individuals in long-term care and those considering
3 long-term care services which follow the individual through the continuum of care, including
4 periodic reassessment. By January 1, 2002, the [division of aging] **department of health and**
5 **senior services** shall promulgate rules and regulations to implement the new assessment system
6 and shall make a report to the appropriate house and senate committees of the general assembly
7 regarding the new assessment system. Any rule or portion of a rule, as that term is defined in
8 section 536.010, that is created under the authority delegated in this section shall become
9 effective only if it complies with and is subject to all of the provisions of chapter 536 and, if
10 applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the
11 powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective
12 date or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of
13 rulemaking authority and any rule proposed or adopted after August 28, 1999, shall be invalid
14 and void.

198.087. To ensure uniformity of application of regulation standards in long-term care
2 facilities throughout the state, the department of [social] **health and senior** services shall:

3 (1) Evaluate the requirements for inspectors or surveyors of facilities, including the
4 eligibility, training and testing requirements for the position. Based on the evaluation, the
5 department shall develop and implement additional training and knowledge standards for
6 inspectors and surveyors;

7 (2) Periodically evaluate the performance of the inspectors or surveyors regionally and
8 statewide to identify any deviations or inconsistencies in regulation application. At a minimum,
9 the Missouri on-site surveyor evaluation process, and the number and type of actions overturned
10 by the informal dispute resolution process and formal appeal shall be used in the evaluation.
11 Based on such evaluation, the department shall develop standards and a retraining process for
12 the region, state, or individual inspector or surveyor, as needed;

13 (3) In addition to the provisions of subdivisions (1) and (2) of this section, the
14 department shall develop a single uniform comprehensive and mandatory course of instruction
15 for inspectors/surveyors on the practical application of enforcement of statutes, rules and
16 regulations. Such course shall also be open to attendance by administrators and staff of facilities
17 licensed pursuant to this chapter;

18 (4) [With the full cooperation of and in conjunction with the department of health and
19 senior services,] Evaluate the implementation and compliance of the provisions of subdivision
20 (3) of subsection 1 of section 198.012 in which rules, requirements, regulations and standards
21 pursuant to section 197.080 for assisted living facilities, intermediate care facilities and skilled

22 nursing facilities attached to an acute care hospital are consistent with the intent of this chapter;
23 and

24 (5) [With the full cooperation and in conjunction with the department of health and
25 senior services,] Develop rules and regulations requiring the exchange of information, including
26 regulatory violations, between the [departments] **department and the department of social**
27 **services** to ensure the protection of individuals who are served by health care providers regulated
28 by either the department [of health and senior services or the department of social services].

198.090. 1. An operator may make available to any resident the service of holding in
2 trust personal possessions and funds of the resident and shall, as authorized by the resident,
3 expend the funds to meet the resident's personal needs. In providing this service the operator
4 shall:

5 (1) At the time of admission, provide each resident or [his] **such resident's** next of kin
6 or legal guardian with a written statement explaining the resident's rights regarding personal
7 funds;

8 (2) Accept funds and personal possessions from or for a resident for safekeeping and
9 management, only upon written authorization by the resident or by [his] **such resident's**
10 designee, or guardian in the case of an adjudged incompetent;

11 (3) Deposit any personal funds received from or on behalf of a resident in an account
12 separate from the facility's funds, except that an amount to be established by rule of the [division
13 of aging] **department of health and senior services** may be kept in a petty cash fund for the
14 resident's personal needs;

15 (4) Keep a written account, available to a resident and [his] **such resident's** designee or
16 guardian, maintained on a current basis for each resident, with written receipts, for all personal
17 possessions and funds received by or deposited with the facility and for all disbursements made
18 to or on behalf of the resident;

19 (5) Provide each resident or [his] **such resident's** designee or guardian with a quarterly
20 accounting of all financial transactions made on behalf of the resident;

21 (6) Within five days of the discharge of a resident, provide the resident, or [his] **such**
22 **resident's** designee or guardian, with an up-to-date accounting of the resident's personal funds
23 and return to the resident the balance of his **or her** funds and all his **or her** personal possessions;

24 (7) Upon the death of a resident who has been a recipient of aid, assistance, care,
25 services, or who has had moneys expended on [his] **such resident's** behalf by the department of
26 social services, provide the department a complete account of all the resident's personal funds
27 within sixty days from the date of death. The total amount paid to the decedent or expended
28 upon [his] **such decedent's** behalf by the department shall be a debt due the state and recovered
29 from the available funds upon the department's claim on such funds. The department shall make

30 a claim on the funds within sixty days from the date of the accounting of the funds by the facility.
31 The nursing facility shall pay the claim made by the department of social services from the
32 resident's personal funds within sixty days. Where the name and address are reasonably
33 ascertainable, the department of social services shall give notice of the debt due the state to the
34 person whom the recipient had designated to receive the quarterly accounting of all financial
35 transactions made under this section, or the resident's guardian or conservator or the person or
36 persons listed in nursing home records as a responsible party or the fiduciary of the resident's
37 estate. If any funds are available after the department's claim, the remaining provisions of this
38 section shall apply to the balance, unless the funds belonged to a person other than the resident,
39 in which case the funds shall be paid to that person;

40 (8) Upon the death of a resident who has not been a recipient of aid, assistance, care,
41 services, or who has not had moneys expended on [his] **such resident's** behalf by the department
42 of social services or the department has not made a claim on the funds, provide the fiduciary of
43 resident's estate, at the fiduciary's request, a complete account of all the resident's personal funds
44 and possessions and deliver to the fiduciary all possessions of the resident and the balance of the
45 resident's funds. If, after one year from the date of death, no fiduciary makes claim upon such
46 funds or possessions, the operator shall notify the department that the funds remain unclaimed.
47 Such unclaimed funds or possessions shall be disposed of as follows:

48 (a) If the unclaimed funds or possessions have a value totaling one hundred and fifty
49 dollars or less, the funds or the proceeds of the sale of the possessions may be deposited in a fund
50 to be used for the benefit of all residents of the facility by providing the residents social or
51 educational activities. The facility shall keep an accounting of the acquisitions and expenditure
52 of these funds; or

53 (b) If the unclaimed funds or possessions have a value greater than one hundred and fifty
54 dollars, the funds or possessions shall be immediately presumed to be abandoned property under
55 sections 447.500 to 447.585 and the procedures provided for in those sections shall apply
56 notwithstanding any other provisions of those sections which require a period greater than two
57 years for a presumption of abandonment;

58 (9) Upon ceasing to be the operator of a facility, all funds and property held in trust
59 pursuant to this section shall be transferred to the new operator in accordance with sound
60 accounting principles, and a closeout report signed by both the outgoing operator and the
61 successor operator shall be prepared. The closeout report shall include a list of current balances
62 of all funds held for residents respectively and an inventory of all property held for residents
63 respectively. If the outgoing operator refuses to sign the closeout report, [he] **such operator**
64 shall state in writing the specific reasons for his **or her** failure to so sign, and the successor
65 operator shall complete the report and attach an affidavit stating that the information contained

66 therein is true to the best of his **or her** knowledge and belief. Such report shall be retained with
67 all other records and accounts required to be maintained under this section;

68 (10) Not be required to invest any funds received from or on behalf of a resident, nor to
69 increase the principal of any such funds.

70 2. Any owner, operator, manager, employee, or affiliate of an owner or operator who
71 receives any personal property or anything else of value from a resident, shall, if the thing
72 received has a value of ten dollars or more, make a written statement giving the date it was
73 received, from whom it was received, and its estimated value. Statements required to be made
74 pursuant to this subsection shall be retained by the operator and shall be made available for
75 inspection by the department, or by the department of mental health when the resident has been
76 placed by that department, and by the resident, and [his] **such resident's** designee or legal
77 guardian. Any person who fails to make a statement required by this subsection is guilty of a
78 class C misdemeanor.

79 3. No owner, operator, manager, employee, or affiliate of an owner or operator shall in
80 one calendar year receive any personal property or anything else of value from the residents of
81 any facility which have a total estimated value in excess of one hundred dollars.

82 4. Subsections 2 and 3 of this section shall not apply if the property or other thing of
83 value is held in trust in accordance with subsection 1 of this section, is received in payment for
84 services rendered or pursuant to the terms of a lawful contract, or is received from a resident who
85 is related to the recipient within the fourth degree of consanguinity or affinity.

86 5. Any operator who fails to maintain records or who fails to maintain any resident's
87 personal funds in an account separate from the facility's funds as required by this section shall
88 be guilty of a class C misdemeanor.

89 6. Any operator, or any affiliate or employee of an operator, who puts to his **or her** own
90 use or the use of the facility or otherwise diverts from the resident's use any personal funds of
91 the resident shall be guilty of a class A misdemeanor.

92 7. Any person having reasonable cause to believe that a misappropriation of a resident's
93 funds or property has occurred may report such information to the department.

94 8. For each report the division shall attempt to obtain the name and address of the
95 facility, the name of the facility employee, the name of the resident, information regarding the
96 nature of the misappropriation, the name of the complainant, and any other information which
97 might be helpful in an investigation.

98 9. Upon receipt of a report, the department shall initiate an investigation.

99 10. If the investigation indicates probable misappropriation of property or funds of a
100 resident, the investigator shall refer the complaint together with his **or her** report to the
101 department director or [his] **the director's** designee for appropriate action.

102 11. Reports shall be confidential, as provided under section [660.320] **192.1112**.

103 12. Anyone, except any person participating in or benefitting from the misappropriation
104 of funds, who makes a report pursuant to this section or who testifies in any administrative or
105 judicial proceeding arising from the report shall be immune from any civil or criminal liability
106 for making such a report or for testifying except for liability for perjury, unless such person acted
107 negligently, recklessly, in bad faith, or with malicious purpose.

108 13. Within five working days after a report required to be made under this section is
109 received, the person making the report shall be notified in writing of its receipt and of the
110 initiation of the investigation.

111 14. No person who directs or exercises any authority in a facility shall evict, harass,
112 dismiss or retaliate against a resident or employee because he **or she** or any member of his **or**
113 **her** family has made a report of any violation or suspected violation of laws, ordinances or
114 regulations applying to the facility which he **or she** has reasonable cause to believe has been
115 committed or has occurred.

116 15. The department shall maintain the employee disqualification list and place on the
117 employee disqualification list the names of any persons who have been finally determined by the
118 department, pursuant to section [660.315] **192.1108**, to have misappropriated any property or
119 funds of a resident while employed in any facility.

198.189. The department of social services, **MO HealthNet** division [of medical
2 services] , and the department of health and senior services, division of senior and disability
3 services shall work together to implement a new Medicaid payment system for assisted living
4 facilities defined in section 198.006. The departments shall look at possible options including
5 but not limited to federal Medicaid waivers, state plan amendments, and provisions of the federal
6 Deficit Reduction Act of 2005 that will allow a tiered rate system via a bundled monthly rate for
7 all services not included in the room and board function of the facility, including but not limited
8 to: adult day care/socialization activities, escort services, essential shopping, health maintenance
9 activities, housekeeping activities, meal preparation, laundry services, medication assistance
10 (set-up and administration), personal care services, assistance with activities of daily living and
11 instrumental activities of daily living, transportation services, nursing supervision, health
12 promotion and exercise programming, emergency call systems, incontinence supplies, and
13 companion services. The amount of the personal funds allowance for the Medicaid recipient
14 residing in an assisted living facility shall include enough money for over-the-counter
15 medications and co-payments for Medicaid and Medicare Part D services. The departments shall
16 work with assisted living facility provider groups in developing this new payment system. The
17 department of social services shall submit all necessary applications for implementing this new

18 system singularly or within a multiservice state Medicaid waiver application to the secretary of
19 the federal Department of Health and Human Services by July 1, 2007.

2 198.421. 1. A nursing facility reimbursement allowance period as provided in sections

20 or revocation of a license granted under this chapter. The director of the department of [social]
21 **health and senior** services may deny, suspend or revoke the license of any nursing facility which
22 fails to pay a delinquent reimbursement allowance unless under appeal as allowed in section

11 not substantially exceed the cost and expense of administering the provisions of this section. An
12 action may be brought by the department to temporarily or permanently enjoin or restrain any
13 violation of this subsection or the regulations applicable thereto. Any action brought under the
14 provisions of this subsection shall be heard by the court within no more than twenty days after

19 month of earned income in making such determination as shall be required for federal
20 participation by the provisions of the federal Social Security Act (42 U.S.C.A. 301 et seq.), or
21 any amendments thereto. When federal law or regulations require the exemption of other income

28 there shall be included (but subject to the exclusions pursuant to subdivisions (4) and (5) of this
29 subsection, and subsection 5 of this section) any resource or interest therein owned by such
30 individual or spouse within the twenty-four months preceding the initial investigation, or at any
31 time during which benefits are being drawn, if such individual or spouse gave away or sold such
32 resource or interest within such period of time at less than fair market value of such resource or
33 interest for the purpose of establishing eligibility for benefits, including but not limited to
34 benefits based on December, 1973, eligibility requirements, as follows:

35 (a) Any transaction described in this subdivision shall be presumed to have been for the
36 purpose of establishing eligibility for benefits or assistance pursuant to this chapter unless such
37 individual furnishes convincing evidence to establish that the transaction was exclusively for
38 some other purpose;

39 (b) The resource shall be considered in determining eligibility from the date of the
40 transfer for the number of months the uncompensated value of the disposed of resource is
41 divisible by the average monthly grant paid or average Medicaid payment in the state at the time

42 of the investigation to an individual or on his or her behalf under the program for which benefits
43 are claimed, provided that:

44 a. When the uncompensated value is twelve thousand dollars or less, the resource shall
45 not be used in determining eligibility for more than twenty-four months; or

46 b. When the uncompensated value exceeds twelve thousand dollars, the resource shall
47 not be used in determining eligibility for more than sixty months;

48 (2) The provisions of subdivision (1) of this subsection shall not apply to a transfer, other
49 than a transfer to claimant's spouse, made prior to March 26, 1981, when the claimant furnishes

13 division [of family services].

208.070. 1. The department shall permit any individual who wants to apply for
2 assistance pursuant to the temporary assistance or any other public assistance program
3 administered or supervised by the department to so apply. Such public assistance shall be
4 furnished with reasonable promptness in accordance with statute and rules of the department.

5 2. A request for assistance may be made at a county office of the **family support**
6 division [of family services] in person, by telephone or by mail.

7 3. Whenever the division receives a request for assistance an investigation and record
8 shall be promptly made of the circumstances of the applicant by the division in order to ascertain
9 the facts supporting the application. Upon the completion of such investigation the director of

10 the **family support** division [of family services], or someone designated by the director, shall
11 decide whether the applicant is eligible for benefits and if entitled to benefits determine the
12 amount thereof and the date on which such benefits shall begin. The division shall notify the
13 applicant of the decision.

14 4. During the investigation of any application or recertification of assistance, the division
15 shall:

16 (1) At the time of each application, provide each applicant household with a clear written
17 statement explaining what acts the member of the household shall perform to cooperate in
18 verifying and otherwise completing the application process;

19 (2) Assist each applicant household in obtaining appropriate verification and completing
20 the application process;

21 (3) Not require any household to submit additional proof of a matter on which the
22 division already has current verification, unless the division has reason to believe that such
23 information is inaccurate, incomplete or insufficient; and

24 (4) Not deny any application for assistance solely because of the failure of a person
25 outside the household to cooperate in providing information.

26 5. The division shall complete the investigation within the time allowed by federal law
27 or state statute. If no time limit is otherwise specified by federal law or state statute, benefits
28 shall be provided not later than forty-five days following the filing of an application.

29 6. The division shall explain to the applicant the nature of all categories of public
30 assistance, benefits and services for which the applicant household may be eligible and may be
31 given, and the consequences of accepting temporary assistance benefits, including, but not
32 limited to, lifetime limits and work requirements. If the applicant chooses not to receive
33 temporary assistance benefits, the division shall evaluate the applicant's eligibility for medical
34 assistance, food stamps and any other public assistance benefits which the applicant or the
35 applicant's dependents may be eligible.

208.072. 1. A completed application for medical assistance for services described in
2 section 208.152 shall be approved or denied within thirty days from submission to the **family**
3 **support** division [of family services] or its successor.

4 2. The **MO HealthNet** division [of medical services] shall remit to a licensed nursing
5 home operator the Medicaid payment for a newly admitted Medicaid resident in a licensed
6 long-term care facility within forty-five days of the resident's date of admission.

208.075. 1. When an application is made for aid to dependent children or aid to the
2 permanently and totally disabled benefits because of the physical or mental condition of a person
3 the **family support** division [of family services] shall require the person to be examined by
4 competent medical or other appropriate authority designated by the **family support** division [of

5 family services]. If benefits are paid because of the physical or mental condition of a person the
6 **family support** division [of family services] may, as often as it deems necessary, require such
7 person to be reexamined by competent medical or other appropriate authority designated by the
8 **family support** division [of family services]. Written reports of examinations and
9 reexaminations shall be required and evaluated by the **family support** division [of family
10 services] in determining eligibility to receive benefits or to continue to receive benefits.

11 2. In any appeal hearing as provided for by section 208.080 and the question at issue
12 involves the physical or mental incapacity of a person, regardless of whether assistance has been
13 denied or a recipient has been removed from the assistance rolls, the written reports of the
14 examination or reexamination made by competent medical or other appropriate authority
15 designated by the **family support** division [of family services], and any written medical reports
16 by other physicians or clinics submitted by claimant, are hereby declared to be competent
17 evidence and admissible as such at the appeal hearing to be considered by the director with any
18 other evidence submitted. Any written medical report purporting to be executed and signed by
19 the medical or other appropriate authority, its agents, or employees shall be prima facie evidence
20 of it being properly executed and signed without further proof of identification.

208.080. 1. Any applicant for or recipient of benefits or services provided by law by the
2 [division of family services] **family support division, children's division, or MO HealthNet**
3 **division** may appeal to the director of the **respective** division [of family services] **or, if**
4 **appropriate, the Missouri Medicaid audit and compliance unit** from a decision [of a county
5 office of the division of family services] in any of the following cases:

- 6 (1) If his **or her** right to make application for any such benefits or services is denied; or
- 7 (2) If his **or her** application is disallowed in whole or in part, or is not acted upon within
8 a reasonable time after it is filed; or
- 9 (3) If it is proposed to cancel or modify benefits or services; or
- 10 (4) If he **or she** is adversely affected by any determination of a county office of the
11 [division of family services] **family support division, children's division, Missouri Medicaid**
12 **audit and compliance unit, or MO HealthNet division** in [its] the administration of the
13 programs administered by [it] **such divisions or units**; or
- 14 (5) If a determination is made pursuant to subsection 2 of section 208.180 that payment
15 of benefits on behalf of a dependent child shall not be made to the relative with whom he **or she**
16 lives.

17 2. If [the] **a division or unit** proposes to terminate or modify the payment of benefits or
18 the providing of services to the recipient or [the] **a division or unit** has terminated or modified
19 the payment of benefits or providing of services to the recipient and the recipient appeals, the
20 decision of the director as to the eligibility of the recipient at the time such action was proposed

21 or taken shall be based on the facts shown by the evidence presented at the hearing of the appeal
22 to have existed at the time such action to terminate or modify was proposed or was taken.

23 3. In the case of a proposed action by the [county office of the division of family
24 services] **family support division, children's division, Missouri Medicaid audit and**
25 **compliance unit, or MO HealthNet division** to reduce, modify, or discontinue benefits or
26 services to a recipient, the recipient of such benefits or services shall have ten days from the date
27 of the mailing of notice of the proposed action to reduce, modify, or discontinue benefits or
28 services within which to request an appeal to the director of the division [of family services].
29 In the notice to the recipient of such proposed action, the [county office of the division of family
30 services] **appropriate division or unit** shall notify the recipient of all his **or her** rights of appeal
31 under this section. Proper blank forms for appeal to the director of the division [of family
32 services] **or unit** shall be furnished by the [county] **the appropriate division or unit** office to
33 any aggrieved recipient. Every such appeal to the director of the division [of family services]
34 shall be transmitted by the [county office to the director of the division of family services]
35 **appropriate division or unit office** immediately upon the same being filed with the [county]
36 **appropriate division or unit** office. If an appeal is requested, benefits or services shall continue
37 undiminished or unchanged until such appeal is heard and a decision has been rendered thereon,
38 except that in an aid to families with dependent children case the recipient may request that
39 benefits or services not be continued undiminished or unchanged during the appeal.

40 4. When a case has been closed or modified and no appeal was requested prior to closing
41 or modification, the recipient shall have ninety days from the date of closing or modification to
42 request an appeal to the director of the division [of family services] **or unit**. Each recipient who
43 has not requested an appeal prior to the closing or modification of his **or her** case shall be
44 notified at the time of such closing or modification of his **or her** right to request an appeal during
45 this ninety-day period. Proper blank forms for requesting an appeal to the director of the division
46 [of family services] shall be furnished by the [county] **appropriate division or unit** office to any
47 aggrieved applicant. Every such request made in any manner for an appeal to the director of the
48 division [of family services] **or unit** shall be transmitted by the [county] **appropriate division**
49 **or unit** office to the director of the division [of family services] **or unit** immediately upon the
50 same being filed with the [county] **appropriate division or unit** office. If an appeal is requested
51 in the ninety-day period subsequent to the closing or modification, benefits or services shall not
52 be continued at their prior level during the pendency of the appeal.

53 5. In the case of a rejection of an application for benefits or services, the aggrieved
54 applicant shall have ninety days from the date of the notice of the action in which to request an
55 appeal to the director of the division [of family services]. In the rejection notice the applicant
56 for benefits or services shall be notified of all of his **or her** rights of appeal under this section.

57 Proper blank forms for requesting an appeal to the director of the division [of family services]
58 shall be furnished by the [county office] **appropriate division** to any aggrieved applicant. Any
59 such request made in any manner for an appeal shall be transmitted by the [county office]
60 **appropriate division** to the director of the division [of family services], immediately upon the
61 same being filed with the [county office] **appropriate division**.

62 6. If the division has rejected an application for benefits or services and the applicant
63 appeals, the decision of the director as to the eligibility of the applicant at the time such rejection
64 was made shall be based upon the facts shown by the evidence presented at the hearing of the
65 appeal to have existed at the time the rejection was made.

66 7. The director of the division [of family services] **or unit** shall give the applicant for
67 benefits or services or the recipient of benefits or services reasonable notice of, and an
68 opportunity for, a fair hearing in the county of his **or her** residence at the time the adverse action
69 was taken. The hearing shall be conducted by the director of the division [of family services or
70 his] **or unit, or such director's** designee. Every applicant or recipient, on appeal to the director
71 of the division [of family services] **or unit**, shall be entitled to be present at the hearing, in
72 person and by attorney or representative, and shall be entitled to introduce into the record of such
73 hearing any and all evidence, by witnesses or otherwise, pertinent to such applicant's or
74 recipient's eligibility between the time he **or her** applied for benefits or services and the time the
75 application was denied or the benefits or services were terminated or modified, and all such
76 evidence shall be taken down, preserved, and shall become a part of the applicant's or recipient's
77 appeal record. Upon the record so made, the director of the division [of family services] **or unit**
78 shall determine all questions presented by the appeal, and shall make such decision as to the
79 granting of benefits or services as in his **or her** opinion is justified and is in conformity with the
80 provisions of the law. The director shall clearly state the reasons for his **or her** decision and
81 shall include a statement of findings of fact and conclusions of law pertinent to the questions in
82 issue.

83 8. All appeal requests may initially be made orally or in any written form, but all such
84 requests shall be transcribed on forms furnished by the division [of family services] **or unit** and
85 signed by the aggrieved applicant or recipient or his **or her** representative prior to the
86 commencement of the hearing.

208.100. 1. Any claimant aggrieved by the decision of the director of the [division of
2 family services] **family support division, children's division, Missouri Medicaid audit and**
3 **compliance unit, or MO HealthNet division** made under section 208.080 may appeal to the
4 circuit court of the county in which such claimant resides within ninety days from the date of the
5 action and decision appealed from.

6 2. The **appropriate** division **or unit** shall furnish the claimant, upon request, with proper
7 form of affidavit for appeal from the director of the **appropriate** division [of family services]
8 **or unit** to the circuit court.

9 3. Upon the affidavit for appeal, duly executed by the claimant before an officer
10 authorized to administer oaths, being filed with the **appropriate** division **or unit** within ninety
11 days from the date of the decision of the director of the **appropriate** division [of family services]
12 **or unit** the entire record preserved in the case at the time of the claimant's hearing, together with
13 the hearing decision and the affidavit for appeal, shall be certified by the director of the
14 **appropriate** division [of family services] **or unit** to the circuit court and the case shall be
15 docketed as other civil cases except that neither party shall be required to give bond or deposit
16 any money for docket fee on appeal to the circuit court.

17 4. Such appeal shall be tried in the circuit court upon the record of the proceedings had
18 before and certified by the director of the **appropriate** division [of family services] **or unit**,
19 which shall in such case be certified and included in the return of said director to the court.

20 5. Upon the record so certified by the director of the **appropriate** division [of family
21 services] **or unit**, the circuit court shall review the action and decision of the director in
22 accordance with the provisions of section 536.140; and the court shall render judgment
23 affirming, reversing, or modifying the director's decision, and may order the reconsideration of
24 the case in the light of the court's opinion and judgment, and may order the director to take such
25 further action as it may be proper to require.

208.120. 1. For the protection of applicants and recipients, all officers and employees
2 of the state of Missouri are prohibited, except as hereinafter provided, from disclosing any
3 information obtained by them in the discharge of their official duties relative to the identity of
4 applicants for or recipients of benefits or the contents of any records, files, papers, and
5 communications, except in proceedings or investigations where the eligibility of an applicant to
6 receive benefits, or the amount received or to be received by any recipient, is called into
7 question, or for the purposes directly connected with the administration of public assistance. In
8 any judicial proceedings, except such proceedings as are directly concerned with the
9 administration of these programs, such information obtained in the discharge of official duties
10 relative to the identity of applicants for or recipients of benefits, and records, files, papers,
11 communications and their contents shall be confidential and not admissible in evidence.

12 2. The **family support** division [of family services] shall in each county welfare office
13 maintain monthly a report showing the name and address of all recipients certified by such
14 county welfare office to receive public assistance benefits, together with the amount paid to each
15 recipient during the preceding month, and each such report and information contained therein
16 shall be open to public inspection at all times during the regular office hours of the county

17 welfare office; provided, however, that all information regarding applicants or recipients other
18 than names, addresses and amounts of grants shall be considered as confidential.

19 3. It shall be unlawful for any person, association, firm, corporation or other agency to
20 solicit, disclose, receive, make use of or authorize, knowingly permit, participate in or acquiesce
21 in the use of any name or lists of names for commercial or political purposes of any nature; or
22 for any name or list of names of recipients secured from such report in the county welfare office
23 to be published in any manner. Anyone willfully or knowingly violating any provisions of this
24 section shall be guilty of a misdemeanor. If the violation is by other than an individual, the
25 penalty may be adjudged against any officer, agent, employee, servant or other person of the
26 association, firm, corporation or other agency who committed or participated in such violation
27 and is found guilty thereof.

208.125. The director of the **family support** division [of family services] is authorized
2 to destroy all applications and records compiled by the **family support** division [of family
3 services] in connection with the investigation and payment of public assistance or blind pensions
4 after five years have elapsed since the closing of a case or the rejection of an application.

208.130. All benefits granted may be reconsidered by the director of [family services]
2 **the department of social services or the appropriate division or unit** as frequently as he **or**
3 **she** may deem necessary. After such further investigation the amount of a benefit may be
4 changed or entirely withdrawn.

208.145. For the purposes of the application of section 208.151, individuals shall be
2 deemed to be recipients of aid to families with dependent children and individuals shall be
3 deemed eligible for such assistance if:

4 (1) The individual meets eligibility requirements which are no more restrictive than the
5 July 16, 1996, eligibility requirements for aid to families with dependent children, as established
6 by the **family support** division [of family services]; or

7 (2) Each dependent child, and each relative with whom such a child is living including
8 the spouse of such relative as described in 42 U.S.C. 606(b), as in effect on July 16, 1996, who
9 ceases to meet the eligibility criteria set forth in subdivision (1) of this section as a result of the
10 collection or increased collection of child or spousal support under part IV-D of the Social
11 Security Act, 42 U.S.C. 651 et seq., and who has received such aid in at least three of the six
12 months immediately preceding the month in which ineligibility begins, shall be deemed eligible
13 for an additional four calendar months beginning with the month in which such ineligibility
14 begins.

208.150. The maximum amount of monthly public assistance money payment benefits
2 payable to or on behalf of a needy person shall not exceed the following:

3 (1) Aid to families with a dependent child, or children, and needy eligible relatives
4 caring for a dependent child, or children, in an amount to be computed as follows:

5 (a) Beginning July 1, 1993, and at least every three years thereafter, the **family support**
6 division [of family services] shall determine by regulation the average need for each such eligible
7 person, which shall include the cost of basic needs required to maintain a child or children in the
8 home at a reasonable and decent low-income standard of living, and shall pay, on a uniform
9 basis, the highest percent of such need as shall be possible within the limits of funds appropriated
10 for that purpose, less available income;

11 (b) "Available income" means the total income, before taxes or other deductions, of each
12 person residing within the same household, except, to the extent allowed by federal law, the
13 earnings of a student under nineteen years of age enrolled in a secondary school or at the
14 equivalent level of vocational or technical training, plus or minus such credits or deductions as
15 may be prescribed by the **family support** division [of family services] by regulations for the sole
16 purpose of complying with federal laws or regulations relating to this state's eligibility to receive
17 federal funds for aid to families with dependent children payments, and such credits or
18 deductions as may otherwise be prescribed by law;

19 (c) The available income shall be subtracted from the total amount which otherwise
20 would be paid;

21 (d) If the determined need under this subdivision is of an amount less than ten dollars,
22 no cash payment will be made;

23 (2) Aid or public relief to an unemployable person not to exceed one hundred dollars.

208.152. 1. MO HealthNet payments shall be made on behalf of those eligible needy
2 persons as defined in section 208.151 who are unable to provide for it in whole or in part, with
3 any payments to be made on the basis of the reasonable cost of the care or reasonable charge for
4 the services as defined and determined by the MO HealthNet division, unless otherwise
5 hereinafter provided, for the following:

6 (1) Inpatient hospital services, except to persons in an institution for mental diseases who
7 are under the age of sixty-five years and over the age of twenty-one years; provided that the MO
8 HealthNet division shall provide through rule and regulation an exception process for coverage
9 of inpatient costs in those cases requiring treatment beyond the seventy-fifth percentile
10 professional activities study (PAS) or the MO HealthNet children's diagnosis length-of-stay
11 schedule; and provided further that the MO HealthNet division shall take into account through
12 its payment system for hospital services the situation of hospitals which serve a disproportionate
13 number of low-income patients;

14 (2) All outpatient hospital services, payments therefor to be in amounts which represent
15 no more than eighty percent of the lesser of reasonable costs or customary charges for such

16 services, determined in accordance with the principles set forth in Title XVIII A and B, Public
17 Law 89-97, 1965 amendments to the federal Social Security Act (42 U.S.C. 301, et seq.), but the
18 MO HealthNet division may evaluate outpatient hospital services rendered under this section and
19 deny payment for services which are determined by the MO HealthNet division not to be
20 medically necessary, in accordance with federal law and regulations;

21 (3) Laboratory and X-ray services;

22 (4) Nursing home services for participants, except to persons with more than five
23 hundred thousand dollars equity in their home or except for persons in an institution for mental
24 diseases who are under the age of sixty-five years, when residing in a hospital licensed by the
25 department of health and senior services or a nursing home licensed by the department of health
26 and senior services or appropriate licensing authority of other states or government-owned and
27 -operated institutions which are determined to conform to standards equivalent to licensing
28 requirements in Title XIX of the federal Social Security Act (42 U.S.C. 301, et seq.), as
29 amended, for nursing facilities. The MO HealthNet division may recognize through its payment
30 methodology for nursing facilities those nursing facilities which serve a high volume of MO
31 HealthNet patients. The MO HealthNet division when determining the amount of the benefit
32 payments to be made on behalf of persons under the age of twenty-one in a nursing facility may
33 consider nursing facilities furnishing care to persons under the age of twenty-one as a
34 classification separate from other nursing facilities;

35 (5) Nursing home costs for participants receiving benefit payments under subdivision
36 (4) of this subsection for those days, which shall not exceed twelve per any period of six
37 consecutive months, during which the participant is on a temporary leave of absence from the
38 hospital or nursing home, provided that no such participant shall be allowed a temporary leave
39 of absence unless it is specifically provided for in his plan of care. As used in this subdivision,
40 the term "temporary leave of absence" shall include all periods of time during which a participant
41 is away from the hospital or nursing home overnight because he is visiting a friend or relative;

42 (6) Physicians' services, whether furnished in the office, home, hospital, nursing home,
43 or elsewhere;

44 (7) Drugs and medicines when prescribed by a licensed physician, dentist, or podiatrist;
45 except that no payment for drugs and medicines prescribed on and after January 1, 2006, by a
46 licensed physician, dentist, or podiatrist may be made on behalf of any person who qualifies for
47 prescription drug coverage under the provisions of P.L. 108-173;

48 (8) Emergency ambulance services and, effective January 1, 1990, medically necessary
49 transportation to scheduled, physician-prescribed nonelective treatments;

50 (9) Early and periodic screening and diagnosis of individuals who are under the age of
51 twenty-one to ascertain their physical or mental defects, and health care, treatment, and other

52 measures to correct or ameliorate defects and chronic conditions discovered thereby. Such
53 services shall be provided in accordance with the provisions of Section 6403 of P.L. 101-239 and
54 federal regulations promulgated thereunder;

55 (10) Home health care services;

56 (11) Family planning as defined by federal rules and regulations; provided, however, that
57 such family planning services shall not include abortions unless such abortions are certified in
58 writing by a physician to the MO HealthNet agency that, in [his] **the physician's** professional
59 judgment, the life of the mother would be endangered if the fetus were carried to term;

60 (12) Inpatient psychiatric hospital services for individuals under age twenty-one as
61 defined in Title XIX of the federal Social Security Act (42 U.S.C. 1396d, et seq.);

62 (13) Outpatient surgical procedures, including presurgical diagnostic services performed
63 in ambulatory surgical facilities which are licensed by the department of health and senior
64 services of the state of Missouri; except, that such outpatient surgical services shall not include
65 persons who are eligible for coverage under Part B of Title XVIII, Public Law 89-97, 1965
66 amendments to the federal Social Security Act, as amended, if exclusion of such persons is
67 permitted under Title XIX, Public Law 89-97, 1965 amendments to the federal Social Security
68 Act, as amended;

69 (14) Personal care services which are medically oriented tasks having to do with a
70 person's physical requirements, as opposed to housekeeping requirements, which enable a person
71 to be treated by his **or her** physician on an outpatient rather than on an inpatient or residential
72 basis in a hospital, intermediate care facility, or skilled nursing facility. Personal care services
73 shall be rendered by an individual not a member of the participant's family who is qualified to
74 provide such services where the services are prescribed by a physician in accordance with a plan
75 of treatment and are supervised by a licensed nurse. Persons eligible to receive personal care
76 services shall be those persons who would otherwise require placement in a hospital,
77 intermediate care facility, or skilled nursing facility. Benefits payable for personal care services
78 shall not exceed for any one participant one hundred percent of the average statewide charge for
79 care and treatment in an intermediate care facility for a comparable period of time. Such
80 services, when delivered in a residential care facility or assisted living facility licensed under
81 chapter 198 shall be authorized on a tier level based on the services the resident requires and the
82 frequency of the services. A resident of such facility who qualifies for assistance under section
83 208.030 shall, at a minimum, if prescribed by a physician, qualify for the tier level with the
84 fewest services. The rate paid to providers for each tier of service shall be set subject to
85 appropriations. Subject to appropriations, each resident of such facility who qualifies for
86 assistance under section 208.030 and meets the level of care required in this section shall, at a
87 minimum, if prescribed by a physician, be authorized up to one hour of personal care services

88 per day. Authorized units of personal care services shall not be reduced or tier level lowered
89 unless an order approving such reduction or lowering is obtained from the resident's personal
90 physician. Such authorized units of personal care services or tier level shall be transferred with
91 such resident if her or she transfers to another such facility. Such provision shall terminate upon
92 receipt of relevant waivers from the federal Department of Health and Human Services. If the
93 Centers for Medicare and Medicaid Services determines that such provision does not comply
94 with the state plan, this provision shall be null and void. The MO HealthNet division shall notify
95 the revisor of statutes as to whether the relevant waivers are approved or a determination of
96 noncompliance is made;

97 (15) Mental health services. The state plan for providing medical assistance under Title
98 XIX of the Social Security Act, 42 U.S.C. 301, as amended, shall include the following mental
99 health services when such services are provided by community mental health facilities operated
100 by the department of mental health or designated by the department of mental health as a
101 community mental health facility or as an alcohol and drug abuse facility or as a child-serving
102 agency within the comprehensive children's mental health service system established in section
103 630.097. The department of mental health shall establish by administrative rule the definition
104 and criteria for designation as a community mental health facility and for designation as an
105 alcohol and drug abuse facility. Such mental health services shall include:

106 (a) Outpatient mental health services including preventive, diagnostic, therapeutic,
107 rehabilitative, and palliative interventions rendered to individuals in an individual or group
108 setting by a mental health professional in accordance with a plan of treatment appropriately
109 established, implemented, monitored, and revised under the auspices of a therapeutic team as a
110 part of client services management;

111 (b) Clinic mental health services including preventive, diagnostic, therapeutic,
112 rehabilitative, and palliative interventions rendered to individuals in an individual or group
113 setting by a mental health professional in accordance with a plan of treatment appropriately
114 established, implemented, monitored, and revised under the auspices of a therapeutic team as a
115 part of client services management;

116 (c) Rehabilitative mental health and alcohol and drug abuse services including home and
117 community-based preventive, diagnostic, therapeutic, rehabilitative, and palliative interventions
118 rendered to individuals in an individual or group setting by a mental health or alcohol and drug
119 abuse professional in accordance with a plan of treatment appropriately established,
120 implemented, monitored, and revised under the auspices of a therapeutic team as a part of client
121 services management. As used in this section, mental health professional and alcohol and drug
122 abuse professional shall be defined by the department of mental health pursuant to duly
123 promulgated rules. With respect to services established by this subdivision, the department of

124 social services, MO HealthNet division, shall enter into an agreement with the department of
125 mental health. Matching funds for outpatient mental health services, clinic mental health
126 services, and rehabilitation services for mental health and alcohol and drug abuse shall be
127 certified by the department of mental health to the MO HealthNet division. The agreement shall
128 establish a mechanism for the joint implementation of the provisions of this subdivision. In

149 three days per hospital stay;

150 (c) For each day that nursing home costs are paid on behalf of a participant under this
151 subdivision during any period of six consecutive months such participant shall, during the same
152 period of six consecutive months, be ineligible for payment of nursing home costs of two
153 otherwise available temporary leave of absence days provided under subdivision (5) of this
154 subsection; and

155 (d) The provisions of this subdivision shall not apply unless the nursing home receives
156 notice from the participant or the participant's responsible party that the participant intends to
157 return to the nursing home following the hospital stay. If the nursing home receives such
158 notification and all other provisions of this subsection have been satisfied, the nursing home shall

159 provide notice to the participant or the participant's responsible party prior to release of the
160 reserved bed;

172 HealthNet division to the hospice provider for room and board furnished by a nursing home to
173 an eligible hospice patient shall not be less than ninety-five percent of the rate of reimbursement
174 which would have been paid for facility services in that nursing home facility for that patient,

The MO HealthNet division shall, by July 1, 2008, provide to the general assembly a four-year plan to achieve parity with Medicare reimbursement rates and for third-party payer average dental reimbursement rates. Such plan shall be subject to appropriation and the division shall include in its annual budget request to the governor the necessary funding needed to complete the four-year plan developed under this subdivision.

2. Additional benefit payments for medical assistance shall be made on behalf of those eligible needy children, pregnant women and blind persons with any payments to be made on the basis of the reasonable cost of the care or reasonable charge for the services as defined and determined by the **MO HealthNet** division [of medical services], unless otherwise hereinafter provided, for the following:

(2) Services of podiatrists as defined in section 330.010;

(3) Optometric services as defined in section 336.010;

(4) Orthopedic devices or other prosthetics, including eye glasses, dentures, hearing aids, and wheelchairs;

(5) Hospice care. As used in this subsection, the term "hospice care" means a coordinated program of active professional medical attention within a home, outpatient and inpatient care which treats the terminally ill patient and family as a unit, employing a medically directed interdisciplinary team. The program provides relief of severe pain or other physical symptoms and supportive care to meet the special needs arising out of physical, psychological, spiritual, social, and economic stresses which are experienced during the final stages of illness, and during dying and bereavement and meets the Medicare requirements for participation as a hospice as are provided in 42 CFR Part 418. The rate of reimbursement paid by the MO HealthNet division to the hospice provider for room and board furnished by a nursing home to an eligible hospice patient shall not be less than ninety-five percent of the rate of reimbursement which would have been paid for facility services in that nursing home facility for that patient, in accordance with subsection (c) of Section 6408 of P.L. 101-239 (Omnibus Budget Reconciliation Act of 1989);

(6) Comprehensive day rehabilitation services beginning early posttrauma as part of a coordinated system of care for individuals with disabling impairments. Rehabilitation services must be based on an individualized, goal-oriented, comprehensive and coordinated treatment plan developed, implemented, and monitored through an interdisciplinary assessment designed

to restore an individual to optimal level of physical, cognitive, and behavioral function. The MO HealthNet division shall establish by administrative rule the definition and criteria for designation of a comprehensive day rehabilitation service facility, benefit limitations and payment mechanism. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this subdivision shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2005, shall be invalid and void.

3. The MO HealthNet division may require any participant receiving MO HealthNet benefits to pay part of the charge or cost until July 1, 2008, and an additional payment after July 1, 2008, as defined by rule duly promulgated by the MO HealthNet division, for all covered services except for those services covered under subdivisions (14) and (15) of subsection 1 of this section and sections 208.631 to 208.657 to the extent and in the manner authorized by Title XIX of the federal Social Security Act (42 U.S.C. 1396, et seq.) and regulations thereunder. When substitution of a generic drug is permitted by the prescriber according to section 338.056, and a generic drug is substituted for a name-brand drug, the MO HealthNet division may not lower or delete the requirement to make a co-payment pursuant to regulations of Title XIX of the federal Social Security Act. A provider of goods or services described under this section must collect from all participants the additional payment that may be required by the MO HealthNet division under authority granted herein, if the division exercises that authority, to remain eligible as a provider. Any payments made by participants under this section shall be in addition to and not in lieu of payments made by the state for goods or services described herein except the participant portion of the pharmacy professional dispensing fee shall be in addition to and not in lieu of payments to pharmacists. A provider may collect the co-payment at the time a service is provided or at a later date. A provider shall not refuse to provide a service if a participant is unable to pay a required payment. If it is the routine business practice of a provider to terminate future services to an individual with an unclaimed debt, the provider may include uncollected co-payments under this practice. Providers who elect not to undertake the provision of services based on a history of bad debt shall give participants advance notice and a reasonable opportunity for payment. A provider, representative, employee, independent contractor, or agent of a pharmaceutical manufacturer shall not make co-payment for a participant. This subsection shall not apply to other qualified children, pregnant women, or blind persons. If the Centers for Medicare and Medicaid Services does not approve the Missouri MO HealthNet state plan amendment submitted by the department of social services that would allow a provider to deny

future services to an individual with uncollected co-payments, the denial of services shall not be allowed. The department of social services shall inform providers regarding the acceptability of denying services as the result of unpaid co-payments.

4. The MO HealthNet division **or Missouri Medicaid audit and compliance unit** shall have the right to collect medication samples from participants in order to maintain program integrity.

5. Reimbursement for obstetrical and pediatric services under subdivision (6) of subsection 1 of this section shall be timely and sufficient to enlist enough health care providers so that care and services are available under the state plan for MO HealthNet benefits at least to the extent that such care and services are available to the general population in the geographic area, as required under subparagraph (a)(30)(A) of 42 U.S.C. 1396a and federal regulations promulgated thereunder.

6. Beginning July 1, 1990, reimbursement for services rendered in federally funded health centers shall be in accordance with the provisions of subsection 6402(c) and Section 6404 of P.L. 101-239 (Omnibus Budget Reconciliation Act of 1989) and federal regulations promulgated thereunder.

7. Beginning July 1, 1990, the department of social services shall provide notification and referral of children below age five, and pregnant, breast-feeding, or postpartum women who are determined to be eligible for MO HealthNet benefits under section 208.151 to the special supplemental food programs for women, infants and children administered by the department of health and senior services. Such notification and referral shall conform to the requirements of Section 6406 of P.L. 101-239 and regulations promulgated thereunder.

8. Providers of long-term care services shall be reimbursed for their costs in accordance with the provisions of Section 1902 (a)(13)(A) of the Social Security Act, 42 U.S.C. 1396a, as amended, and regulations promulgated thereunder.

9. Reimbursement rates to long-term care providers with respect to a total change in ownership, at arm's length, for any facility previously licensed and certified for participation in the MO HealthNet program shall not increase payments in excess of the increase that would result from the application of Section 1902 (a)(13)(C) of the Social Security Act, 42 U.S.C. 1396a (a)(13)(C).

10. The [MO HealthNet division,] **Missouri Medicaid audit and compliance unit** may enroll qualified residential care facilities and assisted living facilities, as defined in chapter 198, as MO HealthNet personal care providers.

11. Any income earned by individuals eligible for certified extended employment at a sheltered workshop under chapter 178 shall not be considered as income for purposes of determining eligibility under this section.

208.154. If the funds at the disposal or which may be obtained by the [division of family] **department of social** services for the payment of public assistance money payment benefits or to or on behalf of any person for medical assistance benefits shall at any time become insufficient to pay the full amount thereof, the amount of any type of payment to or on behalf of each of such persons shall be reduced pro rata in proportion to such deficiency in the total amount available or to become available for such purpose.

208.156. 1. The [division of family services] **family support division, MO HealthNet division, and Missouri Medicaid audit and compliance unit** shall provide for granting an opportunity for a fair hearing under section 208.080 to any applicant or recipient whose claim for medical assistance is denied or is not acted upon with reasonable promptness.

2. Any person authorized under section 208.153 to provide services for which benefit payments are authorized under section 208.152 whose claim for reimbursement for such services is denied or is not acted upon with reasonable promptness shall be entitled to a hearing before the administrative hearing commission pursuant to the provisions of chapter 621.

3. Any person authorized under section 208.153 to provide services for which benefit payments are authorized under section 208.152 who is denied participation in any program or programs established under the provisions of chapter 208 shall be entitled to a hearing before the administrative hearing commission pursuant to the provisions of chapter 621.

4. Any person authorized under section 208.153 to provide services for which benefit payments are authorized under section 208.152 who is aggrieved by any rule or regulation promulgated by the department of social services or any division **or unit** therein shall be entitled to a hearing before the administrative hearing commission pursuant to the provisions of chapter 621.

5. Any person authorized under section 208.153 to provide services for which benefit payments are authorized under section 208.152 who is aggrieved by any rule or regulation, contractual agreement, or decision, as provided for in section 208.166, by the department of social services or any division **or unit** therein shall be entitled to a hearing before the administrative hearing commission pursuant to the provisions of chapter 621.

6. No provider of service may file a petition for a hearing before the administrative hearing commission unless the amount for which [he] **the provider** seeks reimbursement exceeds five hundred dollars.

7. One or more providers of service as will fairly insure adequate representation of others having similar claims against the department of social services or any division **or unit** therein may institute the hearing on behalf of all in the class if there is a common question of law or fact affecting the several rights and a common relief is sought.

30 8. Any person authorized under section 208.153 to provide services for which benefit
31 payments are authorized under section 208.152 and who is entitled to a hearing as provided for
32 in the preceding sections shall have thirty days from the date of mailing or delivery of a decision
33 of the department of social services or its designated division **or unit** in which to file his **or her**
34 petition for review with the administrative hearing commission except that claims of less than
35 five hundred dollars may be accumulated until they total that sum and at which time the provider
36 shall have ninety days to file his **or her** petition.

37 9. When a person entitled to a hearing as provided for in this section applies to the
38 administrative hearing commission for a stay order staying the actions of the department of social

40 order until after a full hearing on such application. The application shall be advanced on the
41 docket for immediate hearing and determination. The person applying for such stay order shall
42 not be granted such stay order unless that person shall show that immediate and irreparable
43 injury, loss, or damage will result if such stay order is denied, or that such person has a
44 reasonable likelihood of success upon the merits of his **or her** claim; and provided further that
45 no stay order shall be issued without the person seeking such order posting a bond in such sum
46 as the administrative hearing commission finds sufficient to protect and preserve the interest of
47 the department of social services or its divisions **or units**. In no event may the administrative
48 hearing commission grant such stay order where the claim arises under a program or programs
49 funded by federal funds or by any combination of state and federal funds, unless it is specified
50 in writing by the financial section of the appropriate federal agency that federal financial
51 participation will be continued under the stay order.

52 10. The other provisions of this section notwithstanding, a person receiving or providing
53 benefits shall have the right to bring an action in appealing from the administrative hearing
54 commission in the circuit court of Cole County, Missouri, or the county of his **or her** residence

35 time, no longer than twenty-four months after the family enrolls in the self-sufficiency pact,
36 when the family's primary self-sufficiency pact shall conclude. The self-sufficiency pact is

62 of their spouses. Such plan shall include school participation records. The department of social

75 and other expenses necessary for a family to make the transition to self-sufficiency.

76 12. A recipient may request a review by the director of the **family support** division [of
77 family services], or [his] **the director's** designee, of the family self-sufficiency pact or any of its
78 provisions that the recipient objects to because it is inappropriate. After receiving an informal
79 review, a recipient who is still aggrieved may appeal the results of that review under the
80 procedures in section 208.080.

81 13. The term of the family self-sufficiency pact may only be extended due to
82 circumstances creating barriers to self-sufficiency and the family self-sufficiency pact may be
83 updated and adjusted to identify and address the removal of these barriers to self-sufficiency.

84 14. Where the capacity of services does not meet the demand for the services, limited
85 services may be substituted and the pact completion date extended until the necessary services
86 become available for the participant. The pact shall be modified appropriately if the services are
87 not delivered as a result of waiting lists or other delays.

88 15. The **family support** division [of family services] shall establish a training program

95 in the family self-sufficiency program make full use of the federal earned income tax credit.

96 17. Failure to comply with any of the provisions of a self-sufficiency pact developed
97 pursuant to this section shall result in a recalculation of the AFDC cash grant for the household
98 without considering the needs of the caretaker recipient.

99 18. If a suspension of caretaker benefits is imposed, the recipient shall have the right to
100 a review by the director of the **family support** division [of family services] or [his] **the**
101 **director's** designee.

102 19. After completing the family self-sufficiency program, should a recipient who has
103 previously received thirty-six months of aid to families with dependent children benefits again
104 become eligible for aid to families with dependent children benefits, the cash grant amount shall
105 be calculated without considering the needs of caretaker recipients. The limitations of this
106 subsection shall not apply to any applicant who starts a self-sufficiency pact on or before July
107 1, 1997, or to any applicant who has become disabled or is receiving or has received
108 unemployment benefits since completion of a self-sufficiency program.

109 20. There shall be conducted a comprehensive evaluation of the family self-sufficiency

111 program ("JOBS" or "FUTURES") as authorized by the provisions of sections 208.400 to
112 208.425. The evaluation shall be conducted by a competitively chosen independent and
113 impartial contractor selected by the commissioner of the office of administration. The evaluation
114 shall be based on specific, measurable data relating to those who participate successfully and
115 unsuccessfully in these programs and a control group, factors which contributed to such success
116 or failures, the structure of such programs and other areas. The evaluation shall include
117 recommendations on whether such programs should be continued and suggested improvements
118 in such programs. The first such evaluation shall be completed and reported to the governor and
119 the general assembly by September 1, 1997. Future evaluations shall be completed every three
120 years thereafter. In addition, in 1997, and every three years thereafter, the oversight division of
121 the committee on legislative research shall complete an evaluation on general relief, child care
122 and development block grants and social services block grants.

123 21. The director of the department of social services may promulgate rules and
124 regulations, pursuant to section 660.017, and chapter 536 governing the use of family

125 self-sufficiency pacts in this program and in other programs, including programs for noncustodial
126 parents of children receiving assistance.

127 22. The director of the department of social services shall apply to the United States
128 Secretary of Health and Human Services for all waivers of requirements under federal law
129 necessary to implement the provisions of this section with full federal participation. The
130 provisions of this section shall be implemented, subject to appropriation, as waivers necessary
131 to ensure continued federal participation are received.

208.337. 1. The division may deposit funds into an account on behalf of children whose
2 custodial parent is a participant in the program authorized pursuant to the provisions of sections
3 208.400 to 208.425, and whose noncustodial parent is participating in a state job training and
4 adult educational program approved by the **family support** division [of family services]. If
5 agreed upon by the parties, funds may also be deposited for this purpose when the noncustodial
6 parent terminates participation in the job training or educational program, until the custodial
7 parent completes participation in the program authorized pursuant to the provisions of sections
8 208.400 to 208.425. The amount deposited for each child shall not exceed the portion of current
9 child support paid by the noncustodial parent, to which the state of Missouri is entitled according
10 to applicable state and federal laws. Money so received shall be governed by this section
11 notwithstanding other state laws and regulations to the contrary.

12 2. Any money deposited by the division on behalf of a child, as provided in subsection
13 3 of this section, shall be accounted for in the name of the child. Any money in the account of
14 a child may be expended only for care or services for the child as agreed upon by both parents.
15 The division shall, by rule adopted pursuant to section 454.400 and chapter 536, establish
16 procedures for the establishment of the accounts, use, expenditure, and accounting of the money,
17 and the protection of the money against theft, loss or misappropriation.

18 3. The division shall deposit money appropriated for the purposes of this section with
19 the state treasurer. Any earnings attributable to the money in the account of a child shall be
20 credited to that child's account.

21 4. Each child for whose benefit funds have been received by the division, and the parents
22 of such child, shall be furnished annually by the division of budget and finance of the department
23 of social services with a statement listing all transactions involving the funds which have been
24 deposited on the child's behalf, to include each receipt and disbursement, if any.

25 5. (1) The director of the department of social services shall apply for all waivers of
26 requirements under federal law to implement the provisions of this section.

27 (2) This program shall not be implemented until the waiver has been obtained from the

29 social services.

208.345. The **family support** division [of family services], with the cooperation of the
2 division of vocational rehabilitation, shall establish a protocol where persons who qualify for
3 public assistance, including aid to families with dependent children, general relief and medical
4 assistance, because of a disability may be directed to an appropriate federal agency to apply for
5 other benefits. The **family support** division [of family services] shall also establish a procedure
6 to identify applicants and recipients who may be entitled to supplement or supplant state benefits
7 with other benefits through the Social Security Disability, Railroad Retirement, Supplemental
8 Security Income, Veterans, Qualified Medicare Beneficiary and Specified Low Income Medicare
9 Beneficiary and other programs.

8 employment activities, including supportive services, to assist aid to families with dependent
9 children recipients in becoming self-sufficient shall be no less than the level expended for such
10 purposes in fiscal year 1986.

11 4. The department shall plan and coordinate all the JOBS program with the Missouri Job
12 Training Coordinating Council, educational training and basic skills training and opportunities
13 afforded under the provisions of this act with the department of elementary and secondary
14 education, the department of labor and industrial relations and the department of economic
15 development so as not to duplicate any existing program and services now offered. The existing

17 appropriations shall be utilized in carrying out the provisions of this act.

208.471. 1. The department of social services shall make payments to those hospitals
2 which have a Medicaid provider agreement with the department. Prior to June 30, 2002, the

3 payment shall be in an annual, aggregate statewide amount which is at least the same as that paid
4 in fiscal year 1991-1992 pursuant to rules in effect on August 30, 1991, under the federally
5 approved state plan amendments.

6 2. Beginning July 1, 2002, sections 208.453 to 208.480 shall expire one hundred eighty
7 days after the end of any state fiscal year in which the aggregate federal reimbursement
8 allowance (FRA) assessment on hospitals is more than eighty-five percent of the sum of
9 aggregate direct Medicaid payments, uninsured add-on payments and enhanced graduate medical
10 education payments, unless during such one hundred eighty-day period, such payments or
11 assessments are adjusted prospectively by the director of the department of social services to
12 comply with the eighty-five percent test imposed by this subsection. Enhanced graduate medical
13 education payments shall not be included in the calculation required by this subsection if the
14 general assembly appropriates the state's share of such payments from a source other than the
15 federal reimbursement allowance. For purposes of this section, direct Medicaid payments,
16 uninsured add-on payments and enhanced graduate medical education payments shall:

17 (1) Include direct Medicaid payments, uninsured add-on payments and enhanced

27 reimbursement for outpatient services. Other provisions of law to the contrary notwithstanding,
28 the payment limits imposed by subdivision (2) of subsection 1 of section 208.152 shall not apply
29 to such alternative reimbursement for outpatient services. Such alternative reimbursement may
30 include enhanced payments or grants to hospital-sponsored clinics serving low income uninsured
31 patients.

208.477. For each state fiscal year, if the criteria used to determine eligibility for
2 Medicaid coverage under a Section 1115 waiver are more restrictive than those in place in state
3 fiscal year 2003, the **MO HealthNet** division [of medical services] shall:

4 (1) Reduce the federal reimbursement allowance assessment for that fiscal year. The
5 reduction shall equal the amount of federal reimbursement allowance appropriated to fund the
6 Section 1115 waiver in state fiscal year 2002 multiplied by the percentage decrease in Medicaid
7 waiver enrollment as a result of using the more restrictive waiver eligibility standards; and

8 (2) Increase cost of the uninsured payments for that fiscal year. The increased payments
9 shall offset the higher uninsured costs resulting from the use of more restrictive Medicaid waiver
10 eligibility criteria, as determined by the department of social services.

208.533. 1. There is hereby established a twenty-member "Commission on the Special
2 Health, Psychological and Social Needs of Minority Older Individuals" under the [division of

21 services; elderly consumer advocacy; gerontology or geriatrics; social work and other related
22 services including housing. At least two of the individuals appointed by the governor shall be
23 minority older individuals. The members appointed by the governor shall be residents of

27 except legislative members, shall serve for as long as they hold the position which made them
28 eligible for appointment. Legislative members shall serve during their current term of office but
29 may be reappointed.

30 3. Members of the commission shall not be compensated for their services, but shall be
31 reimbursed for actual and necessary expenses incurred in the performance of their duties. The

2 of aging], in collaboration with other state agencies, shall devise and implement a competent,

4 of this public education program is to identify regularly and inform fully elderly citizens of the
5 existence, eligibility criteria, means of access and location of existing federal and state elderly
6 service programs that would serve to alleviate personal situations that would otherwise lead to
7 hunger and deterioration of health. Such programs would include, but are not limited to, the
8 Qualified Medicare Beneficiary Program, the USDA [Food Stamp] **Supplemental Nutrition**
9 **Assistance** Program, the Medical Assistance Spenddown Program, the availability of local food
10 pantries, the availability of caseworkers to take application in the home for elderly service
11 programs, and any other program that might become available to assist elderly persons in the
12 future.

13 2. This public education program shall devise action steps with preference toward

5 benefit of elderly and other needy populations.

6 2. The [division of aging] **department of health and senior services** shall apply for a

8 volunteer transportation systems in various communities with large numbers of at-risk elderly
9 persons.

10 3. The [division of aging] **department of health and senior services** shall devise
11 models and provide training for senior housing facilities which seek to provide emergency food
12 services to residents and neighbors.

208.621. The [division of aging] **department of health and senior services** shall apply
2 for a statewide Volunteers in Service to America program to assist the division in organizing and
3 coordinating volunteer resources in areas with a substantial high-risk elderly population,
4 especially geared toward identifying at-risk elderly persons, personally contacting them with
5 important information and friendly reassurance and to assist in volunteer transportation services.

2 established in sections 208.631 to 208.657 shall:

15 contraindications; and

16 (5) Demonstrate annually that their total net worth does not exceed two hundred fifty

13 may apply for pension to the blind as provided in sections 209.010 to 209.160.

14 2. If the funds at the disposal or which may be obtained by the **family support** division
15 [of family services] for the payment of benefits under this section shall at any time become

16 insufficient to pay the full amount of benefits to each person entitled thereto, the amount of
17 benefits of each one of such persons shall be reduced pro rata in proportion to such deficiency
18 in the total amount available or to become available for such purpose.

19 3. Medical assistance for aid to the blind recipients shall be payable as provided in
20 sections 208.151 to 208.158 without regard to any durational residence requirement for

210.001. 1. The department of social services shall address the needs of homeless,

3 family services] and to their families-in-conflict by:

8 the removal of the child from the home and after family reunification;

- 30

31 provided the other approved assessment centers included in subdivisions (1) to (14) of this
32 subsection submit to the department of social services a modified funding formula for all
33 approved child assessment centers, which would require no additional state funding.

210.115. 1. When any physician, medical examiner, coroner, dentist, chiropractor,
2 optometrist, podiatrist, resident, intern, nurse, hospital or clinic personnel that are engaged in the
3 examination, care, treatment or research of persons, and any other health practitioner,
4 psychologist, mental health professional, social worker, day care center worker or other
5 child-care worker, juvenile officer, probation or parole officer, jail or detention center personnel,
6 teacher, principal or other school official, minister as provided by section 352.400, peace officer
7 or law enforcement official, or other person with responsibility for the care of children has
8 reasonable cause to suspect that a child has been or may be subjected to abuse or neglect or
9 observes a child being subjected to conditions or circumstances which would reasonably result
10 in abuse or neglect, that person shall immediately report or cause a report to be made to the
11 division in accordance with the provisions of sections 210.109 to 210.183. As used in this
12 section, the term "abuse" is not limited to abuse inflicted by a person responsible for the child's
13 care, custody and control as specified in section 210.110, but shall also include abuse inflicted
14 by any other person.

15 2. Whenever such person is required to report pursuant to sections 210.109 to 210.183
16 in an official capacity as a staff member of a medical institution, school facility, or other agency,
17 whether public or private, the person in charge or a designated agent shall be notified
18 immediately. The person in charge or a designated agent shall then become responsible for
19 immediately making or causing such report to be made to the division. Nothing in this section,
20 however, is meant to preclude any person from reporting abuse or neglect.

21 3. Notwithstanding any other provision of sections 210.109 to 210.183, any child who
22 does not receive specified medical treatment by reason of the legitimate practice of the religious
23 belief of the child's parents, guardian, or others legally responsible for the child, for that reason
24 alone, shall not be found to be an abused or neglected child, and such parents, guardian or other
25 persons legally responsible for the child shall not be entered into the central registry. However,
26 the division may accept reports concerning such a child and may subsequently investigate or
27 conduct a family assessment as a result of that report. Such an exception shall not limit the
28 administrative or judicial authority of the state to ensure that medical services are provided to
29 the child when the child's health requires it.

30 4. In addition to those persons and officials required to report actual or suspected abuse
31 or neglect, any other person may report in accordance with sections 210.109 to 210.183 if such
32 person has reasonable cause to suspect that a child has been or may be subjected to abuse or

33 neglect or observes a child being subjected to conditions or circumstances which would
34 reasonably result in abuse or neglect.

35 5. Any person or official required to report pursuant to this section, including employees
36 of the division, who has probable cause to suspect that a child who is or may be under the age
37 of eighteen, who is eligible to receive a certificate of live birth, has died shall report that fact to
38 the appropriate medical examiner or coroner. If, upon review of the circumstances and medical
39 information, the medical examiner or coroner determines that the child died of natural causes
40 while under medical care for an established natural disease, the coroner, medical examiner or
41 physician shall notify the division of the child's death and that the child's attending physician
42 shall be signing the death certificate. In all other cases, the medical examiner or coroner shall
43 accept the report for investigation, shall immediately notify the division of the child's death as
44 required in section 58.452 and shall report the findings to the child fatality review panel
45 established pursuant to section 210.192.

46 6. Any person or individual required to report may also report the suspicion of abuse or
47 neglect to any law enforcement agency or juvenile office. Such report shall not, however, take
48 the place of reporting or causing a report to be made to the division.

49 7. If an individual required to report suspected instances of abuse or neglect pursuant to
50 this section has reason to believe that the victim of such abuse or neglect is a resident of another
51 state or was injured as a result of an act which occurred in another state, the person required to
52 report such abuse or neglect may, in lieu of reporting to the Missouri **children's** division [of
53 family services], make such a report to the child protection agency of the other state with the
54 authority to receive such reports pursuant to the laws of such other state. If such agency accepts
55 the report, no report is required to be made, but may be made, to the Missouri **children's** division
56 [of family services].

210.165. 1. Any person violating any provision of sections 210.110 to 210.165 is guilty
2 of a class A misdemeanor.

3 2. Any person who intentionally files a false report of child abuse or neglect shall be
4 guilty of a class A misdemeanor.

5 3. Every person who has been previously convicted of making a false report to the
6 **children's division or its predecessor agency, the** division of family services, and who is
7 subsequently convicted of making a false report under subsection 2 of this section is guilty of a
8 class D felony and shall be punished as provided by law.

9 4. Evidence of prior convictions of false reporting shall be heard by the court, out of the
10 hearing of the jury, prior to the submission of the case to the jury, and the court shall determine
11 the existence of the prior convictions.

210.166. The **children's** division [of family services], any juvenile officer, any physician
2 licensed under chapter 334, any hospital or other health care institution, and any other person or
3 institution authorized by state or federal law to provide medical care may bring an action in the
4 circuit court in the county where any child under eighteen years of age resides or is located,
5 alleging the child is suffering from the denial or deprivation, by those responsible for the care,
6 custody, and control of the child, of medical or surgical treatment or intervention which is
7 necessary to remedy or ameliorate a medical condition which is life-threatening or causes injury.
8 Those responsible for the care, custody and control of the child include, but is not limited to, the
9 parents or guardian of the child, other members of the child's household, or those exercising
10 supervision over a child for any part of a twenty-four-hour day. A petition filed under this
11 section shall be expedited by the court involved in every manner practicable, including, but not
12 limited to, giving such petition priority over all other matters on the court's docket and holding
13 a hearing, at which the parent, guardian or other person having authority to consent to the
14 medical care in question shall, after being notified thereof, be given the opportunity to be heard,
15 and issuing a ruling as expeditiously as necessary when the child's condition is subject to
16 immediate deterioration. Any circuit or associate circuit judge of this state shall have the
17 authority to ensure that medical services are provided to the child when the child's health requires
18 it.

210.167. If an investigation conducted by the **children's** division [of family services
2 pursuant to] **under** section 210.145 reveals that the only basis for action involves a question of
3 an alleged violation of section 167.031, then the local office of the division shall send the report
4 to the school district in which the child resides. The school district shall immediately refer all
5 private, parochial, parish or home school matters to the prosecuting attorney of the county
6 wherein the child legally resides. The school district may refer public school violations of
7 section 167.031 to the prosecuting attorney.

210.192. 1. The prosecuting attorney or the circuit attorney shall impanel a child fatality
2 review panel for the county or city not within a county in which he or she serves to investigate
3 the deaths of children under the age of eighteen years, who are eligible to receive a certificate of
4 live birth. The panel shall be formed and shall operate according to the rules, guidelines and
5 protocols provided by the department of social services.

16 panel to meet to review all deaths of children under the age of eighteen years, who are eligible
17 to receive a certificate of live birth, which meet guidelines for review as set forth by the
18 department of social services. In addition, the panel may review at its own discretion any child
19 death reported to it by the medical examiner or coroner, even if it does not meet criteria for
20 review as set forth by the department. The panel shall issue a final report, which shall be a
21 public record, of each investigation to the department of social services, state technical assistance
22 team and to the director of the department of health and senior services. The final report shall
23 include a completed summary report form. The form shall be developed by the director of the
24 department of social services in consultation with the director of the department of health and
25 senior services. The department of health and senior services shall analyze the child fatality
26 review panel reports and periodically prepare epidemiological reports which describe the
27 incidence, causes, location and other factors pertaining to childhood deaths. The department of
28 health and senior services and department of social services shall make recommendations and
29 develop programs to prevent childhood injuries and deaths.

30 4. The child fatality review panel shall enjoy such official immunity as exists at common
31 law.

2 with the director of the department of social services, shall promulgate rules, guidelines and

11 mental health professional, or department of mental health facility shall disclose upon request
12 all records, medical or social, of any child eligible to receive a certificate of live birth under the

14 services] representative, or public health representative who is a member of the local child
15 fatality review panel established pursuant to section 210.192 to investigate the child's death. Any
16 legally recognized privileged communication, except that between attorney and client, shall not

6 of the child. The court shall review the report and shall hold a permanency hearing within twelve
7 months of initial placement and at least annually thereafter. The permanency hearing shall be
8 for the purpose of determining in accordance with the best interests of the child a permanent plan
9 for the placement of the child, including whether or not the child should be continued in foster
10 care or whether the child should be returned to a parent, guardian or relative, or whether or not
11 proceedings should be instituted by either the juvenile officer or the division to terminate
12 parental rights and legally free such child for adoption.

13 2. In such permanency hearings the court shall consider all relevant factors including:

14 (1) The interaction and interrelationship of the child with the child's foster parents,
15 parents, siblings, and any other person who may significantly affect the child's best interests;

16 (2) The child's adjustment to his or her foster home, school and community;

17 (3) The mental and physical health of all individuals involved, including any history of
18 abuse of any individuals involved. If the child is in the care of an authorized agency based on
19 an allegation that the child has abused another child and the court determines that such abuse
20 occurred, the court shall not return the child to or permit the child to reside in any residence
21 located within one thousand feet of the residence of the abused child, or any child care facility
22 or school that the abused child attends, until the abused child reaches eighteen years of age. The
23 prohibitions of this subsection shall not apply where the alleged abuse occurred between siblings;
24 and

25 (4) The needs of the child for a continuing relationship with the child's parents and the
26 ability and willingness of parents to actively perform their functions as mother and father for the
27 needs of the child.

29 pertaining to the placement of the child.

210.829. 1. The circuit court has jurisdiction of an action brought under sections
2 210.817 to 210.852. The action may be joined by separate document with an action for
3 dissolution of marriage, annulment, separate maintenance, support, custody or visitation, except
4 that in any action instituted at the request of the **family support** division [of child support
5 enforcement] by a prosecuting or circuit attorney or attorney under contract with such division,
6 if an action for dissolution, annulment, separate maintenance, custody or visitation is joined
7 hereunder, it shall be severed upon request. Failure to join an action for reimbursement of
8 necessities provided with an action brought under sections 210.817 to 210.852 shall not be a bar
9 to subsequently bringing such an action for reimbursement of necessities provided.

10 2. A person who has sexual intercourse in this state thereby submits to the jurisdiction
11 of the courts of this state to an action brought under sections 210.817 to 210.852 with respect to
12 a child who may have been conceived by that act of intercourse. In addition to any other method
13 provided by rule or statute, including sections 506.160 and 506.510, personal jurisdiction may
14 be acquired by personal service of summons outside this state or by certified mail with proof of
15 actual receipt.

16 3. Notwithstanding subsection 2 of this section, personal jurisdiction may be asserted
17 over any person if there is any basis consistent with the constitution of this state or the United
18 States.

19 4. An action brought under sections 210.817 to 210.852 may be brought in the county
20 in which the child resides, the mother resides, or the alleged father resides or is found or, if the

21 father is deceased, in which proceedings for probate of his **or her** estate have been or could be
22 commenced.

210.830. The child shall be made a party to any action commenced under sections
2 210.817 to 210.852. If he **or she** is a minor, he **or she** may be represented by a next friend
3 appointed for him **or her** for any such action. The child's mother or father or the **family support**
4 division [of child support enforcement] or any person having physical or legal custody of the
5 child may represent him **or her** as his **or her** next friend. A guardian ad litem shall be appointed
6 for the child only if child abuse or neglect is alleged, or if the child is named as a defendant, or
7 if the court determines that the interests of the child and his **or her** next friend are in conflict.
8 The natural mother, each man presumed to be the father under section 210.822, and each man
9 alleged to be the natural father, shall be made parties or, if not subject to the jurisdiction of the
10 court, shall be given notice of the action in a manner prescribed by the court and an opportunity
11 to be heard. The court may align the parties.

210.834. 1. The court may, and upon request of any party shall require the child, mother,
2 alleged father, any presumed father who is a party to the action, and any male witness who
3 testifies or shall testify about his sexual relations with the mother at the possible time of
4 conception, to submit to blood tests. The tests shall be performed by an expert as defined in
5 subsection 7 of this section.

6 2. The court, upon reasonable request by a party, may order that independent tests be
7 performed by other experts as defined in this section.

8 3. If any party refuses to submit to blood tests ordered by the court pursuant to subsection
9 1 or 2 of this section, such refusal shall constitute civil contempt of court and shall be admissible
10 as evidence in the action. In addition, upon motion and reasonable notice to the party refusing
11 to submit to blood tests, the court shall, except for good cause shown, enter an order striking the
12 party's pleadings and rendering a judgment by default on the issue of the existence of the
13 parent-and-child relationship.

14 4. Whenever the court finds that the results of the blood tests show that a person
15 presumed or alleged to be the father of the child is not the father of such child, such evidence
16 shall be conclusive of nonpaternity and the court shall dismiss the action as to that party, and the
17 cost of such blood tests shall be assessed against the party instituting the action unless the **family**
18 **support** division [of child support enforcement], through a prosecuting attorney or circuit
19 attorney or other attorney under contract with such division, is a party to such action, in which
20 case the cost of such blood tests shall be assessed against the state. The court shall order the
21 state to pay reasonable attorney's fees for counsel and the costs of any blood tests where such
22 blood tests show that the person presumed or alleged to be the father of the child is not the father

23 of such child and the state proceeds further in an action pursuant to sections 210.817 to 210.852
24 to attempt to establish that such person is the father of the child.

25 5. Certified documentation of the chain of custody of the blood or tissue specimens is
26 competent evidence to establish such chain of custody. An expert's report shall be admitted at
27 trial as evidence of the test results stated therein without the need for foundation testimony or
28 other proof of authenticity or accuracy, unless a written motion containing specific factual
29 allegations challenging the testing procedures, the chain of custody of the blood or tissue
30 specimens, or the results has been filed and served on each party, and the motion is sustained by
31 the court or an administrative agency not less than thirty days before the trial.

32 6. The provisions of subsection 5 of this section shall also apply when the blood tests
33 were not ordered by the court, if the court finds that the tests were conducted by an expert as
34 defined in subsection 7 of this section.

35 7. As used in sections 210.817 to 210.852, the term "expert" shall include, but not be
36 limited to, a person who performs or analyzes a genetic test of a type generally acknowledged
37 as reliable by accreditation bodies designated by the secretary of the Department of Health and
38 Human Services pursuant to 42 U.S.C. 666(a) and performed by a laboratory approved by such
39 accreditation bodies.

210.843. 1. If the existence of a parent and child relationship is declared, and a duty of
2 support has been established pursuant to sections 210.817 to 210.852, the support obligation may
3 be enforced in the same or in other appropriate proceedings by the mother, the child, the **family**
4 **support** division [of child support enforcement], or any other public agency that has furnished
5 or may furnish the reasonable expenses of pregnancy, confinement, education, support, or
6 funeral, or by any other person, including a private agency, to the extent he or she has furnished
7 or is furnishing these expenses.

8 2. The court shall order that support payments be made to the clerk of the circuit court
9 as trustee for remittance to the person entitled to receive the payments, or where that person has
10 assigned his or her support rights to the **family support** division [of family services pursuant to]
11 **under** section 208.040 as trustee for remittance to the division, as long as the trusteeship remains
12 in effect. Effective October 1, 1999, the court shall order support payments to be made to the
13 family support payment center as required in section 454.530 as trustee for remittance to the
14 person entitled to receive the payments.

15 3. Willful failure to obey any judgment or order of the court entered pursuant to this
16 section is a civil contempt of court. Section 452.350 applies to support orders entered pursuant
17 to this section, and all administrative and judicial remedies for the enforcements of judgments
18 shall apply.

210.846. Notwithstanding any other law concerning public hearings and records, any hearing or trial held under sections 210.817 to 210.852 shall be held in closed court without admittance of any person other than those necessary to the action or proceeding. All papers and records, other than the interlocutory or final judgment, pertaining to the action or proceeding, whether part of the permanent record of the court, are subject to inspection only by the prosecuting or circuit attorney or attorney under contract with the **family support** division [of child support enforcement] or upon the consent of the court and all interested persons, or in exceptional cases only upon order of the court for good cause shown.

210.870. 1. There is hereby established the "Juvenile Information Governance Commission".

2. The commission shall be composed of the following members:

- (1) The director of the department of mental health;
- (2) The director of the department of health and senior services;
- (3) The commissioner of education;

3. The commission shall authorize categories of information to be shared between executive agencies and juvenile and family divisions of the circuit courts pursuant to section 210.865. The commission shall provide vision, strategy, policy approval and oversight for development and implementation of agency, law enforcement and juvenile and family court information sharing. The commission may appoint subcommittees to address technical and

28 policy issues associated with information sharing, communication, development and
29 implementation.

30 4. The state courts administrator or a designee shall chair the commission.

31 5. The commission shall meet as determined by the chair but not less than semiannually.

32 A majority of the members of the commission shall constitute a quorum.

33 6. No member of the commission shall receive compensation for the performance of
34 duties associated with membership on the commission.

35 7. Official minutes of all commission meetings shall be prepared by the chair, distributed
36 to the members and filed by the state courts administrator.

37 8. The commission shall, on January 1, 2002, and annually thereafter on January first of
38 each succeeding year, transmit a report summarizing the commission's findings to the general
39 assembly.

210.900. 1. Sections 210.900 to 210.936 shall be known and may be cited as the
2 "Family Care Safety Act".

3 2. As used in sections 210.900 to 210.936, the following terms shall mean:

4 (1) "Child-care provider", any licensed or license-exempt child-care home, any licensed
5 or license-exempt child-care center, child-placing agency, residential care facility for children,
6 group home, foster family group home, foster family home, employment agency that refers a

9 recreational or educational purposes;

10 (2) "Child-care worker", any person who is employed by a child-care provider, or
11 receives state or federal funds, either by direct payment, reimbursement or voucher payment, as
12 remuneration for child-care services;

13 (3) "Department", the department of health and senior services;

14 (4) "Elder-care provider", any operator licensed pursuant to chapter 198 or any person,

41 grandchild, a great-grandchild or a sibling of such elder.

210.950. 1. This section shall be known and may be cited as the "Safe Place for
2 Newborns Act of 2002". The purpose of this section is to protect newborn children from injury
3 and death caused by abandonment by a parent, and to provide safe and secure alternatives to such
4 abandonment.

5 2. As used in this section, the following terms mean:

- 6 (1) "Hospital", as defined in section 197.020;
- 7 (2) "Nonrelinquishing parent", the biological parent who does not leave a newborn infant
8 with any person listed in subsection 3 of this section in accordance with this section;
- 9 (3) "Relinquishing parent", the biological parent or person acting on such parent's behalf
10 who leaves a newborn infant with any person listed in subsection 3 of this section in accordance
11 with this section.
- 12 3. A parent shall not be prosecuted for a violation of section 568.030, 568.032, 568.045
13 or 568.050 for actions related to the voluntary relinquishment of a child up to five days old
14 pursuant to this section and it shall be an affirmative defense to prosecution for a violation of
15 sections 568.030, 568.032, 568.045 and 568.050 that a parent who is a defendant voluntarily
16 relinquished a child no more than one year old pursuant to this section if:
- 17 (1) Expressing intent not to return for the child, the parent voluntarily delivered the child
18 safely to the physical custody of any of the following persons:

19 (a) An employee, agent, or member of the staff of any hospital, in a health care provider
20 position or on duty in a nonmedical paid or volunteer position;

21 (b) A firefighter or emergency medical technician on duty in a paid position or on duty
22 in a volunteer position; or

23 (c) A law enforcement officer;

24 (2) The child was no more than one year old when delivered by the parent to any person
25 listed in subdivision (1) of this subsection; and

26 (3) The child has not been abused or neglected by the parent prior to such voluntary
27 delivery.

28 4. A person listed in subdivision (1) of subsection 3 of this section shall, without a court
29 order, take physical custody of a child the person reasonably believes to be no more than one year
30 old and is delivered in accordance with this section by a person purporting to be the child's
31 parent. If delivery of a newborn is made pursuant to this section in any place other than a
32 hospital, the person taking physical custody of the child shall arrange for the immediate
33 transportation of the child to the nearest hospital licensed pursuant to chapter 197.

34 5. The hospital, its employees, agents and medical staff shall perform treatment in
35 accordance with the prevailing standard of care as necessary to protect the physical health or
36 safety of the child. The hospital shall notify the **children's** division [of family services] and the
37 local juvenile officer upon receipt of a child pursuant to this section. The local juvenile officer
38 shall immediately begin protective custody proceedings and request the child be made a ward
39 of the court during the child's stay in the medical facility. Upon discharge of the child from the
40 medical facility and pursuant to a protective custody order ordering custody of the child to the
41 division, the **children's** division [of family services] shall take physical custody of the child.
42 The parent's voluntary delivery of the child in accordance with this section shall constitute the
43 parent's implied consent to any such act and a voluntary relinquishment of such parent's parental
44 rights.

45 6. In any termination of parental rights proceeding initiated after the relinquishment of
46 a child pursuant to this section, the juvenile officer shall make public notice that a child has been
47 relinquished, including the sex of the child, and the date and location of such relinquishment.
48 Within thirty days of such public notice, the nonrelinquishing parent wishing to establish parental
49 rights shall identify himself or herself to the court and state his or her intentions regarding the
50 child. The court shall initiate proceedings to establish paternity, or if no person identifies himself
51 as the father within thirty days, maternity. The juvenile officer shall make examination of the
52 putative father registry established in section 192.016 to determine whether attempts have
53 previously been made to preserve parental rights to the child. If such attempts have been made,

54 the juvenile officer shall make reasonable efforts to provide notice of the abandonment of the
55 child to such putative father.

56 7. (1) If a relinquishing parent of a child relinquishes custody of the child to any person
57 listed in subsection 3 of this section in accordance with this section and to preserve the parental
58 rights of the nonrelinquishing parent, the nonrelinquishing parent shall take such steps necessary
59 to establish parentage within thirty days after the public notice or specific notice provided in
60 subsection 6 of this section.

61 (2) If a nonrelinquishing parent fails to take steps to establish parentage within the
62 thirty-day period specified in subdivision (1) of this subsection, the nonrelinquishing parent may
63 have all of his or her rights terminated with respect to the child.

64 (3) When a nonrelinquishing parent inquires at a hospital regarding a child whose
65 custody was relinquished pursuant to this section, such facility shall refer the nonrelinquishing
66 parent to the **children's** division [of family services] and the juvenile court exercising
67 jurisdiction over the child.

68 8. The persons listed in subdivision (1) of subsection 3 of this section shall be immune
69 from civil, criminal, and administrative liability for accepting physical custody of a child
70 pursuant to this section if such persons accept custody in good faith. Such immunity shall not
71 extend to any acts or omissions, including negligent or intentional acts or omissions, occurring
72 after the acceptance of such child.

73 9. The **children's** division [of family services] shall:

74 (1) Provide information and answer questions about the process established by this
75 section on the statewide, toll-free telephone number maintained pursuant to section 210.145;

76 (2) Provide information to the public by way of pamphlets, brochures, or by other ways
77 to deliver information about the process established by this section.

78 10. Nothing in this section shall be construed as conflicting with section 210.125.

211.036. If a child under the age of eighteen is released from the custody of the
2 **children's** division [of family services] and after such release it appears that it would be in such
3 child's best interest to have his **or her** custody returned to the **children's** division [of family
4 services], the juvenile officer, the **children's** division [of family services] or the child may
5 petition the court to return custody of such child to the division until the child is eighteen years
6 of age.

211.081. 1. Whenever any person informs the court in person and in writing that a child
2 appears to be within the purview of applicable provisions of section 211.031 or that a person
3 seventeen years of age appears to be within the purview of the provisions of subdivision (1) of
4 subsection 1 of section 211.031, the court shall make or cause to be made a preliminary inquiry
5 to determine the facts and to determine whether or not the interests of the public or of the child

6 or person seventeen years of age require that further action be taken. On the basis of this inquiry,
7 the juvenile court may make such informal adjustment as is practicable without a petition or may
8 authorize the filing of a petition by the juvenile officer. Any other provision of this chapter to
9 the contrary notwithstanding, the juvenile court shall not make any order for disposition of a
10 child or person seventeen years of age which would place or commit the child or person
11 seventeen years of age to any location outside the state of Missouri without first receiving the
12 approval of the **children's** division [of family services].

13 2. Placement in any institutional setting shall represent the least restrictive appropriate
14 placement for the child or person seventeen years of age and shall be recommended based upon
15 a psychological or psychiatric evaluation or both. Prior to entering any order for disposition of
16 a child or person seventeen years of age which would order residential treatment or other services
17 inside the state of Missouri, the juvenile court shall enter findings which include the
18 recommendation of the psychological or psychiatric evaluation or both; and certification from
19 the division director or designee as to whether a provider or funds or both are available,
20 including a projection of their future availability. If the **children's** division [of family services]
21 indicates that funding is not available, the division shall recommend and make available for
22 placement by the court an alternative placement for the child or person seventeen years of age.
23 The division shall have the burden of demonstrating that they have exercised due diligence in
24 utilizing all available services to carry out the recommendation of the evaluation team and serve
25 the best interest of the child or person seventeen years of age. The judge shall not order
26 placement or an alternative placement with a specific provider but may reasonably designate the
27 scope and type of the services which shall be provided by the department to the child or person
28 seventeen years of age.

29 3. Obligations of the state incurred under the provisions of section 211.181 shall not
30 exceed, in any fiscal year, the amount appropriated for this purpose.

211.180. Family preservation screenings shall be conducted by the **children's** division
2 [of family services] within seventy-two hours of the removal of a child from the home and
3 placement in the custody of the court. The results of this screening shall be submitted to the
4 juvenile court judge for consideration in the order of disposition or treatment of the child.

211.183. 1. In juvenile court proceedings regarding the removal of a child from his or
2 her home, the court's order shall include a determination of whether the **children's** division [of
3 family services] has made reasonable efforts to prevent or eliminate the need for removal of the
4 child and, after removal, to make it possible for the child to return home. If the first contact with
5 the family occurred during an emergency in which the child could not safely remain at home
6 even with reasonable in-home services, the division shall be deemed to have made reasonable
7 efforts to prevent or eliminate the need for removal.

8 2. "Reasonable efforts" means the exercise of reasonable diligence and care by the
9 division to utilize all available services related to meeting the needs of the juvenile and the
10 family. In determining reasonable efforts to be made and in making such reasonable efforts, the
11 child's present and ongoing health and safety shall be the paramount consideration.

12 3. In support of its determination of whether reasonable efforts have been made, the
13 court shall enter findings, including a brief description of what preventive or reunification efforts
14 were made and why further efforts could or could not have prevented or shortened the separation
15 of the family. The division shall have the burden of demonstrating reasonable efforts.

16 4. The juvenile court may authorize the removal of the child even if the preventive and
17 reunification efforts of the division have not been reasonable, but further efforts could not permit
18 the child to remain at home.

19 5. Before a child may be removed from the parent, guardian, or custodian of the child
20 by order of a juvenile court, excluding commitments to the division of youth services, the court
21 shall in its orders:

22 (1) State whether removal of the child is necessary to protect the child and the reasons
23 therefor;

24 (2) Describe the services available to the family before removal of the child, including
25 in-home services;

26 (3) Describe the efforts made to provide those services relevant to the needs of the family
27 before the removal of the child;

28 (4) State why efforts made to provide family services described did not prevent removal
29 of the child; and

30 (5) State whether efforts made to prevent removal of the child were reasonable, based
31 upon the needs of the family and child.

32 6. If continuation of reasonable efforts, as described in this section, is determined by the
33 division to be inconsistent with establishing a permanent placement for the child, the division
34 shall take such steps as are deemed necessary by the division, including seeking modification of
35 any court order to modify the permanency plan for the child.

36 7. The division shall not be required to make reasonable efforts, as defined in this
37 section, but has the discretion to make reasonable efforts if a court of competent jurisdiction has
38 determined that:

39 (1) The parent has subjected the child to a severe act or recurrent acts of physical,
40 emotional or sexual abuse toward the child, including an act of incest; or

41 (2) The parent has:

42 (a) Committed murder of another child of the parent;

43 (b) Committed voluntary manslaughter of another child of the parent;

44 (c) Aided or abetted, attempted, conspired or solicited to commit such a murder or
45 voluntary manslaughter; or

46 (d) Committed a felony assault that resulted in serious bodily injury to the child or to
47 another child of the parent; or

48 (3) The parent's parental rights to a sibling have been involuntarily terminated.

49 8. If the court determines that reasonable efforts, as described in this section, are not
50 required to be made by the division, the court shall hold a permanency hearing within thirty days
51 after the court has made such determination. The division shall complete whatever steps are
52 necessary to finalize the permanent placement of the child.

53 9. The division may concurrently engage in reasonable efforts, as described in this
54 section, while engaging in such other measures as are deemed appropriate by the division to
55 establish a permanent placement for the child.

211.455. 1. Within thirty days after the filing of the petition, the juvenile officer shall
2 meet with the court in order to determine that all parties have been served with summons and to
3 request that the court order the investigation and social study.

4 2. If, at that time, all parties required to be served with summons have not been served,
5 the court, in its discretion, may extend the time for service if the court finds that service may be
6 forthcoming and that the best interests of the child would be served thereby.

7 3. The court shall order an investigation and social study except in cases filed under
8 section 211.444. The investigation and social study shall be made by the juvenile officer, the
9 state **children's** division [of family services] or a public or private agency authorized or licensed
10 to care for children or any other competent person, as directed by the court, and a written report
11 shall be made to the court to aid the court in determining whether the termination is in the best
12 interests of the child. It shall include such matters as the parental background, the fitness and
13 capacity of the parent to discharge parental responsibilities, the child's home, present adjustment,
14 physical, emotional and mental condition, and such other facts as are pertinent to the
15 determination. Parties and attorneys or guardians ad litem or volunteer advocates representing
16 them before the court shall have access to the written report. All ordered evaluations and reports
17 shall be made available to the parties and attorneys or guardians ad litem or volunteer advocates
18 representing them before the court at least fifteen days prior to any dispositional hearing.

211.477. 1. If, after the dispositional hearing, the court finds that one or more of the
2 grounds set out in section 211.447 exists or that the parent has consented to the termination
3 pursuant to section 211.444 and that it is in the best interests of the child, the court may terminate
4 the rights of the parent in and to the child. After ordering termination and after consideration of
5 the social study and report, the court shall transfer legal custody to:

6 (1) The **children's** division [of family services];

7 (2) A private child-placing agency;

8 (3) A foster parent, relative or other person participating in the proceedings pursuant to
9 section 211.464; or

10 (4) Any other person or agency the court deems suitable to care for the child.

11 2. If only one parent consents or if the conditions specified in section 211.447 are found
12 to exist as to only one parent, the rights of only that parent with reference to the child may be
13 terminated and the rights of the other parent shall not be affected.

14 3. The court may order termination whether or not the child is in adoptive placement or
15 an adoptive placement is available for the child.

16 4. If, after the dispositional hearing, the court finds that one or more of the grounds set
17 out in section 211.447 exists, but that termination is not in the best interests of the child because
18 the court finds that the child would benefit from the continued parent-child relationship or
19 because the child is fourteen or more years of age and objects to the termination, the court may:

20 (1) Dismiss the petition and order that the child be returned to the custody of the parent;

21 (2) Retain jurisdiction of the case and order that the child be placed in the legal custody
22 of the parent, the division, a private child-caring or placing agency, a foster parent, relative or
23 other suitable person who is able to provide long-term care for the child. Any order of the court
24 under this subdivision shall designate the period of time it shall remain in effect, with mandatory
25 review by the court no later than six months thereafter. The court shall also specify what residual
26 rights and responsibilities remain with the parent. Any individual granted legal custody shall
27 exercise the rights and responsibilities personally unless otherwise authorized by the court; or

28 (3) Appoint a guardian under the provisions of chapter 475.

29 5. Orders of the court issued pursuant to sections 211.442 to 211.487 shall recite the
30 jurisdictional facts, factual findings on the existence of grounds for termination and that the best
31 interests of the child are served by the disposition stated in the order.

32 6. The granting or denial of a petition for termination of parental rights shall be deemed
33 a final judgment for purposes of appeal.

226.008. 1. The highways and transportation commission shall have responsibility and

43 transportation.

44 5. The committee shall meet on such a schedule and carry out its duties in such a way
45 as to discharge its responsibilities over special transportation expenditures made for the state
46 fiscal year beginning July 1, 1989, and all subsequent years.

285.300. 1. Every employer doing business in the state shall require each newly hired
2 employee to fill out a federal W-4 withholding form. A copy of each withholding form or an
3 equivalent form containing data required by section 285.304 which may be provided in an
4 electronic or magnetic format shall be sent to the department of revenue by the employer within
5 twenty days after the date the employer hires the employee or in the case of an employer
6 transmitting a report magnetically or electronically, by two monthly transmissions, if necessary,
7 not less than twelve days nor more than sixteen days apart. For purposes of this section, the date
8 the employer hires the employee shall be the earlier of the date the employee signs the W-4 form
9 or its equivalent, or the first date the employee reports to work, or performs labor or services.
10 Such forms shall be forwarded by the department of revenue to the **family support** division [of
11 child support enforcement] on a weekly basis and the information shall be entered into the

20 at least weekly. Effective January 1, 2007, the division of employment security shall cross-check

21 at least monthly unemployment compensation applicants and recipients with department of
22 revenue drivers license databases.

23 2. Any employer that has employees who are employed in two or more states and
24 transmits reports magnetically or electronically may comply with subsection 1 of this section by:

25 (1) Designating one of the states in which the employer has employees as the designated
26 state that such employer shall transmit the reports; and

27 (2) Notifying the secretary of Health and Human Services of such designation.

288.220. 1. Subject to the supervision of the director of the department of labor and
2 industrial relations, the division of employment security of the department of labor and industrial
3 relations shall be under the control, management and supervision of a director who shall be
4 appointed by the governor, by and with the advice and consent of the senate. The director shall
5 serve at the pleasure of the governor.

6 2. The division shall be responsible for administering the Missouri state [employment
7 service operation, the] unemployment insurance operation and any other operations as are
8 necessary to administer the state's employment security law.

9 3. The central office of the division shall be maintained in the City of Jefferson.

10 4. Subject to the supervision and approval of the director of the department of labor and
11 industrial relations, it shall be the duty of the director to administer this law; and [he] **the**
12 **director** shall have power and authority to adopt, amend, or rescind any regulations as [he] **the**
13 **director** deems necessary to the efficient internal management of the division. The director shall
14 determine the division's organization and methods of procedure. Subject to the provisions of the
15 state merit system law, chapter 36, the director shall employ and prescribe the duties and powers
16 of the persons as may be necessary. The director shall collaborate with the personnel director
17 and the personnel advisory board in establishing for employees of the division salaries
18 comparable to the salaries paid by other states of a similar size and volume of operations to
19 employees engaged in the administration of the employment security programs of those states.
20 The director may delegate to any such person the power and authority as [he] **the director** deems
21 reasonable and proper for the effective administration of the law, and may in [his] **the director's**
22 discretion bond any person handling moneys or signing checks. Further, the director shall have
23 the power to make expenditures, require reports, make investigations and take other action not
24 inconsistent with this law as he **or she** considers necessary to the efficient and proper
25 administration of the law.

26 5. Subject to the approval of the director of the department of labor and industrial
27 relations and the commission, the director shall adopt, amend or rescind the rules and regulations
28 as are necessary to implement any of the provisions of this law not relating to the internal
29 management of the division; however, the rules and regulations shall not become effective until

30 ten days after their approval by the commission and copies thereof have been filed in the office
31 of the secretary of state.

324.032. The division of professional registration shall maintain, for each board in the
2 division, a registry of each person holding a current license, permit, or certificate issued by that
3 board. The registry shall contain the name, Social Security number, and address of each person
4 licensed or registered together with other relevant information as determined by the board. The
5 registry for each board shall at all times be available to the board and copies shall be supplied
6 to the board on request. Copies of the registry, except for the registrant's Social Security number,
7 shall be available from the division or the board to any individual who pays the reasonable
8 copying cost. Any individual may copy the registry during regular business hours. The
9 information in the registry shall be furnished upon request to the **family support** division [of
10 child support enforcement]. Questions concerning the currency of license of any individual shall
11 be answered, without charge, by the appropriate board. Each year each board may publish, or
12 cause to be published, a directory containing the name and address of each person licensed or
13 registered for the current year together with any other information the board deems necessary.
14 Any expense incurred by the state relating to such publication shall be charged to the board. An
15 official copy of any such publication shall be filed with the director.

338.314. Nothing in sections 338.010 to 338.315 shall authorize the board of pharmacy
2 to conduct an inspection of a long-term care facility licensed under the provisions of chapter 198
3 by the Missouri [division of aging or its successors] **department of health and senior services**,
4 except that the board of pharmacy may inspect any licensed pharmacy located within a long-term
5 care facility. However, the provisions of sections 338.010 to 338.315 shall apply to all
6 individuals licensed as a pharmacist and practicing pharmacy as defined in section 338.010.

376.819. To the extent that payment has been made by the **MO HealthNet** division [of
2 medical services] for health care items or services furnished to a Medicaid-eligible individual,
3 the **MO HealthNet** division [of medical services] is considered to have acquired the rights of
4 the Medicaid-eligible individual to payment by any insurer or other party obligated to cover such
5 health care items or services.

452.345. 1. As used in sections 452.345 to 452.350, the term "IV-D case" shall mean
2 a case in which support rights have been assigned to the state of Missouri or where the **family**
3 **support** division [of child support enforcement] is providing support enforcement services
4 pursuant to section 454.400.

5 2. At any time the court, upon its own motion, may, or upon the motion of either party
6 shall, order that maintenance or support payments be made to the circuit clerk as trustee for
7 remittance to the person entitled to receive the payments. The circuit clerk shall remit such
8 support payments to the person entitled to receive the payments within three working days of

9 receipt by the circuit clerk. Circuit clerks shall deposit all receipts no later than the next working
10 day after receipt. Payment by a nonguaranteed negotiable financial instrument occurs when the
11 instrument has cleared the depository institution and has been credited to the trust account.
12 Effective October 1, 1999, at any time the court may upon its own motion, or shall upon the
13 motion of either party, order that support payments as required by section 454.530 be made to
14 the family support payment center established in section 454.530 as trustee for remittance to the
15 person entitled to receive the payments. However, in no case shall the court order payments to
16 be made to the payment center if the **family support** division [of child support enforcement]
17 notifies the court that such payments shall not be made to the center. In such cases, payments
18 shall be made to the clerk as trustee until the division notifies the court that payments shall be
19 directed to the payment center. Further, with the agreement of the division, the court may order
20 payments to be made to the payment center prior to October 1, 1999.

21 3. The circuit clerk shall maintain records in the automated child support system which
22 list the amount of payments, the date when payments are required to be made, and the names and
23 addresses of the parties affected by the order. Nothing in this section shall prohibit the **family**
24 **support** division [of child support enforcement] from entering information in the records of the
25 automated child support system, as provided for in chapter 454.

26 4. The parties affected by the order shall inform the circuit clerk or the payment center
27 established in section 454.530 of any change of address or of other conditions that may affect the
28 administration of the order.

29 5. For any case in which an order for support or maintenance was entered prior to
30 January 1, 1994, which has not been modified subsequent to that date, except a IV-D case, if a
31 party becomes delinquent in maintenance or support payments in an amount equal to one month's
32 total support obligation, the provisions of this subsection shall apply. If the circuit clerk has been
33 appointed trustee under subsection 2 of this section, or if the person entitled to receive the
34 payments files with the clerk an affidavit stating the particulars of the obligor's noncompliance,
35 the circuit clerk shall send by regular mail notice of the delinquency to the obligor. This notice
36 shall advise the obligor of the delinquency, shall state the amount of the obligation, and shall
37 advise that the obligor's income is subject to withholding for repayment of the delinquency and
38 for payment of current support, as provided in section 452.350. For such cases, the circuit clerk
39 shall, in addition to the notice to the obligor, send by regular mail a notice to the obligee. This
40 notice shall state the amount of the delinquency and shall advise the obligee that income
41 withholding, pursuant to section 452.350, is available for collection of support delinquencies and
42 current support, and if the support order includes amounts for child support, that support
43 enforcement services, pursuant to section 454.425, are available through the Missouri **family**
44 **support** division [of child support enforcement] of the department of social services.

452.346. Upon written request of a parent of a child, as defined in section [452.302]
2 **452.160**, who is receiving medical assistance pursuant to section 208.151, the **family support**
3 division [of child support enforcement] shall provide such parent with documentation that allows
4 the child to obtain medical assistance. This section shall not apply to parents of children in the
5 custody of a public agency.

452.347. In any proceeding before a court where child support may be established or
2 modified for an applicant or recipient of child support services pursuant to chapter 454:

3 (1) The applicant or recipient of child support enforcement services shall be provided
4 by any other party with notice pursuant to Rule 41 of the Missouri rules of civil procedures of
5 all proceedings in which support obligations may be established or modified. Notice to an
6 attorney representing a party is deemed notice on the party for purposes of this section; and

7 (2) A copy of any order establishing or modifying a child support obligation, or an order
8 denying a modification shall be mailed to the **family support** division [of child support
9 enforcement] by the court within fourteen days of issuance of such order.

452.350. 1. Until January 1, 1994, except for orders entered or modified in IV-D cases,
2 each order for child support or maintenance entered or modified by the court pursuant to the
3 authority of this chapter, or otherwise, shall include a provision notifying the person obligated
4 to pay such support or maintenance that, upon application by the obligee or the Missouri **family**
5 **support** division [of child support enforcement] of the department of social services, the
6 obligor's wages or other income shall be subject to withholding without further notice if the
7 obligor becomes delinquent in maintenance or child support payments in an amount equal to one
8 month's total support obligation. The order shall also contain provisions notifying the obligor
9 that:

10 (1) The withholding shall be for the current month's maintenance and support; and

11 (2) The withholding shall include an additional amount equal to fifty percent of one
12 month's child support and maintenance to defray delinquent child support and maintenance,
13 which additional withholding shall continue until the delinquency is paid in full.

14 2. For all orders entered or modified in IV-D cases, and effective January 1, 1994, for
15 every order for child support or maintenance entered or modified by the court pursuant to the
16 authority of this chapter, or otherwise, income withholding pursuant to this section shall be
17 initiated on the effective date of the order, except that such withholding shall not commence with
18 the effective date of the order in any case where:

19 (1) One of the parties demonstrates, and the court finds, that there is good cause not to
20 require immediate income withholding. For purposes of this subdivision, any finding that there
21 is good cause not to require immediate withholding must be based on, at least, a written
22 determination and an explanation by the court that implementing immediate wage withholding

23 would not be in the best interests of the child and proof of timely payments of previously ordered
24 support in cases involving the modification of support orders; or

25 (2) A written agreement is reached between the parties that provides for an alternative
26 arrangement. If the income of an obligor is not withheld as of the effective date of the support
27 order, pursuant to subdivision (1) or (2) of this subsection, or otherwise, such obligor's income
28 shall become subject to withholding pursuant to this section without further exception on the
29 date on which the obligor becomes delinquent in maintenance or child support payments in an
30 amount equal to one month's total support obligation. Such withholding shall be initiated in the
31 manner provided in subsection 4 of this section. All IV-D orders entered or modified by the
32 court shall contain a provision notifying the obligor that he or she shall notify the **family support**
33 division [of child support enforcement] regarding the availability of medical insurance coverage
34 through an employer or a group plan, provide the name of the insurance provider when coverage
35 is available, and inform the division of any change in access to such insurance coverage. Any
36 income withheld pursuant to this section for a support order initially entered on or after October
37 1, 1999, shall be paid to the payment center pursuant to section 454.530. Any order of the court
38 entered on or after October 1, 1999, establishing the withholding for a support order as defined
39 in section 454.460, or notice from the clerk issued on or after October 1, 1999, pursuant to this
40 section for a support order shall require payment to the payment center pursuant to section
41 454.530.

42 3. The provisions of section 432.030 to the contrary notwithstanding, if income
43 withholding has not been initiated on the effective date of the initial or modified order, the
44 obligated party may execute a voluntary income assignment at any time, which assignment shall
45 be filed with the court and shall take effect after service on the employer or other payer.

46 4. The circuit clerk, upon application of the obligee or the **family support** division [of
47 child support enforcement], shall send, by certified mail, return receipt requested, a written
48 notice to the employer or other payer listed on the application when the obligated party is subject
49 to withholding pursuant to the child support order or subsection 2 of this section. For orders
50 entered or modified in cases known by the circuit clerk to be IV-D cases in which income
51 withholding is to be initiated on the effective date of the order, and effective January 1, 1994,
52 for all orders entered or modified by the court in which income withholding is to be initiated on
53 the effective date of the order, the circuit clerk shall send such notice to the employer or other
54 payer in the manner provided by this section at the time the order is entered without application
55 of any party when an employer or other payer is identified to the circuit clerk by inclusion in the
56 pleadings pursuant to section 452.312, or otherwise. The notice of income withholding shall be
57 prepared by the person entitled to support pursuant to the order, or the legal representative of that
58 person, on a form prescribed by the court, and shall be presented to the clerk of the court at the

59 time the order of support is entered. The notice shall direct the employer or other payer to
60 withhold each month an amount equal to one month's child support and maintenance until further
61 notice from the court. In the event of a delinquency in child support or maintenance payments
62 in an amount equal to one month's total support obligation, the notice further shall direct the
63 employer or other payer to withhold each month an additional amount equal to fifty percent of
64 one month's child support and maintenance until the support delinquency is paid in full. The
65 notice shall also include a statement of exemptions which may apply to limit the portion of the
66 obligated party's disposable earnings which are subject to the withholding pursuant to federal or
67 state law and notify the obligor that the obligor may request a hearing and related information
68 pursuant to this section. The notice shall contain the Social Security number of the obligor if
69 available. The circuit clerk shall send a copy of this notice by regular mail to the last known
70 address of the obligated party. A notice issued pursuant to this section shall be binding on the
71 employer or other payer, and successor employers and payers, two weeks after mailing, and shall
72 continue until further order of the court or the **family support** division [of child support
73 enforcement]. If the notice does not contain the Social Security number of the obligor, the
74 employer or other payer shall not be liable for withholding from the incorrect obligor. The
75 obligated party may, within that two-week period, request a hearing on the issue of whether the
76 withholding should take effect. The withholding shall not be held in abeyance pending the
77 outcome of the hearing. The obligor may not obtain relief from the withholding by paying
78 overdue support, if any. The only basis for contesting the withholding is a mistake of fact. For
79 the purpose of this section, "mistake of fact" shall mean an error in the amount of arrearages, if
80 applicable, or an error as to the identity of the obligor. The court shall hold its hearing, enter its
81 order disposing of all issues disputed by the obligated party, and notify the obligated party and
82 the employer or other payer, within forty-five days of the date on which the withholding notice
83 was sent to the employer.

84 5. For each payment the employer may charge a fee not to exceed six dollars per month,
85 which shall be deducted from each obligor's moneys, income or periodic earnings, in addition
86 to the amount deducted to meet the support or maintenance obligation subject to the limitations
87 contained in the federal Consumer Credit Protection Act (15 U.S.C. 1673).

88 6. Upon termination of the obligor's employment with an employer upon whom a
89 withholding notice has been served, the employer shall so notify the court in writing. The
90 employer shall also inform the court, in writing, as to the last known address of the obligor and
91 the name and address of the obligor's new employer, if known.

92 7. Amounts withheld by the employer or other payer shall be transmitted, in accordance
93 with the notice, within seven business days of the date that such amounts were payable to the
94 obligated party. For purposes of this section, "business day" means a day that state offices are

open for regular business. The employer or other payer shall, along with the amounts transmitted, provide the date each amount was withheld from each obligor. If the employer or other payer is withholding amounts for more than one order, the employer or other payer may combine all such withholdings that are payable to the same circuit clerk or the family support payment center and transmit them as one payment, together with a separate list identifying the cases to which they apply. The cases shall be identified by court case number, name of obligor, the obligor's Social Security number, the IV-D case number, if any, the amount withheld for each obligor, and the withholding date or dates for each obligor, to the extent that such information is known to the employer or other payer. An employer or other payer who fails to honor a withholding notice pursuant to this section may be held in contempt of court and is liable to the obligee for the amount that should have been withheld. Compliance by an employer or other payer with the withholding notice operates as a discharge of liability to the obligor as to that portion of the obligor's periodic earnings or other income so affected.

8. As used in this section, the term "employer" includes the state and its political subdivisions.

9. An employer shall not discharge or otherwise discipline, or refuse to hire, an employee as a result of a withholding notice issued pursuant to this section. Any obligor who is aggrieved as a result of a violation of this subsection may bring a civil contempt proceeding against the employer by filing an appropriate motion in the cause of action from which the withholding notice issued. If the court finds that the employer discharged, disciplined, or refused to hire the obligor as a result of the withholding notice, the court may order the employer to reinstate or hire the obligor, or rescind any wrongful disciplinary action. If, after the entry of such an order, the employer refuses without good cause to comply with the court's order, or if the employer fails to comply with the withholding notice, the court may, after notice to the employer and a hearing, impose a fine against the employer, not to exceed five hundred dollars. Proceeds of any such fine shall be distributed by the court to the county general revenue fund.

10. A withholding entered pursuant to this section may, upon motion of a party and for good cause shown, be amended by the court. The clerk shall notify the employer of the amendment in the manner provided for in subsection 4 of this section.

11. The court, upon the motion of obligor and for good cause shown, may terminate the withholding, except that the withholding shall not be terminated for the sole reason that the obligor has fully paid past due child support and maintenance.

12. A withholding effected pursuant to this section shall have priority over any other legal process pursuant to state law against the same wages, except that where the other legal process is an order issued pursuant to this section or section 454.505, the processes shall run concurrently, up to applicable wage withholding limitations. If concurrently running wage

withholding processes for the collection of support obligations would cause the amounts withheld from the wages of the obligor to exceed applicable wage withholding limitations and includes a wage withholding from another state pursuant to section 454.932, the employer shall first satisfy current support obligations by dividing the amount available to be withheld among the orders on a pro rata basis using the percentages derived from the relationship each current support order amount has to the sum of all current child support obligations. Thereafter, delinquencies shall be satisfied using the same pro rata distribution procedure used for distributing current support, up to the applicable limitation. If concurrently running wage withholding processes for the collection of support obligations would cause the amounts withheld from the wages of the obligor to exceed applicable wage withholding limitations and does not include a wage withholding from another state pursuant to section 454.932, the employer shall withhold and pay to the payment center an amount equal to the wage withholding limitations. The payment center shall first satisfy current support obligations by dividing the amount available to be withheld among the orders on a pro rata basis using the percentages derived from the relationship each current support order amount has to the sum of all current child support obligations. Thereafter, arrearages shall be satisfied using the same pro rata distribution procedure used for distributing current support, up to the applicable limitation.

13. The remedy provided by this section applies to child support and maintenance orders entered prior to August 13, 1986, notwithstanding the absence of the notice to the obligor provided for in subsection 1 of this section, provided that prior notice from the circuit clerk to the obligor in the manner prescribed in subsection 5 of section 452.345 is given.

14. Notwithstanding any provisions of this section to the contrary, in a case in which support rights have been assigned to the state or in which the **family support** division [of child support enforcement] is providing support enforcement services pursuant to section 454.425, the director of the **family support** division [of child support enforcement] may amend or terminate a withholding order issued pursuant to this section, as provided in this subsection without further action of the court. The director may amend or terminate a withholding order and issue an administrative withholding order pursuant to section 454.505 when the director determines that children for whom the support order applies are no longer entitled to support pursuant to section 452.340, when the support obligation otherwise ends and all arrearages are paid, when the support obligation is modified pursuant to section 454.500, or when the director enters an order that is approved by the court pursuant to section 454.496. The director shall notify the employer and the circuit clerk of such amendment or termination. The director's administrative withholding order or withholding termination order shall preempt and supersede any previous judicial withholding order issued pursuant to this or any other section.

15. For the purpose of this section, "income" means any periodic form of payment due to an individual, regardless of source, including wages, salaries, commissions, bonuses, workers' compensation benefits, disability benefits, payments pursuant to a pension or a retirement program and interest.

16. If the secretary of the Department of Health and Human Services promulgates a final standard format for an employer income withholding notice, the court shall use or require the use of such notice.

452.370. 1. Except as otherwise provided in subsection 6 of section 452.325, the provisions of any judgment respecting maintenance or support may be modified only upon a showing of changed circumstances so substantial and continuing as to make the terms unreasonable. In a proceeding for modification of any child support or maintenance judgment, the court, in determining whether or not a substantial change in circumstances has occurred, shall consider all financial resources of both parties, including the extent to which the reasonable expenses of either party are, or should be, shared by a spouse or other person with whom he or she cohabits, and the earning capacity of a party who is not employed. If the application of the child support guidelines and criteria set forth in section 452.340 and applicable supreme court rules to the financial circumstances of the parties would result in a change of child support from the existing amount by twenty percent or more, a prima facie showing has been made of a change of circumstances so substantial and continuing as to make the present terms unreasonable, if the existing amount was based upon the presumed amount pursuant to the child support guidelines.

2. When the party seeking modification has met the burden of proof set forth in subsection 1 of this section, the child support shall be determined in conformity with criteria set forth in section 452.340 and applicable supreme court rules.

3. Unless otherwise agreed in writing or expressly provided in the judgment, the obligation to pay future statutory maintenance is terminated upon the death of either party or the remarriage of the party receiving maintenance.

4. Unless otherwise agreed in writing or expressly provided in the judgment, provisions for the support of a child are terminated by emancipation of the child. The parent entitled to receive child support shall have the duty to notify the parent obligated to pay support of the child's emancipation and failing to do so, the parent entitled to receive child support shall be liable to the parent obligated to pay support for child support paid following emancipation of a minor child, plus interest.

5. If a parent has made an assignment of support rights to the **family support** division [of family services] on behalf of the state as a condition of eligibility for benefits pursuant to the Temporary Assistance for Needy Families program and either party initiates a motion to modify the support obligation by reducing it, the state of Missouri shall be named as a party to the

30 proceeding. The state shall be served with a copy of the motion by sending it by certified mail
31 to the director of the **family support** division [of child support enforcement].

32 6. The court shall have continuing personal jurisdiction over both the obligee and the
33 obligor of a court order for child support or maintenance for the purpose of modifying such
34 order. Both obligee and obligor shall notify, in writing, the clerk of the court in which the
35 support or maintenance order was entered of any change of mailing address. If personal service
36 of the motion cannot be had in this state, the motion to modify and notice of hearing shall be
37 served outside the state as provided by supreme court rule 54.14. The order may be modified
38 only as to support or maintenance installments which accrued subsequent to the date of personal
39 service. For the purpose of 42 U.S.C. 666(a)(9)(C), the circuit clerk shall be considered the
40 "appropriate agent" to receive notice of the motion to modify for the obligee or the obligor, but
41 only in those instances in which personal service could not be had in this state.

42 7. If a responsive pleading raising the issues of custody or visitation is filed in response
43 to a motion to modify child support filed at the request of the **family support** division [of child
44 support enforcement] by a prosecuting attorney or circuit attorney or an attorney under contract
45 with the division, such responsive pleading shall be severed upon request.

46 8. Notwithstanding any provision of this section which requires a showing of substantial
47 and continuing change in circumstances, in a IV-D case filed pursuant to this section by the
48 **family support** division [of child support enforcement] as provided in section 454.400, the court
49 shall modify a support order in accordance with the guidelines and criteria set forth in supreme
50 court rule 88.01 and any regulations thereunder if the amount in the current order differs from
51 the amount which would be ordered in accordance with such guidelines or regulations.

452.416. 1. Notwithstanding any other provision of law to the contrary, whenever a
2 parent in emergency military service has a change in income due to such military service, such
3 change in income shall be considered a change in circumstances so substantial and continuing
4 as to make the terms of any order or judgment for child support or visitation unreasonable.

5 2. Upon receipt of a notarized letter from the commanding officer of a noncustodial
6 parent in emergency military service which contains the date of the commencement of
7 emergency military service and the compensation of the parent in emergency military service,
8 the director of the **family support** division [of child support enforcement] shall take appropriate
9 action to seek modification of the order or judgment of child support in accordance with the
10 guidelines and criteria set forth in section 452.340 and applicable supreme court rules. Such
11 notification to the director shall constitute an application for services under section 454.425.

12 3. Upon return from emergency military service the parent shall notify the director of the
13 **family support** division [of child support enforcement] who shall take appropriate action to seek
14 modification of the order or judgment of child support in accordance with the guidelines and

15 criteria set forth in section 452.340 and applicable supreme court rules. Such notification to the
16 director shall constitute an application for services under section 454.425.

17 4. As used in this section, the term "emergency military service" means that the parent
18 is a member of a reserve unit or National Guard unit which is called into active military duty for
19 a period of more than thirty days.

453.005. 1. The provisions of sections 453.005 to 453.400 shall be construed so as to
2 promote the best interests and welfare of the child in recognition of the entitlement of the child
3 to a permanent and stable home.

4 2. The **children's** division [of family services] and all persons involved in the adoptive
5 placement of children as provided in subdivisions (1), (2) and (4) of section 453.014 shall
6 provide for the diligent recruitment of potential adoptive homes that reflect the ethnic and racial
7 diversity of children in the state for whom adoptive homes are needed.

8 3. Placement of a child in an adoptive home may not be delayed or denied on the basis
9 of race, color or national origin.

453.014. 1. The following persons may place a minor for adoption:

2 (1) The **children's** division [of family services] of the department of social services;

3 (2) A child placing agency licensed pursuant to sections 210.481 to 210.536;

4 (3) The child's parents, without the direct or indirect assistance of an intermediary, in the
5 home of a relative of the child within the third degree;

6 (4) An intermediary, which shall include an attorney licensed pursuant to chapter 484;
7 a physician licensed pursuant to chapter 334; or a clergyman of the parents.

8 2. All persons granted the authority to place a minor child for adoption as designated in
9 subdivision (1), (2) or (4) of subsection 1 of this section shall comply with the rules and
10 regulations promulgated by the department of social services and the department of health and
11 senior services for such placement.

12 3. The **children's division of the** department of social services[, division of family
13 services] and the department of health and senior services shall promulgate rules and regulations
14 regarding the placement of a minor for adoption.

15 4. No rule or portion of a rule promulgated under the authority of this section shall
16 become effective unless it has been promulgated pursuant to the provisions of section 536.024.

453.015. As used in sections 453.010 to 453.400, the following terms mean:

2 (1) "Minor" or "child", any person who has not attained the age of eighteen years or any
3 person in the custody of the **children's** division [of family services] who has not attained the age
4 of twenty-one;

5 (2) "Parent", a birth parent or parents of a child, including the putative father of the child,
6 as well as the husband of a birth mother at the time the child was conceived, or a parent or

7 parents of a child by adoption. The putative father shall have no legal relationship unless he has
8 acknowledged the child as his own by affirmatively asserting his paternity;

9 (3) "Putative father", the alleged or presumed father of a child including a person who
10 has filed a notice of intent to claim paternity with the putative father registry established in
11 section 192.016 and a person who has filed a voluntary acknowledgment of paternity pursuant
12 to section 193.087; and

13 (4) "Stepparent", the spouse of a biological or adoptive parent. The term does not
14 include the state if the child is a ward of the state. The term does not include a person whose
15 parental rights have been terminated.

453.026. 1. As early as is practical before a prospective adoptive parent accepts physical
2 custody of a child, the person placing the child for adoption, as authorized by section 453.014,
3 shall furnish to the court, the guardian ad litem and the prospective adoptive parent a written
4 report regarding the child.

5 2. The person placing the child shall not be held liable for incorrect information as
6 provided by others or unintentional errors when making the written report.

7 3. The **children's division of the** department of social services[, division of family
8 services] shall promulgate rules and regulations regarding all written information that shall be
9 furnished to the court, the guardian ad litem and the prospective adoptive parent.

10 4. No rule or portion of a rule promulgated under the authority of this section shall
11 become effective unless it has been promulgated pursuant to the provisions of section 536.024.

453.065. As used in sections 453.065 to 453.074, the following words and terms shall
2 have the meanings indicated:

3 (1) "Child", a person within the state who is under the age of eighteen or in the custody
4 of the **children's** division [of family services] who is in need of medical, dental, educational,
5 mental or other related health services and treatment, as defined in this section, or who belongs
6 to a racial or ethnic minority, who is five years of age or older, or who is a member of a sibling
7 group, and for whom an adoptive home is not readily available. If the physical, dental or mental
8 condition of the child requires care after the age of eighteen, payment can be continued with the
9 approval of the **children's** division [of family services] of the department of social services and
10 subject to annual review;

11 (2) "Diminishing allotment", a monthly payment which periodically diminishes over a
12 period of not longer than four years at which time it ceases;

13 (3) "Long term subsidy", a continuous monthly payment toward the child's care for a
14 period of more than four years;

15 (4) "Special services", an allotment to a child who is in need of medical, dental,
16 educational, mental health or other related health services and treatment, including treatment for

17 physical handicap, intellectual impairment, developmental disability, mental or emotional
18 disturbance, social maladjustment;

19 (5) "Time limited subsidy", a monthly allotment which is continued for a limited time
20 after legal adoption, not exceeding four years. This compensation is to aid the family in
21 integrating the care of the new child in their home.

453.070. 1. Except as provided in subsection 5 of this section, no decree for the
2 adoption of a child under eighteen years of age shall be entered for the petitioner or petitioners
3 in such adoption as ordered by the juvenile court having jurisdiction, until a full investigation,
4 which includes an assessment of the adoptive parents, an appropriate postplacement assessment
5 and a summary of written reports as provided for in section 453.026, and any other pertinent
6 information relevant to whether the child is suitable for adoption by the petitioner and whether
7 the petitioner is suitable as a parent for the child, has been made. The report shall also include
8 a statement to the effect that the child has been considered as a potential subsidy recipient.

9 2. Such investigation shall be made, as directed by the court having jurisdiction, either
10 by the **children's** division [of family services] of the state department of social services, a
11 juvenile court officer, a licensed child-placement agency, a social worker licensed pursuant to
12 chapter 337, or other suitable person appointed by the court. The results of such investigation
13 shall be embodied in a written report that shall be submitted to the court within ninety days of
14 the request for the investigation.

15 3. The **children's division of the** department of social services[, division of family
16 services,] shall develop rules and regulations regarding the content of the assessment of the
17 petitioner or petitioners. The content of the assessment shall include but not be limited to, a
18 report on the condition of the petitioner's home and information on the petitioner's education,
19 financial, marital, medical and psychological status and criminal background check. If an
20 assessment is conducted after August 28, 1997, but prior to the promulgation of rules and
21 regulations by the department concerning the contents of such assessment, any discrepancy
22 between the contents of the actual assessment and the contents of the assessment required by
23 department rule shall not be used as the sole basis for invalidating an adoption. No rule or
24 portion of a rule promulgated pursuant to the authority of this section shall become effective
25 unless it has been promulgated pursuant to the provisions of chapter 536.

26 4. The assessment of petitioner or petitioners shall be submitted to the petitioner and to
27 the court prior to the scheduled hearing of the adoptive petition.

28 5. In cases where the adoption or custody involves a child under eighteen years of age
29 that is the natural child of one of the petitioners and where all of the parents required by this
30 chapter to give consent to the adoption or transfer of custody have given such consent, the
31 juvenile court may waive the investigation and report, except the criminal background check, and

32 enter the decree for the adoption or order the transfer of custody without such investigation and
33 report.

34 6. In the case of an investigation and report made by the **children's** division [of family
35 services] by order of the court, the court may order the payment of a reasonable fee by the
36 petitioner to cover the costs of the investigation and report.

37 7. Any adult person or persons over the age of eighteen, who, as foster parent or parents,
38 have cared for a foster child continuously for a period of nine months or more and bonding has
39 occurred as evidenced by the positive emotional and physical interaction between the foster
40 parent and child, may apply to such authorized agency for the placement of such child with them
41 for the purpose of adoption if the child is eligible for adoption. The agency and court shall give
42 preference and first consideration for adoptive placements to foster parents. However, the final
43 determination of the propriety of the adoption of such foster child shall be within the sole
44 discretion of the court.

45 8. (1) Nothing in this section shall be construed to permit discrimination on the basis
46 of disability or disease of a prospective adoptive parent.

47 (2) The disability or disease of a prospective adoptive parent shall not constitute a basis
48 for a determination that the petitioner is unfit or not suitable to be an adoptive parent without a
49 specific showing that there is a causal relationship between the disability or disease and a
50 substantial and significant risk of harm to a child.

453.074. 1. The **children's** division [of family services] shall have the following duties
2 in the administration of the subsidy program:

3 (1) Notify all petitioners for adoption of the availability of subsidies for a child;

4 (2) Provide all petitioners for adoption with the rules and eligibility requirements for
5 subsidies;

6 (3) Inform the parents of a child receiving a subsidy of reductions or other modifications
7 in the terms and conditions of the written agreement;

8 (4) Establish procedures for the resolution of disputes involving the delay, denial,
9 amount or type of subsidy;

10 (5) File an annual report to the legislature in the budget proposal on the adoption subsidy
11 program, including but not limited to, the number and types of subsidies being paid, an
12 accounting of state and federal funds expended, and a projection of future monetary needs to
13 maintain the subsidy program;

14 (6) Comply with all federal laws relating to adoption subsidies in order to maintain the
15 eligibility of the state of Missouri for federal funds.

16 2. The provisions of this section shall not apply to the adoption of a child by the spouse
17 of a biological parent or an adoptive parent.

453.077. 1. When a child has been placed with the petitioner for the required six-month placement period, the person conducting the preplacement assessment of the adoption or other persons authorized to conduct assessments pursuant to section 453.070 shall provide the court with a postplacement assessment. The specific content of which shall be determined by rule by the **children's division of the** department of social services[, division of family services]. The postplacement assessment shall include an update of the preplacement assessment which was submitted to the court pursuant to section 453.070, and a report on the emotional, physical and psychological status of the child. If an assessment is conducted after August 28, 1997, but prior to the promulgation of rules and regulations by the department concerning the contents of such assessment, any discrepancy between the contents of the actual assessment and the contents of the assessment required by department rule shall not be used as the sole basis for invalidating an adoption.

2. No rule or portion of a rule promulgated pursuant to the authority of this section shall become effective unless it has been promulgated pursuant to the provisions of chapter 536.

453.102. 1. After an adoptive placement has been made, the **children's** division [of family services] or other child-placing agency shall inform the adoptive parents of postplacement services available to them and the child. Such services may include, aiding the family in contacting adoptive family support groups, providing family counseling, periodic visitation by the agency and any other resources or services that would assist the family and the child in adjusting to the adoption.

2. In the event that an adoptive placement or a final adoption is disrupted resulting in the removal of the child from the home of the adoptive parents, the **children's** division [of family services] or other child-placing agency shall assist the parents and the child by providing or arranging contact with support groups, counseling or any other service deemed necessary to aid the family and the child in adjusting to the removal.

453.110. 1. No person, agency, organization or institution shall surrender custody of a minor child, or transfer the custody of such a child to another, and no person, agency, organization or institution shall take possession or charge of a minor child so transferred, without first having filed a petition before the circuit court sitting as a juvenile court of the county where the child may be, praying that such surrender or transfer may be made, and having obtained such an order from such court approving or ordering transfer of custody.

2. If any such surrender or transfer is made without first obtaining such an order, such court shall, on petition of any public official or interested person, agency, organization or institution, order an investigation and report as described in section 453.070 to be completed by the **children's** division [of family services] and shall make such order as to the custody of such child in the best interest of such child.

12 3. Any person violating the terms of this section shall be guilty of a class D felony.

13 4. The investigation required by subsection 2 of this section shall be initiated by the
14 **children's** division [of family services] within forty-eight hours of the filing of the court order
15 requesting the investigation and report and shall be completed within thirty days. The court shall
16 order the person having custody in violation of the provisions of this section to pay the costs of
17 the investigation and report.

18 5. This section shall not be construed to prohibit any parent, agency, organization or
19 institution from placing a child with another individual for care if the right to supervise the care
20 of the child and to resume custody thereof is retained, or from placing a child with a licensed
21 foster home within the state through a child-placing agency licensed by this state as part of a
22 preadoption placement.

23 6. After the filing of a petition for the transfer of custody for the purpose of adoption,
24 the court may enter an order of transfer of custody if the court finds all of the following:

25 (1) A family assessment has been made as required in section 453.070 and has been
26 reviewed by the court;

27 (2) A recommendation has been made by the guardian ad litem;

28 (3) A petition for transfer of custody for adoption has been properly filed or an order
29 terminating parental rights has been properly filed;

30 (4) The financial affidavit has been filed as required under section 453.075;

31 (5) The written report regarding the child who is the subject of the petition containing
32 the information has been submitted as required by section 453.026;

33 (6) Compliance with the Indian Child Welfare Act, if applicable; and

34 (7) Compliance with the Interstate Compact on the Placement of Children pursuant to
35 section 210.620.

36 7. A hearing on the transfer of custody for the purpose of adoption is not required if:

37 (1) The conditions set forth in subsection 6 of this section are met;

38 (2) The parties agree and the court grants leave; and

39 (3) Parental rights have been terminated pursuant to section 211.444 or 211.447.

453.400. 1. A stepparent shall support his or her stepchild to the same extent that a
2 natural or adoptive parent is required to support his or her child so long as the stepchild is living
3 in the same home as the stepparent. However, nothing in this section shall be construed as
4 abrogating or in any way diminishing the duty a parent otherwise would have to provide child
5 support, and no court shall consider the income of a stepparent, or the amount actually provided
6 for a stepchild by a stepparent, in determining the amount of child support to be paid by a natural
7 or adoptive parent.

8 2. A natural or adoptive parent shall be liable to a stepparent for the sum of money
9 expended by a stepparent for the support of a stepchild when that sum of money was expended
10 because of the neglect or refusal of the natural or adoptive parent to pay any part of or all of the
11 court-ordered amount of support.

12 3. This section shall not abrogate or diminish the common law right which a stepparent
13 may possess to recover from a natural or adoptive parent the expense of providing necessities
14 for a stepchild in the absence of a court order for child support determining the amount of
15 support to be paid by a natural or adoptive parent.

16 4. This section shall not be construed as granting to a stepparent any right to the care and
17 custody of a stepchild or as granting a stepchild any right to inherit from a stepparent under the
18 general statutory laws governing descent and distribution.

19 5. This section shall apply without regard to whether public assistance is being provided
20 on behalf of the stepchild or stepchildren in question.

21 6. This section shall be construed to apply only to support obligations incurred on or
22 after July 1, 1977, notwithstanding that a marriage giving rise to the support obligation occurred
23 prior to July 1, 1977.

24 7. With respect to section 208.040, this section shall not be construed to render a child
25 ineligible for public assistance on the basis of the child's not being deprived of parental support,
26 but it shall be construed to permit the inclusion of the income of a stepparent in the
27 determination of eligibility for benefits and in the determination of the amount of the assistance
28 payment.

29 8. In the determination of eligibility for benefits and in the determination of the amount
30 of the assistance payment under section 208.150, that portion of the stepparent's income, as
31 defined by the **family support** division [of family services] in the administration of aid to
32 families with dependent children, shall be considered.

454.400. 1. There is established within the department of social services the "**Family**
2 **Support** Division [of Child Support Enforcement]" to administer the state plan for child support
3 enforcement. The duty pursuant to the state plan to litigate or prosecute support actions shall be
4 performed by the appropriate prosecuting attorney, or other attorney pursuant to a cooperative
5 agreement with the department. The department shall fully utilize existing IV-A staff of the
6 **family support** division [of child support enforcement] to perform child support enforcement
7 duties approved by the United States Department of Health and Human Services and consistent
8 with federal requirements as specified in P.L. 93-647 and 45 CFR, section 303.20.

9 2. In addition to the powers, duties and functions vested in the **family support** division
10 [of child support enforcement] by other provisions of this chapter or by other laws of this state,
11 the **family support** division [of child support enforcement] shall have the power:

- 12 (1) To sue and be sued;
- 13 (2) To make contracts and carry out the duties imposed upon it by this or any other law;
- 14 (3) To administer, disburse, dispose of and account for funds, commodities, equipment,
15 supplies or services, and any kind of property given, granted, loaned, advanced to or appropriated

21 state;
- 22 (6) To cooperate with the United States government in matters of mutual concern
23 pertaining to any duties wherein the **family support** division [of child support enforcement] is
24 acting as a state agency, including the adoption of such methods of administration as are found
25 by the United States government to be necessary for the efficient operation of the state plan
26 hereunder;
- 27 (7) To make such reports in such form and containing such information as the United
28 States government may, from time to time, require, and comply with such provisions as the
29 United States government may, from time to time, find necessary to assure the correctness and
30 verification of such reports;
- 31 (8) To appoint, when and if it may deem necessary, advisory committees to provide
32 professional or technical consultation in respect to child support enforcement problems and
33 program administration. The members of such advisory committees shall receive no

35 official duties. The number of members of each such advisory committee shall be determined
36 by the **family support** division [of child support enforcement], and such advisory committees

48 (12) To accept gifts and grants of any property, real or personal, and to sell such property
49 and expend such gifts or grants not inconsistent with the administration of the state plan for child
50 support enforcement and within the limitations of the donor thereof;

51 (13) To review every three years or such shorter cycle as the division may establish, upon
52 the request of the obligee, the obligor or if there is an assignment under Part A of the federal
53 Social Security Act, upon the request of the division, obligee or obligor taking into account the
54 best interest of the child, the adequacy of child support orders in IV-D cases to determine
55 whether modification is appropriate pursuant to the guidelines established by supreme court rule
56 88.01, to establish rules pursuant to chapter 536, to define the procedure and frequency of such
57 reviews, and to initiate proceedings for modification where such reviews determine that a
58 modification is appropriate. This subdivision shall not be construed to require the division or
59 its designees to represent the interests of an absent parent against the interests of a custodial
60 parent or the state;

61 (14) To provide services relating to the establishment of paternity and the establishment,
62 modification and enforcement of child support obligations.

63 The division shall provide such services:

64 (a) Unless, as provided in this chapter, good cause or other exception exists, to each
65 child for whom:

66 a. Assistance is provided under the state program funded under Part IV-A of the Social
67 Security Act;

68 b. Benefits or services for foster care maintenance are provided under the state program
69 funded under Part IV-E of the Social Security Act; or

70 c. Medical assistance is provided under the state plan approved under Title XIX of the
71 Social Security Act; and

72 (b) To any other child, if an individual applies for such services with respect to such
73 child;

74 (15) To enforce support obligations established with respect to:

75 (a) A child for whom the state provides services under the state plan for child support;

76 or

77 (b) The custodial parent of a child;

78 (16) To enforce support orders against the parents of the noncustodial parent, jointly and
79 severally, in cases where such parents have a minor child who is the parent and the custodial
80 parent is receiving assistance under the state program funded under Part A of Title IV of the
81 Social Security Act; and

82 (17) To prevent a child support debtor from fraudulently transferring property to avoid
83 payment of child support. If the division has knowledge of such transfer, the division shall:

84 (a) Seek to void such transfer; or

85 (b) Obtain a settlement in the best interest of the child support creditor.

86 3. No rule or portion of a rule promulgated pursuant to the authority of this chapter shall
87 become effective unless it has been promulgated pursuant to the provisions of section 536.024.

454.403. Notwithstanding any other provision of law to the contrary, applicants for a
2 professional, occupational or recreational license not coming under the purview of the division
3 of professional registration shall be required by the appropriate licensing authority to provide the
4 applicant's Social Security number on any application for a license, permit or certificate, or any
5 renewal of a license, permit or certificate. The **family support** division [of child support
6 enforcement] is authorized to coordinate with and assist with such licensing authorities to
7 develop procedures to implement this requirement.

454.405. 1. Each county shall cooperate with the **family support** division [of child
2 support enforcement] in the the enforcement of support obligations under the state plan by
3 appropriating a sufficient sum of money for the offices of the prosecuting attorney or, by entering
4 into a multiple county agreement to share the costs of enforcement of support obligations and
5 appropriating sufficient funds for such enforcement, and by appropriating to the circuit clerk a
6 sufficient sum to enable those offices to perform any duty imposed under this law or any other
7 law with respect to the enforcement of support obligations or to the transmittal of support
8 moneys to the **family support** division [of child support enforcement] for deposit in the state
9 treasury to the credit of the child support enforcement fund.

10 2. The **family support** division [of child support enforcement] shall enter into
11 cooperative agreements with city or county governing bodies or officers, including, but not
12 necessarily limited to, circuit courts, circuit clerks and prosecuting attorneys who choose to enter
13 into a cooperative agreement, except that the director of the **family support** division [of child
14 support enforcement] may, not less than sixty days prior to the expiration date of an existing
15 cooperative agreement, notify a city or county governing body or officer that the division will
16 not enter into a cooperative agreement because the city or county governing body or officer failed
17 to comply with the terms of the existing cooperative agreement, or with rules established by the
18 division pursuant to subsection 4 of this section. The notice shall be in writing and shall set forth
19 the reason for not entering into a new cooperative agreement. The notice shall be sent by
20 certified mail, return receipt requested, to all city or county signatories of the existing
21 cooperative agreement. Within thirty days of receipt of the notice, the city or county governing
22 body or officer may submit to the director of the **family support** division [of child support
23 enforcement] objections to the findings of the director, or a proposed plan to bring the city,
24 county or officer into compliance. The director shall respond to the objections or the proposed
25 plan prior to the expiration date of the existing cooperative agreement.

26 3. The cooperative agreements to be executed shall provide, as a minimum, for the
27 following:

28 (1) For the governing body of the city or county to hire such additional stenographic,
29 secretarial and administrative assistants as may be required to administer the child support
30 enforcement program within that jurisdiction or, if the city or county is a participant in a multiple
31 county agreement, to participate in the cost of the additional staff;

32 (2) For the city or county, upon recommendation of the prosecuting attorney, to hire such
33 additional assistant prosecuting attorneys as may be required to administer the child support
34 enforcement program within that jurisdiction or, if the city or county is a participant in a multiple
35 county agreement, to participate in the cost of attorneys retained for that purpose;

36 (3) For the city or county to furnish office space and other administrative requirements
37 for the proper administration of the child support enforcement program within that jurisdiction
38 or, if the city or county is a participant in a multiple county agreement, to participate in the cost
39 of the office space and other administrative requirements;

40 (4) For the reimbursement by the state from moneys received from the federal
41 government of reasonable and necessary costs, as determined by the director of the **family**
42 **support** division [of child support enforcement], associated with enforcement of support
43 obligations by the county or city or, if applicable, the multiple county unit, at the applicable rate,
44 to be paid at least monthly if properly authenticated vouchers are submitted by the city or county.
45 Payments shall be made no later than thirty days from the date of submission of the vouchers;

46 (5) For the city or county or, if applicable, the multiple county unit, to maintain financial
47 and performance records required by federal regulation to be available for inspection by
48 representatives of the department of social services, the state auditor, or the United States
49 Department of Health and Human Services; and

50 (6) For the payment of incentive payments by the state from moneys received from the
51 federal government as provided by the Social Security Act and federal and state regulations
52 promulgated thereunder. The **family support** division [of child support enforcement] shall
53 calculate and promptly pay to the city or county a basic incentive payment not less than the
54 minimum incentive payment rate established by 45 CFR 303.52; provided, however, that the
55 total amount paid as incentives for non-AFDC collections shall not exceed the total amount paid
56 as incentives for AFDC collections, unless otherwise agreed upon in the cooperative agreement
57 between the state and county or city. Incentive payments by the state to the counties shall not
58 occur for any period during which the state does not receive incentive payments from the federal
59 government.

60 4. The **family support** division [of child support enforcement] shall have the authority
61 to promulgate rules pursuant to this section, section 454.400 and chapter 536 in order to establish

62 criteria for record keeping and performance relating to the effective administration of the child
63 support enforcement program, which shall apply to a city or county office or officer, or multiple
64 county unit, with whom a cooperative agreement is entered. The division may cancel a
65 cooperative agreement with a city or county office if the office fails to comply with the rules
66 established under this subsection, or fails to comply with the terms of the cooperative agreement.
67 The division director shall notify the city or county governing body or officer in writing, setting
68 forth the reason for the cancellation. Notice of cancellation shall be sent by certified mail, return
69 receipt requested, to all city or county signatories of the cooperative agreement, and shall be
70 mailed at least sixty days prior to the effective date of cancellation. Within thirty days of receipt
71 of the notice, the city or county governing body or officer may submit to the director of the
72 **family support** division [of child support enforcement] objections to the findings of the director,
73 or a proposed plan to bring the city, county or officer into compliance with the cooperative
74 agreement or rules established under this subsection. The director shall respond to the objections
75 or proposed plan prior to the effective date of cancellation.

76 5. At any time after the director determines not to enter into a cooperative agreement
77 under subsection 2 of this section or cancels a cooperative agreement under subsection 4 of this
78 section, the city or county governing body or officer may request that a new cooperative
79 agreement be negotiated. At the time of the request, the city or county governing body or officer
80 shall submit a proposed plan for compliance with a cooperative agreement or with rules
81 established under this section. After the request and submission of the proposed plan, the
82 director may enter into a cooperative agreement with the city or county governing body or
83 officer. The cooperative agreement shall contain the provisions set out in subsection 3 of this
84 section.

85 6. The limitations set out in chapter 56 regarding the salaries and the number of assistant
86 prosecuting attorneys and the stenographic or administrative personnel shall not apply, and the
87 county or city governing body shall appropriate sufficient funds to compensate such additional
88 staff or multiple county unit for implementing the provisions of the child support enforcement
89 program.

90 7. With the approval of the city or county governing body and the director of the **family**
91 **support** division [of child support enforcement], and for the purpose of investigating the child
92 support cases, the prosecuting attorney, circuit attorney or multiple county unit may employ
93 sufficient investigators to properly administer the provisions of the child support enforcement
94 program.

454.408. The **family support** division [of child support enforcement]:

- 2 (1) Shall determine whether a person who has applied for or is receiving assistance from
- 3 a program funded pursuant to Part A or Part E of Title IV of the Social Security Act, Title XIX

4 of the Social Security Act or the Food Stamp Act is cooperating in good faith with the division
5 in establishing the paternity of, or in establishing, modifying or enforcing a support order for any
6 child of such person by providing the division with the name of the noncustodial parent or any
7 other information the division may require. The division may, by regulation, excuse compliance
8 with the provisions of this subsection on a case-by-case basis for good cause or other exceptions
9 as the division may deem to be in the best interest of the child;

10 (2) Shall require as a condition of cooperation that such person supply additional
11 information deemed necessary by the division and appear at any interviews, hearings or legal
12 proceedings;

13 (3) Shall require as a condition of cooperation that such person and such person's child
14 submit to genetic testing pursuant to a judicial or administrative order;

15 (4) May request that such person sign a voluntary acknowledgment of paternity, after
16 notice of the rights and consequences of such an acknowledgment, but may not require such
17 person to sign an acknowledgment or otherwise relinquish the right to a genetic test as a
18 condition of cooperation and eligibility for assistance from a state program funded pursuant to
19 Part A or Part E of Title IV of the Social Security Act, Title XIX of the Social Security Act or
20 the Food Stamp Act; and

21 (5) Shall promptly notify such person, the **appropriate division or unit of the family**
22 **support** division [of family services] or the **MO HealthNet** division [of medical services] of
23 every determination made pursuant to this section, including a determination that such person
24 is not cooperative and the basis for such determination.

454.415. 1. For the purposes of this section, the term "IV-A agency" shall mean:

2 (1) An agency that has been designated by a state to administer programs pursuant to
3 Title IV-A of the Social Security Act;

4 (2) An agency that has been designated by a state to administer programs pursuant to
5 Title IV-D of the Social Security Act; or

6 (3) Any other entity entitled to receive and disburse child support payments in that state.

7 2. When a court has ordered support payments to a person who has made an assignment
8 of support rights to the **family support** division [of family services] or the IV-A agency of
9 another state on behalf of this or such other state, the **family support** division [of child support
10 enforcement] shall notify the court.

11 (1) Until October 1, 1999, upon such notice, the court shall order all support payments
12 to be made to the clerk of the court as trustee for the division of family services or the other
13 state's IV-A agency, whichever is appropriate, as assignee of the support rights. The clerk shall
14 forward all support payments to the department of social services, which payments have been
15 identified by the department for deposit in the appropriate fund within the state treasury when

16 assignments have been made to the division of family services. The clerk shall forward support
17 payments to the other state's IV-D agency when assignments have been made to that state's IV-A
18 agency. Notification to the court by the division of child support enforcement of the assignment
19 of support rights shall, in and of itself, authorize the court to make the clerk trustee,
20 notwithstanding any provision of any existing court order, statute, or other law to the contrary,
21 and the court need not hold a hearing on the matter. The amount of the obligation owed to this
22 state or the other state's IV-A agency shall be the amount specified in a court order which covers
23 the assigned rights. The clerk shall keep an accurate record of such orders and such payments
24 and shall note such assignment in the case file in such a manner as to make the fact of the
25 assignment easily discernible.

26 (2) Effective October 1, 1999, support payments are to be made to the payment center
27 pursuant to section 454.530 as trustee for the **family support** division [of family services] or
28 other state's IV-A agency, whichever is appropriate, as assignee of the support rights. The
29 payment center shall forward all support payments to the state, which payments have been
30 identified by the **family support** division [of child support enforcement] for deposit in the
31 appropriate fund within the state treasury when assignments have been made to the **family**
32 **support** division [of family services]. The payment center shall forward support payments to
33 the other state's IV-D agency when assignments have been made to that state's IV-A agency.
34 Notification to the court by the **family support** division [of child support enforcement] of the
35 assignment of support rights shall, in and of itself, make the payment center trustee,
36 notwithstanding any provision of any existing court order or state law to the contrary, and the
37 court shall not be required to hold a hearing on the matter. The amount of the obligation owed
38 to this state or the other state's IV-A agency shall be the amount specified in a court order which
39 covers the assigned rights. The payment center shall keep an accurate record of such orders and
40 payments.

41 3. (1) Upon termination of the assignment for any case in which payments are not to be
42 made to the payment center pursuant to section 454.530, the clerk of the court shall continue as
43 trustee for the **family support** division [of family services] or the other state's IV-A agency for
44 any accrued unpaid support at the time of the termination and as trustee for the obligee for any
45 support becoming due after the termination. If there has been an assignment to the **family**
46 **support** division [of family services] and there is no current assignment to another state's IV-A
47 agency, the clerk of the court shall forward to the obligee all payments for support accruing
48 subsequent to the termination and shall forward to the department of social services all payments
49 for support which had accrued and were unpaid at the time of the termination. If there has been
50 an assignment to another state's IV-A agency and there is no current assignment to the **family**
51 **support** division [of family services], the clerk of the court shall continue to forward to that

52 state's IV-D agency all payments for support accruing subsequent to the termination of the
53 assignment as well as all payments for support which had accrued and were unpaid at the time
54 of the termination. When there has been an assignment to the **family support** division [of family
55 services], the clerk of the court shall apply payments first to support which has accrued
56 subsequent to the termination, to the extent thereof, and then to support which accrued prior to
57 termination, except such payments collected by the **family support** division [of child support
58 enforcement] through debt setoff or legal process shall be forwarded to the department of social
59 services, unless the department of social services directs otherwise. After termination of the
60 assignment, the trusteeship may be dissolved upon motion of a party after notice and hearing on
61 behalf of all parties to the proceeding or pursuant to subsections 3 to 7 of section 454.430. Prior
62 to termination of the assignment, no motion may be filed, nor maintained, for the purpose of
63 terminating or abating any trusteeship in favor of the **family support** division [of family
64 services] or another state's IV-A agency.

65 (2) Effective October 1, 1999, upon termination of the assignment for any case in which
66 payments are to be made to the payment center pursuant to section 454.530, the payment center
67 shall continue as trustee for the **family support** division [of family services] or the other state's
68 IV-A agency for any accrued unpaid support at the time of the termination and as trustee for the
69 obligee for any support coming due after the termination. If there has been an assignment to the
70 **family support** division [of family services] and there is no current assignment to another state's
71 IV-A agency, the payment center shall forward to the obligee all payments for support which
72 accrue after the termination and shall forward to the **family support** division [of child support
73 enforcement] all payments for support which had accrued and were unpaid at the time of
74 termination. If there has been an assignment to another state's IV-A agency and there is no
75 current assignment to the **family support** division [of family services], the payment center shall
76 continue to forward to that state's IV-D agency all payments for support which accrue after the
77 termination of the assignment as well as all payments for support which had accrued and were
78 unpaid at the time of termination. If there has been an assignment to the **family support** division
79 [of family services], the payment center shall apply payments first to support which accrues after
80 the termination, to the extent thereof, and then to support which accrued prior to termination;
81 except that such payments collected by the **family support** division [of child support
82 enforcement] through debt setoff or legal process shall be forwarded to the **family support**
83 division [of child support enforcement], unless the division directs otherwise. After termination
84 of the assignment, the trusteeship may be dissolved upon motion of a party after notice and
85 hearing on behalf of all parties to the proceeding or pursuant to subsections 3 to 7 of section
86 454.430. Prior to termination of the assignment, no motion shall be filed or maintained for the

87 purpose of terminating or abating any trusteeship in favor of the **family support** division [of
88 family services] or another state's IV-A agency.

89 4. For purposes of this section, "assignment" includes an assignment to the state by a
90 person who has applied or is receiving assistance under a program funded pursuant to Part A of
91 Title IV or Title XIX of the Social Security Act.

454.420. Any legal action necessary to establish or enforce support obligations owed to
2 the state shall be brought by prosecuting attorneys, or other attorneys under cooperative
3 agreement with the **family support** division [of child support enforcement], upon being
4 furnished notice by the division of such obligation. If the amount of the support obligation owed
5 to the state has not been determined because no court order exists, the **family support** division
6 [of child support enforcement] may refer the case to the appropriate prosecuting attorney, or
7 other attorney under cooperative agreement with the division, for establishment and enforcement
8 of a support order or order for reimbursement. When a recipient is no longer eligible for aid to
9 families with dependent children benefits, the assignment shall terminate, unless the recipient
10 and the **family support** division [of child support enforcement] agree otherwise, except for those
11 unpaid support obligations still owing to the state under the assignment at the time of the
12 discontinuance of aid. Upon referral from the **family support** division [of child support
13 enforcement], such unpaid obligations shall be collected by the prosecuting attorney, or other
14 attorney under cooperative agreement with the division, up to the amount of unreimbursed aid
15 paid by the **family support** division [of family services] prior to or after execution of the
16 assignment of support rights. Moneys collected pursuant to this section shall be paid to the
17 department of social services for deposit in the child support enforcement fund in the state
18 treasury.

454.425. The **family support** division [of child support enforcement] shall render child
2 support services authorized pursuant to this chapter to persons who are not recipients of public
3 assistance as well as to such recipients. Services may be provided to children, custodial parents,
4 noncustodial parents and other persons entitled to receive support. An application may be
5 required by the division for services and fees may be charged by the division pursuant to 42
6 U.S.C. Section 654 and federal regulations. Services provided under a state plan shall be made
7 available to residents of other states on the same terms as residents of this state. If a family
8 receiving services ceases to receive assistance under a state program funded under Part A of Title
9 IV of the Social Security Act, the division shall provide appropriate notice to such family, and
10 services shall continue under the same terms and conditions as that provided to other individuals
11 under the state plan, except that an application for continued services shall not be required and
12 the requirement for payment of fees shall not apply to the family.

454.430. 1. For the purposes of this section, the term "IV-D agency" means an agency
2 that has been designated by a state to administer programs pursuant to Title IV-D of the Social
3 Security Act or any other entity entitled to receive and disburse child support payments in that
4 state.

5 2. When a court has ordered support payments to a person who is receiving child support
6 services pursuant to section 454.425, or pursuant to application for IV-D agency services in
7 another state, the **family support** division [of child support enforcement] shall so notify the
8 court. Until October 1, 1999, upon such notice the court shall order all support payments to be
9 made to the clerk of the court as trustee for such person. The notification to the court by the
10 division shall, in and of itself, authorize the court to make the clerk trustee, notwithstanding any
11 provision of any existing court order, statute, or other law to the contrary, and the court need not
12 hold a hearing on the matter. The clerk shall keep an accurate record of such orders and such
13 payments, and shall report all such collections to the division in the manner specified by the
14 division. The circuit clerk shall forward all such payments to the person receiving child support
15 services pursuant to section 454.425, or to the IV-D agency in the state in which the person is
16 currently receiving IV-D services, as appropriate. Effective October 1, 1999, upon notice by the
17 division, all support payments shall be made to the payment center pursuant to section 454.530
18 as trustee for such person. The notification by the division shall, in and of itself, authorize the
19 payment center pursuant to section 454.530 to be trustee, notwithstanding any provision of any
20 existing court order or state law to the contrary, and the court shall not be required to hold a
21 hearing on the matter. The payment center shall keep an accurate record of such orders and
22 payments, and shall report all such collections to the division in a manner specified by the
23 division. The payment center shall forward all such payments to the person receiving child
24 support services pursuant to section 454.425 or to the IV-D agency in the state in which the
25 person is currently receiving IV-D services, as appropriate.

26 3. The division is authorized to terminate trusteeship responsibilities for future support
27 in IV-D cases pursuant to the procedures set forth in this section. If the division determines that
28 the order no longer provides a continuing obligation for support or the custodial party is no
29 longer receiving child support enforcement services, the division shall send a notice of its intent
30 to terminate the trusteeship by regular mail to the custodial and noncustodial parties. The notice
31 shall advise each party that unless written objection is received by the division within fifteen
32 days of the date the notice is sent, the trusteeship for current support shall be terminated. Unless
33 a party objects to the termination of the trusteeship in writing within the specified period, the
34 division shall terminate the trusteeship for current support.

35 4. If an objection is filed by either party to the case, the trusteeship may be terminated
36 for future support only upon the filing of a motion with the court in which the trusteeship is
37 established and after notice to all parties and hearing on the motion.

38 5. If the requirements of subsection 3 of this section have been met, the trusteeship
39 responsibilities for future support shall terminate. The trusteeship shall remain in effect only to
40 the extent that payments are made to satisfy any accrued unpaid support that was due as of the
41 date of the notice. The notice shall, in and of itself, terminate the trusteeship responsibilities for
42 future support, and the court need not hold a hearing on the matter.

43 6. Any party whose trusteeship is terminated pursuant to this section may reopen a
44 trusteeship pursuant to section 452.345.

45 7. Termination of a trusteeship pursuant to this section shall not, in and of itself,
46 constitute a judicial determination as to the rights of a party to receive support or the obligation
47 of a party to pay support pursuant to a support order entered in the case.

 454.432. 1. The circuit clerk in a case that is not a IV-D case or the division in a IV-D
2 case shall record credits on the automated child support system records established pursuant to
3 this chapter or chapter 452 for amounts not received by the clerk or the division.

4 2. Credits allowed pursuant to this section shall include, but not be limited to, in-kind
5 payments as provided in this section, amounts collected from an obligor from federal and state
6 income tax refunds, state lottery payments, Social Security payments, unemployment and
7 workers' compensation benefits, income withholdings authorized by law, liens, garnishment
8 actions, abatements pursuant to section 452.340, and any other amounts required to be credited
9 by statute or case law.

10 3. Credits shall be recorded on the trusteeship record for payments received by the
11 **family support** division [of child support enforcement] and, at the discretion of the **family**
12 **support** division [of child support enforcement], and upon receipt of waivers requested pursuant
13 to subsection 4 of this section, credits may be given on state debt judgments obtained pursuant
14 to subsection 1 of section 454.465 for completion of such activities as job training and education,
15 if mutually agreed upon by the division and the obligor. The circuit clerk shall make such credits
16 upon receipt of paper or electronic notification of the amount of the credit from the division. The
17 division may record the credit or adjust the records to reflect payments and disbursements shown
18 on the trusteeship record when the trusteeship record is contained or maintained in the automated
19 child support system established in this chapter.

20 4. The director of the department of social services shall apply to the United States
21 Secretary of Health and Human Services for all waivers of requirements pursuant to federal law
22 necessary to implement the provisions of subsection 3 of this section.

23 5. Credits shall be entered on the automated child support system for direct and in-kind
24 payments received by the custodial parent when the custodial parent files an affidavit stating the
25 particulars of the direct and in-kind payments to be credited on the court record with the circuit
26 clerk; however, no such credits shall be entered for periods during which child support payments
27 are assigned to the state pursuant to law. Such credits may include, but shall not be limited to,
28 partial and complete satisfaction of judgment for support arrearages.

29 6. Nothing contained in this section shall prohibit satisfaction of judgment as provided
30 for in sections 511.570 to 511.620 and by supreme court rule.

31 7. Application for the federal earned income tax credit shall, when applicable, be
32 required as a condition of participating in the alternative child support credit programs of
33 subsection 3 of this section.

 454.433. 1. When a tribunal of another state as defined in section 454.850 has ordered
2 support payments to a person who has made an assignment of child support rights to the **family**
3 **support** division [of family services] or who is receiving child support services pursuant to
4 section 454.425, the **family support** division [of child support enforcement] may notify the court
5 of this state in the county in which the obligor, obligee or the child resides or works. Until
6 October 1, 1999, upon such notice the circuit clerk shall accept all support payments and remit
7 such payments to the person or entity entitled to receive the payments. Effective October 1,
8 1999, the division shall order the payment center to accept all support payments and remit such
9 payments to the person or entity entitled to receive the payments.

10 2. Notwithstanding any provision of law to the contrary, the notification to the court by
11 the division shall authorize the court to make the clerk trustee. The clerk shall keep an accurate
12 record of such payments and shall report all collections to the division in the manner specified
13 by the division. Effective October 1, 1999, the duties of the clerk as trustee pursuant to this
14 section shall terminate and all payments shall be made to the payment center pursuant to section
15 454.530.

 454.435. 1. Each prosecuting attorney may enter into a cooperative agreement or may
2 enter into a multiple county agreement to litigate or prosecute any action necessary to secure
3 support for any person referred to such office by the **family support** division [of child support
4 enforcement] including, but not limited to, reciprocal actions under this chapter, actions to
5 establish, modify and enforce support obligations, actions to enforce medical support obligations
6 ordered in conjunction with a child support obligation, actions to obtain reimbursement for the
7 cost of medical care provided by the state for which an obligor is liable under subsection 9 of
8 section 208.215, and actions to establish the paternity of a child for whom support is sought. In
9 all cases where a prosecuting attorney seeks the establishment or modification of a support
10 obligation, the prosecuting attorney shall, in addition to periodic monetary support, seek and

11 enforce orders from the court directing the obligated parent to maintain medical insurance on
12 behalf of the child for whom support is sought, which insurance shall, in the opinion of the court,
13 be sufficient to provide adequate medical coverage; or to otherwise provide for such child's
14 necessary medical expenses.

15 2. In all cases where a prosecuting attorney has entered into a cooperative agreement to
16 litigate or prosecute an action necessary to secure child support, and an information is not filed
17 or civil action commenced within sixty days of the receipt of the referral from the division, the
18 division may demand return of the referral and the case filed and the prosecuting attorney shall
19 return the referral and the case file. The division may then use any other attorney which it
20 employs or with whom it has a cooperative agreement to establish or enforce the support
21 obligation.

22 3. As used in this section, the term "prosecuting attorney" means, with reference to any
23 city not within a county, the circuit attorney.

24 4. Prosecuting attorneys are hereby authorized to initiate judicial or administrative
25 modification proceedings on IV-D cases at the request of the division.

454.440. 1. As used in this section, unless the context clearly indicates otherwise, the
2 following terms mean:

3 (1) "Business" includes any corporation, partnership, association, individual, and labor
4 or other organization including, but not limited to, a public utility or cable company;

6 the department of social services;

21 insurance carried by or on behalf of the parent;

- 22 (h) Name of company, policy numbers and cash values, if any, for any life insurance
23 policies or annuity contracts, carried by or on behalf of, or owned by, the parent;

- 28 (k) Tax and revenue records, including information on residence address, employer,
29 income or assets;
- 30 (l) Records concerning real or personal property;
- 31 (m) Records of occupational, professional or recreational licenses or permits;

- 39 (t) Motor vehicle records; and
- 40 (u) Law enforcement records;
- 41 (6) "Parent", a biological or adoptive parent, including a presumed or putative father.
42 The word parent shall also include any person who has been found to be such by:
- 43 (a) A court of competent jurisdiction in an action for dissolution of marriage, legal
44 separation, or establishment of the parent and child relationship;
- 45 (b) The division under section 454.485;
- 46 (c) Operation of law under section 210.823; or
- 47 (d) A court or administrative tribunal of another state.
- 48 2. For the purpose of locating and determining financial resources of the parents relating
49 to establishment of paternity or to establish, modify or enforce support orders, the division or
50 other state IV-D agency may request and receive information from the federal Parent Locator
51 Service, from available records in other states, territories and the District of Columbia, from the
52 records of all government agencies, and from businesses and financial entities. A request for
53 information from a public utility or cable television company shall be made by subpoena
54 authorized pursuant to this chapter. The government agencies, businesses, and financial entities
55 shall provide information, if known or chronicled in their business records, notwithstanding any
56 other provision of law making the information confidential. In addition, the division may use
57 all sources of information and available records and, pursuant to agreement with the secretary

58 of the United States Department of Health and Human Services, or the secretary's designee,
59 request and receive from the federal Parent Locator Service information pursuant to 42 U.S.C.
60 Sections 653 and 663, to determine the whereabouts of any parent or child when such
61 information is to be used to locate the parent or child to enforce any state or federal law with
62 respect to the unlawful taking or restraining of a child, or of making or enforcing a child custody
63 or visitation order.

64 3. Notwithstanding the provisions of subsection 2 of this section, no financial entity shall
65 be required to provide the information requested by the division or other state IV-D agency
66 unless the division or other state IV-D agency alleges that the parent about whom the information
67 is sought is an officer, agent, member, employee, depositor, customer or the insured of the
68 financial institution, or unless the division or other state IV-D agency has complied with the
69 provisions of section 660.330.

70 4. Any business or financial entity which has received a request from the division or
71 other state IV-D agency as provided by subsections 2 and 3 of this section shall provide the
72 requested information or a statement that any or all of the requested information is not known
73 or available to the business or financial entity, within sixty days of receipt of the request and
74 shall be liable to the state for civil penalties up to one hundred dollars for each day after such
75 sixty-day period in which it fails to provide the information so requested. Upon request of the
76 division or other state IV-D agency, the attorney general shall bring an action in a circuit court
77 of competent jurisdiction to recover the civil penalty. The court shall have the authority to
78 determine the amount of the civil penalty to be assessed.

79 5. Any business or financial entity, or any officer, agent or employee of such entity,
80 participating in good faith in providing information requested pursuant to subsections 2 and 3
81 of this section shall be immune from liability, civil or criminal, that might otherwise result from
82 the release of such information to the division.

83 6. Upon request of the division or other state IV-D agency, any parent shall complete a
84 statement under oath, upon such form as the division or other state IV-D agency may specify,
85 providing information, including, but not necessarily limited to, the parent's monthly income, the
86 parent's total income for the previous year, the number and name of the parent's dependents and
87 the amount of support the parent provides to each, the nature and extent of the parent's assets,
88 and such other information pertinent to the support of the dependent as the division or other state
89 IV-D agency may request. Upon request of the division or other state IV-D agency, such
90 statements shall be completed annually. Failure to comply with this subsection is a class A
91 misdemeanor.

92 7. The disclosure of any information provided to the business or financial entity by the
93 division or other state IV-D agency, or the disclosure of any information regarding the identity

94 of any applicant for or recipient of public assistance, by an officer or employee of any business
95 or financial entity, or by any person receiving such information from such employee or officer
96 is prohibited. Any person violating this subsection is guilty of a class A misdemeanor.

97 8. Any person who willfully requests, obtains or seeks to obtain information pursuant
98 to this section under false pretenses, or who willfully communicates or seeks to communicate
99 such information to any agency or person except pursuant to this chapter, is guilty of a class A
100 misdemeanor.

101 9. For the protection of applicants and recipients of services pursuant to sections 454.400
102 to 454.645, all officers and employees of, and persons and entities under contract to, the state of
103 Missouri are prohibited, except as otherwise provided in this subsection, from disclosing any
104 information obtained by them in the discharge of their official duties relative to the identity of
105 applicants for or recipients of services or relating to proceedings or actions to establish paternity
106 or to establish or enforce support, or relating to the contents of any records, files, papers and
107 communications, except in the administration of the child support program or the administration
108 of public assistance, including civil or criminal proceedings or investigations conducted in
109 connection with the administration of the child support program or the administration of public
110 assistance. Such officers, employees, persons or entities are specifically prohibited from
111 disclosing any information relating to the location of one party to another party:

112 (1) If a protective order has been entered against the other party; or

113 (2) If there is reason to believe that such disclosure of information may result in physical
114 or emotional harm to the other party.

115

116 In any judicial proceedings, except such proceedings as are directly concerned with the
117 administration of these programs, such information obtained in the discharge of official duties
118 relative to the identity of applicants for or recipients of child support services or public
119 assistance, and records, files, papers, communications and their contents shall be confidential and
120 not admissible in evidence. Nothing in this subsection shall be construed to prohibit the circuit
121 clerk from releasing information, not otherwise privileged, from court records for reasons other
122 than the administration of the child support program, if such information does not identify any
123 individual as an applicant for or recipient of services pursuant to sections 454.400 to 454.645.
124 Anyone who purposely or knowingly violates this subsection is guilty of a class A misdemeanor.

454.445. No deposit or other filing fee, court fee, library fee, or fee for making copies
2 of documents shall be required to be paid by the **family support** division [of child support
3 enforcement], or any attorney bringing action pursuant to a referral by the **family support**
4 division [of child support enforcement], by any circuit clerk or other county or state officer for

5 the filing of any action or document necessary to establish paternity, or to establish, modify or
6 enforce a child support obligation.

454.450. 1. Whenever a custodian of a child, or other person, receives support moneys
2 paid to him or her, which moneys are paid in whole or in part in satisfaction of a support
3 obligation which is owed to the **family support** division [of family services pursuant to] **under**
4 subsection 2 of section 454.465, or which has been assigned to the **family support** division [of
5 family services pursuant to] **under** subsection 2 of section 208.040, the moneys shall be remitted
6 to the department of social services within ten days of receipt by such custodian or other person.
7 If not so remitted, such custodian or other person shall be indebted to the department in an
8 amount equal to the amount of the support money received and not remitted. By not paying over
9 the moneys to the department, such custodian or other person is deemed, without the necessity
10 of signing any document, to have made an irrevocable assignment to the **family support** division
11 [of family services] of any support delinquency owed which is not already assigned to the **family**
12 **support** division [of family services] or to any support delinquency which may accrue in the
13 future in an amount equal to the amount of the support money retained. The department may
14 utilize any available administrative or legal process to collect the assigned delinquency to effect
15 recoupment and satisfaction of the debt incurred by reason of the failure of such custodian or
16 other person to remit. The department is also authorized to make a setoff to effect satisfaction
17 of the debt by deduction from support moneys in its possession or in the possession of any clerk
18 of the court or other forwarding agent which would otherwise be payable to such custodian or
19 other person for the satisfaction of any support delinquency. Nothing in this section authorizes
20 the department to make a setoff as to current support paid during the month for which the
21 payment is due and owing.

22 2. A custodian of a child, or other person, who has made an assignment of support rights
23 to the **family support** division [of family services,] shall not make any agreement with any
24 private attorney or other person regarding the collection of assigned support obligations without
25 approval of the department of social services. If any private attorney or other person who in
26 good faith and without knowledge of such assignment collects all or part of the assigned support
27 obligations, any agreement regarding the distribution of the proceeds of the assigned support
28 obligations by such private attorney or other person shall not bind the department; provided,
29 however, the department shall be liable to such private attorney or other person for a fee
30 computed in accordance with subsection 3 of this section. When a private attorney or other
31 person has begun to collect a support obligation, and thereafter a notice of assignment of support
32 rights to the division is filed with the court pursuant to section 454.415, notice of such
33 assignment shall be given to that attorney or other person as provided by supreme court rule
34 43.01.

35 3. (1) Where an assignment of support rights has been made to the **family support**
36 division [of family services] but notice of such assignment was not filed with the court pursuant
37 to section 454.415, a private attorney who in good faith and without knowledge of such
38 assignment collects all or part of such assigned support obligation shall be awarded by the
39 department a fee of twenty-five percent of the support obligation collected. Such fees shall be
40 paid out of state funds in lieu of federal funds.

41 (2) Where an assignment of support rights has been made to the **family support** division
42 [of family services] and notice of the assignment was not filed with the court pursuant to section
43 454.415 until after the private attorney has begun collection proceedings, a private attorney who
44 collects assigned support obligations shall be awarded a fee, as the court shall determine, based
45 upon the time expended, but in no event shall the fee exceed twenty-five percent of the support
46 obligation collected.

47 (3) Where no assignment of support rights has been made to the **family support** division
48 [of family services] until after the private attorney has collected any part of the support
49 obligation, no recoupment shall be had by the department of the portion collected, and the fee
50 awarded to the private attorney or other person shall be the fee negotiated between the client and
51 the private attorney or other person.

52 4. A person commits the crime of stealing, as defined by section 570.030, if [he] **such**
53 **person** takes, obtains, uses, transfers, conceals, or retains possession of child support payments
54 which have been assigned to the **family support** division [of family services] with the purpose
55 to deprive the division thereof, either without the consent of the division or by means of deceit
56 or coercion.

 454.455. 1. In any case wherein an order for child support has been entered and the legal
2 custodian and obligee pursuant to the order relinquishes physical custody of the child to a
3 caretaker relative without obtaining a modification of legal custody, and the caretaker relative
4 makes an assignment of support rights to the **family support** division [of family services] in
5 order to receive aid to families with dependent children benefits, the relinquishment and the
6 assignment, by operation of law, shall transfer the child support obligation pursuant to the order
7 to the division in behalf of the state. The assignment shall terminate when the caretaker relative
8 no longer has physical custody of the child, except for those unpaid support obligations still
9 owing to the state pursuant to the assignment at that time.

10 2. As used in subsection 1 of this section, the term "caretaker relative" includes only
11 those persons listed in subdivision (2) of subsection 1 of section 208.040.

12 3. If an order for child support has been entered, no assignment of support has been
13 made, and the legal custodian and obligee under the order relinquishes physical custody of the
14 child to a caretaker relative without obtaining a modification of legal custody, or the child is

15 placed by the court in the legal custody of a state agency, the division may, thirty days after the
16 transfer of custody and upon notice to the obligor and obligee, direct the obligor or other payer
17 to change the payee to the caretaker relative or appropriate state agency. An order changing the
18 payee to a caretaker relative shall terminate when the caretaker relative no longer has physical
19 custody of the child, or the state agency is relieved of legal custody, except for the unpaid
20 support obligations still owed to the caretaker relative or the state.

21 4. If there has been an assignment of support to an agency or division of the state or a
22 requirement to pay through a state disbursement unit, the division may, upon notice to the
23 obligor and obligee, direct the obligor or other payer to change the payee to the appropriate state
24 agency.

2 454.460. As used in sections 454.400 to 454.560, unless the context clearly indicates
otherwise, the following terms mean:

3 (1) "Court", any circuit court of this state and any court or agency of any other state
4 having jurisdiction to determine the liability of persons for the support of another person;

5 (2) "Court order", any judgment, decree, or order of any court which orders payment of
6 a set or determinable amount of support money;

7 (3) "Department", the department of social services of the state of Missouri;

8 (4) "Dependent child", any person under the age of twenty-one who is not otherwise
9 emancipated, self-supporting, married, or a member of the Armed Forces of the United States;

10 (5) "Director", the director of the **family support** division [of child support
11 enforcement], or the director's designee;

12 (6) "Division", the **family support** division [of child support enforcement] of the
13 department of social services of the state of Missouri;

14 (7) "IV-D agency", an agency designated by a state to administer programs under Title
15 IV-D of the Social Security Act;

16 (8) "IV-D case", a case in which services are being provided pursuant to section 454.400;

17 (9) "Obligee", any person, state, or political subdivision to whom or to which a duty of
18 support is owed as determined by a court or administrative agency of competent jurisdiction;

19 (10) "Obligor", any person who owes a duty of support as determined by a court or
20 administrative agency of competent jurisdiction;

21 (11) "Parent", a biological or adoptive parent, including a presumed or putative father.
22 The word parent shall also include any person who has been found to be such by:

23 (a) A court of competent jurisdiction in an action for dissolution of marriage, legal
24 separation, or establishment of the parent and child relationship;

25 (b) The division under section 454.485;

26 (c) Operation of law under section 210.823; or

27 (d) A court or administrative tribunal of another state;

28 (12) "Public assistance", any cash or benefit pursuant to Part IV-A, Part IV-B, Part IV-E,
29 or Title XIX of the federal Social Security Act paid by the department to or for the benefit of any
30 dependent child or any public assistance assigned to the state;

31 (13) "State", any state or political subdivision, territory or possession of the United
32 States, District of Columbia, and the Commonwealth of Puerto Rico;

33 (14) "Support order", a judgment, decree or order, whether temporary, final or subject
34 to modification, issued by a court or administrative agency of competent jurisdiction for the
35 support and maintenance of a child, including a child who has attained the age of majority
36 pursuant to the law of the issuing state, or of the parent with whom the child is living and
37 providing monetary support, health care, child care, arrearages or reimbursement for such child,
38 and which may include related costs and fees, interest and penalties, income withholding,
39 attorneys' fees and other relief.

454.465. 1. For purposes of sections 454.460 to 454.505, a payment of public assistance
2 by the **family support** division [of family services] to or for the benefit of any dependent child,
3 including any payment made for the benefit of the caretaker of the child, creates an obligation,
4 to be called "state debt", which is due and owing to the department by the parent, or parents,
5 absent from the home where the dependent child resided at the time the public assistance was
6 paid. The amount of the state debt shall be determined as follows:

7 (1) Where there exists a court order directed to a parent which covers that parent's
8 support obligation to a dependent during a period in which the **family support** division [of
9 family services] provided public assistance to or for the benefit of that dependent, the state debt
10 of that parent shall be an amount equal to the obligation ordered by the court, including
11 arrearages and unpaid medical expenses, up to the full amount of public assistance paid; or

12 (2) Where no court order covers a parent's support obligation to a dependent during a
13 period in which the **family support** division [of family services] provided public assistance to
14 or for the benefit of that dependent, the state debt may be set or reset by the director in an amount
15 not to exceed the amount of public assistance so provided by the **family support** division [of
16 family services].

17 2. No agreement between any obligee and any obligor regarding any duty of support, or
18 responsibility therefor, or purporting to settle past, present, or future support obligations either
19 as settlement or prepayment shall act to reduce or terminate any rights of the division to recover
20 from that obligor for public assistance provided.

21 3. The division shall have the right to make a motion to a court or administrative tribunal
22 for modification of any court order creating a support obligation which has been assigned to the
23 **family support** division [of family services] to the same extent as a party to that action.

24 4. The department, or any division thereof, as designated by the department director is
25 hereby authorized to promulgate such rules pursuant to section 454.400 and chapter 536 as may
26 be necessary to carry out the provisions of this chapter and the requirements of the federal Social
27 Security Act, including, but not necessarily limited to, the opportunity for a hearing to contest
28 an order of the division establishing or modifying support rules for narrowing issues and
29 simplifying the methods of proof at hearings, and establishing procedures for notice and the
30 manner of service to be employed in all proceedings and remedies instituted pursuant to sections
31 454.460 to 454.505.

32 5. Service pursuant to sections 454.460 to 454.505 may be made on the parent or other
33 party in the manner prescribed for service of process in a civil action, by an authorized process
34 server appointed by the director, or by certified mail, return receipt requested. The director may
35 appoint any uninterested party, including, but not necessarily limited to, employees of the
36 division, to serve such process. For the purposes of this subsection, a parent who refuses receipt
37 of service by certified mail is deemed to have been served.

38 6. Creation of or exemption from a state debt pursuant to this section shall not limit any
39 rights which the department has or may obtain pursuant to common or statutory law, including,
40 but not limited to, those obtained pursuant to an assignment of support rights obtained pursuant
41 to section 208.040.

 454.472. No garnishment, withholding, or other financial legal proceeding under chapter
2 454 to enforce a support order as defined in section 454.460 shall be levied or maintained by the
3 **family support** division [of child support enforcement] against a party who alleges that no
4 current or unpaid child support is due if, after review of the allegations and evidence, the division
5 determines that no current or unpaid child support is due. The enforcement action may continue
6 pending a review by the division, and the division may only levy an enforcement action if current
7 or unpaid support should later become due and owing. The division shall advise a party to a
8 support obligation being enforced by the division of the amount currently due under the support
9 order and how that amount was calculated upon request.

 454.478. In cases where an administrative order is entered pursuant to the provisions of
2 section 454.470 or section 454.476, the director of the **family support** division [of child support
3 enforcement] may, upon petition of the party obligated to pay support and upon good cause
4 shown, order the recipient to furnish the party obligated to pay support with a regular summary
5 of expenses paid by such parent on behalf of the child. The director shall prescribe the form and
6 substance of the summary.

 454.490. 1. A true copy of any order entered by the director pursuant to sections 454.460
2 to 454.997, along with a true copy of the return of service, may be filed with the clerk of the
3 circuit court in the county in which the judgment of dissolution or paternity has been entered, or

4 if no such judgment was entered, in the county where either the parent or the dependent child
5 resides or where the support order was filed. Upon filing, the clerk shall enter the order in the
6 judgment docket. Upon docketing, the order shall have all the force, effect, and attributes of a
7 docketed order or decree of the circuit court, including, but not limited to, lien effect and
8 enforceability by supplementary proceedings, contempt of court, execution and garnishment.
9 Any administrative order or decision of the **family support** division [of child support
10 enforcement] filed in the office of the circuit clerk of the court shall not be required to be signed
11 by an attorney, as provided by supreme court rule of civil procedures 55.03(a), or required to
12 have any further pleading other than the director's order.

13 2. In addition to any other provision to enforce an order docketed pursuant to this section
14 or any other support order of the court, the court may, upon petition by the division, require that
15 an obligor who owes past due support to pay support in accordance with a plan approved by the
16 court, or if the obligor is subject to such plan and is not incapacitated, the court may require the
17 obligor to participate in work activities.

18 3. In addition to any other provision to enforce an order docketed pursuant to this section
19 or any other support order of the court, division or other IV-D agency, the director may order that
20 an obligor who owes past due support to pay support in accordance with a plan approved by the
21 director, or if the obligor is subject to such plan and is not incapacitated, the director may order
22 the obligor to participate in work activities. The order of the director shall be filed with a court
23 pursuant to subsection 1 of this section and shall be enforceable as an order of the court.

24 4. As used in this section, "work activities" include:

- 25 (1) Unsubsidized employment;
- 26 (2) Subsidized private sector employment;
- 27 (3) Subsidized public sector employment;
- 28 (4) Work experience (including work associated with the refurbishing of publicly
29 assisted housing) if sufficient private sector employment is not available;
- 30 (5) On-the-job training;
- 31 (6) Job search and readiness assistance;
- 32 (7) Community services programs;
- 33 (8) Vocational educational training, not to exceed twelve months for any individual;
- 34 (9) Job skills training directly related to employment;
- 35 (10) Education directly related to employment for an individual who has not received
36 a high school diploma or its equivalent;
- 37 (11) Satisfactory attendance at a secondary school or course of study leading to a
38 certificate of general equivalence for an individual who has not completed secondary school or
39 received such a certificate; or

40 (12) The provision of child care services to an individual who is participating in a
41 community service program.

454.495. 1. Until October 1, 1999, when an administrative order has been docketed
2 pursuant to section 454.490, the court shall order all support payments to be made to the circuit
3 clerk as trustee for the division of family services or other person entitled to receive such
4 payments pursuant to the order. The filing of such order by the director shall in and of itself
5 authorize the court to make the circuit clerk the trustee, notwithstanding any existing court order,
6 statute, or other law to the contrary, and the court need not hold a hearing on the matter. The
7 circuit clerk shall:

8 (1) Forward all such payments to the department or other person entitled to receive such
9 payments pursuant to the order;

10 (2) Keep an accurate record of the orders and the payments; and

11 (3) Report all such collections to the department in the manner specified by the
12 department.

13 2. Effective October 1, 1999, and if an administrative order has been docketed pursuant
14 to section 454.490, the payment center pursuant to section 454.530 shall be trustee for the **family**
15 **support** division [of family services] or other person entitled to receive such payments pursuant
16 to the order. The order by the director shall, in and of itself, authorize the payment center to be
17 the trustee, notwithstanding any existing court order or state law to the contrary, and the court
18 shall not be required to hold a hearing on the matter. The payment center shall:

19 (1) Forward all such payments to the department or other person entitled to receive such
20 payments pursuant to the order;

21 (2) Keep an accurate record of the orders and payments; and

22 (3) Report all such collections to the division in the manner specified by the division.

23 3. As used in this section, "assignment" includes an assignment to the state by a person
24 who has applied for or is receiving assistance under a program funded pursuant to Part A of Title
25 IV or Title XIX of the Social Security Act.

454.496. 1. At any time after the entry of a court order for child support in a case in
2 which support rights have been assigned to the state pursuant to section 208.040, or a case in
3 which support enforcement services are being provided pursuant to section 454.425, the
4 obligated parent, the obligee or the **family support** division [of child support enforcement] may
5 file a motion to modify the existing child support order pursuant to this section, if a review has
6 first been completed by the director of [child support enforcement pursuant to] **the family**
7 **support division under** subdivision (13) of subsection 2 of section 454.400. The motion shall
8 be in writing in a form prescribed by the director, shall set out the reasons for modification and
9 shall state the telephone number and address of the moving party. The motion shall be served

10 in the same manner provided for in subsection 5 of section 454.465 upon the obligated parent,
11 the obligee and the division, as appropriate. In addition, if the support rights are held by the
12 **family support** division [of family services] on behalf of the state, the moving party shall mail
13 a true copy of the motion by certified mail to the person having custody of the dependent child
14 at the last known address of that person. The party against whom the motion is made shall have
15 thirty days either to resolve the matter by stipulated agreement or to serve the moving party and
16 the director, as appropriate, by regular mail with a written response setting forth any objections
17 to the motion and a request for hearing. When requested, the hearing shall be conducted
18 pursuant to section 454.475 by hearing officers designated by the department of social services.
19 In such proceedings, the hearing officers shall have the authority granted to the director pursuant
20 to subsection 6 of section 454.465.

21 2. When no objections and request for hearing have been served within thirty days, the
22 director, upon proof of service, shall enter an order granting the relief sought. Copies of the
23 order shall be mailed to the parties within fourteen days of issuance.

24 3. A motion to modify made pursuant to this section shall not stay the director from
25 enforcing and collecting upon the existing order unless so ordered by the court in which the order
26 is docketed.

27 4. The only support payments which may be modified are payments accruing subsequent
28 to the service of the motion upon all parties to the motion.

29 5. The party requesting modification shall have the burden of proving that a modification
30 is appropriate pursuant to the provisions of section 452.370.

31 6. Notwithstanding the provisions of section 454.490 to the contrary, an administrative
32 order modifying a court order is not effective until the administrative order is filed with and
33 approved by the court that entered the court order. The court may approve the administrative
34 order if no party affected by the decision has filed a petition for judicial review pursuant to
35 sections 536.100 to 536.140. After the thirty-day time period for filing a petition of judicial
36 review pursuant to chapter 536 has passed, the court shall render its decision within fifteen days.
37 If the court finds the administrative order should be approved, the court shall make a written
38 finding on the record that the order complies with section 452.340 and applicable supreme court
39 rules and approve the order. If the court finds that the administrative order should not be
40 approved, the court shall set the matter for trial de novo.

41 7. If a petition for judicial review is filed, the court shall review all pleadings and the
42 administrative record, as defined in section 536.130, pursuant to section 536.140. After such
43 review, the court shall determine if the administrative order complies with section 452.340 and
44 applicable supreme court rules. If it so determines, the court shall make a written finding on the
45 record that the order complies with section 452.340 and applicable supreme court rules and

46 approve the order or, if after review pursuant to section 536.140 the court finds that the
47 administrative order does not comply with supreme court rule 88.01, the court may select any
48 of the remedies set forth in subsection 5 of section 536.140. The court shall notify the parties and
49 the division of any setting pursuant to this section.

50 8. Notwithstanding the venue provisions of chapter 536 to the contrary, for the filing of
51 petitions for judicial review of final agency decisions and contested cases, the venue for the filing
52 of a petition for judicial review contesting an administrative order entered pursuant to this
53 section modifying a judicial order shall be in the court which entered the judicial order. In such
54 cases in which a petition for judicial review has been filed, the court shall consider the matters
55 raised in the petition and determine if the administrative order complies with section 452.340 and
56 applicable supreme court rules. If the court finds that the administrative order should not be
57 approved, the court shall set the matter for trial de novo. The court shall notify the parties and
58 the division of the setting of such proceeding. If the court determines that the matters raised in
59 the petition are without merit and that the administrative order complies with the provisions of
60 section 452.340 and applicable supreme court rules, the court shall approve the order.

454.500. 1. At any time after the entry of an order pursuant to sections 454.470 and
2 454.475, the obligated parent, the division, or the person or agency having custody of the
3 dependent child may file a motion for modification with the director. Such motion shall be in
4 writing, shall set forth the reasons for modification, and shall state the address of the moving
5 party. The motion shall be served by the moving party in the manner provided for in subsection
6 5 of section 454.465 upon the obligated parent or the party holding the support rights, as
7 appropriate. In addition, if the support rights are held by the **family support** division [of family
8 services] on behalf of the state, a true copy of the motion shall be mailed by the moving party
9 by certified mail to the person having custody of the dependent child at the last known address
10 of that person. A hearing on the motion shall then be provided in the same manner, and
11 determinations shall be based on considerations set out in section 454.475, unless the party
12 served fails to respond within thirty days, in which case the director may enter an order by
13 default. If the child for whom the order applies is no longer in the custody of a person receiving
14 public assistance or receiving support enforcement services from the department, or a division
15 thereof, pursuant to section 454.425, the director may certify the matter for hearing to the circuit
16 court in which the order was filed pursuant to section 454.490 in lieu of holding a hearing
17 pursuant to section 454.475. If the director certifies the matter for hearing to the circuit court,
18 service of the motion to modify shall be had in accordance with the provisions of subsection 5
19 of section 452.370. If the director does not certify the matter for hearing to the circuit court,
20 service of the motion to modify shall be considered complete upon personal service, or on the
21 date of mailing, if sent by certified mail. For the purpose of 42 U.S.C. 666(a)(9)(C), the director

22 shall be considered the appropriate agent to receive the notice of the motion to modify for the
23 obligee or the obligor, but only in those instances in which the matter is not certified to circuit
24 court for hearing, and only when service of the motion is attempted on the obligee or obligor by
25 certified mail.

26 2. A motion for modification made pursuant to this section shall not stay the director
27 from enforcing and collecting upon the existing order pending the modification proceeding
28 unless so ordered by the court.

29 3. Only payments accruing subsequent to the service of the motion for modification upon
30 all named parties to the motion may be modified. Modification may be granted only upon a
31 showing of a change of circumstances so substantial and continuing as to make the terms
32 unreasonable. In a proceeding for modification of any child support award, the director, in
33 determining whether or not a substantial change in circumstances has occurred, shall consider
34 all financial resources of both parties, including the extent to which the reasonable expenses of
35 either party are, or should be, shared by a spouse or other person with whom he or she cohabits,
36 and the earning capacity of a party who is not employed. If the application of the guidelines and
37 criteria set forth in supreme court rule 88.01 to the financial circumstances of the parties would
38 result in a change of child support from the existing amount by twenty percent or more, then a
39 prima facie showing has been made of a change of circumstances so substantial and continuing
40 as to make the present terms unreasonable.

41 4. The circuit court may, upon such terms as may be just, relieve a parent from an
42 administrative order entered against that parent because of mistake, inadvertence, surprise, or
43 excusable neglect.

44 5. No order entered pursuant to section 454.476 shall be modifiable pursuant to this
45 section, except that an order entered pursuant to section 454.476 shall be amended by the director
46 to conform with any modification made by the court that entered the court order upon which the
47 director based his or her order.

48 6. When the party seeking modifications has met the burden of proof set forth in
49 subsection 3 of this section, then the child support shall be determined in conformity with the
50 criteria set forth in supreme court rule 88.01.

51 7. The last four digits of the Social Security number of the parents shall be recorded on
52 any order entered pursuant to this section. The full Social Security number of each party and
53 each child shall be retained in the manner required by section 509.520.

454.505. 1. In addition to any other remedy provided by law for the enforcement of
2 support, if a support order has been entered, the director shall issue an order directing any
3 employer or other payer of the parent to withhold and pay over to the division, the payment
4 center pursuant to section 454.530 or the clerk of the circuit court in the county in which a

5 trusteeship is or will be established, money due or to become due the obligated parent in an
6 amount not to exceed federal wage garnishment limitations. For administrative child support
7 orders issued pursuant to sections other than section 454.476, the director shall not issue an order
8 to withhold and pay over in any case in which:

9 (1) One of the parties demonstrates, and the director finds, that there is good cause not
10 to require immediate income withholding. For purposes of this subdivision, any finding that
11 there is good cause not to require immediate withholding shall be based on, at least, a written
12 determination and an explanation by the director that implementing immediate wage withholding
13 would not be in the best interests of the child and proof of timely payments of previously ordered
14 support in cases involving the modification of support orders; or

15 (2) A written agreement is reached between the parties that provides for an alternative
16 payment arrangement.

17

18 If the income of an obligor is not withheld as of the effective date of the support order, pursuant
19 to subdivision (1) or (2) of this subsection, or otherwise, such obligor's income shall become
20 subject to withholding pursuant to this section, without further exception, on the date on which
21 the obligor becomes delinquent in maintenance or child support payments in an amount equal
22 to one month's total support obligation.

23 2. An order entered pursuant to this section shall recite the amount required to be paid
24 as continuing support, the amount to be paid monthly for arrearages and the Social Security
25 number of the obligor if available. In addition, the order shall contain a provision that the
26 obligor shall notify the **family support** division [of child support enforcement] regarding the
27 availability of medical insurance coverage through an employer or a group plan, provide the
28 name of the insurance provider when coverage is available, and inform the division of any
29 change in access to such insurance coverage. A copy of section 454.460 and this section shall
30 be appended to the order.

31 3. An order entered pursuant to this section shall be served on the employer or other
32 payer either by regular mail or by certified mail, return receipt requested or may be issued
33 through electronic means, and shall be binding on the employer or other payer two weeks after
34 mailing or electronic issuance of such service. A copy of the order and a notice of property
35 exempt from withholding shall be mailed to the obligor at the obligor's last known address. The
36 notice shall advise the obligor that the withholding has commenced and the procedures to contest
37 such withholding pursuant to section 454.475 on the grounds that such withholding or the
38 amount withheld is improper due to a mistake of fact by requesting a hearing thirty days from
39 mailing the notice. At such a hearing the certified copy of the court order and the sworn or
40 certified statement of arrearages shall constitute prima facie evidence that the director's order is

41 valid and enforceable. If a prima facie case is established, the obligor may only assert mistake
42 of fact as a defense. For purposes of this section, "mistake of fact" means an error in the amount
43 of the withholding or an error as to the identity of the obligor. The obligor shall have the burden
44 of proof on such issues. The obligor may not obtain relief from the withholding by paying the
45 overdue support. The employer or other payer shall withhold from the earnings or other income
46 of each obligor the amount specified in the order, and may deduct an additional sum not to
47 exceed six dollars per month as reimbursement for costs, except that the total amount withheld
48 shall not exceed the limitations contained in the federal Consumer Credit Protection Act, 15
49 U.S.C. 1673(b). The employer or other payer shall transmit the payments as directed in the order
50 within seven business days of the date the earnings, money due or other income was payable to
51 the obligor. For purposes of this section, "business day" means a day that state offices are open
52 for regular business. The employer or other payer shall, along with the amounts transmitted,
53 provide the date the amount was withheld from each obligor. If the order does not contain the
54 Social Security number of the obligor, the employer or other payer shall not be liable for
55 withholding from the incorrect obligor.

56 4. If the order is served on a payer other than an employer, it shall be a lien against any
57 money due or to become due the obligated parent which is in the possession of the payer on the
58 date of service or which may come into the possession of the payer after service until further
59 order of the director, except for any deposits held in two or more names in a financial institution.

60 5. The division shall notify an employer or other payer upon whom such an order has
61 been directed whenever all arrearages have been paid in full, and whenever, for any other reason,
62 the amount required to be withheld and paid over to the payment center pursuant to the order as
63 to future pay periods is to be reduced or redirected. If the parent's support obligation is required
64 to be paid monthly and the parent's pay periods are at more frequent intervals, the employer or
65 other payer may, at the request of the obligee or the director, withhold and pay over to the
66 payment center an equal amount at each pay period cumulatively sufficient to comply with the
67 withholding order.

68 6. An order issued pursuant to subsection 1 of this section shall be a continuing order
69 and shall remain in effect and be binding upon any employer or other payer upon whom it is
70 directed until a further order of the director. Such orders shall terminate when all children for
71 whom the support order applies are emancipated or deceased, or the support obligation otherwise
72 ends, and all arrearages are paid. No order to withhold shall be terminated solely because the
73 obligor has fully paid arrearages.

74 7. An order issued pursuant to subsection 1 of this section shall have priority over any
75 other legal process pursuant to state law against the same wages, except that where the other
76 legal process is an order issued pursuant to this section or section 452.350, the processes shall

77 run concurrently, up to applicable wage withholding limitations. If concurrently running wage
78 withholding processes for the collection of support obligations would cause the amounts
79 withheld from the wages of the obligor to exceed applicable wage withholding limitations and
80 includes a wage withholding from another state pursuant to section 454.932, the employer shall
81 first satisfy current support obligations by dividing the amount available to be withheld among
82 the orders on a pro rata basis using the percentages derived from the relationship each current
83 support order amount has to the sum of all current child support obligations. Thereafter,
84 arrearages shall be satisfied using the same pro rata distribution procedure used for distributing
85 current support, up to the applicable limitation. If concurrently running wage withholding
86 processes for the collection of support obligations would cause the amounts withheld from the
87 wages of the obligor to exceed applicable wage withholding limitations and does not include a
88 wage withholding from another state pursuant to section 454.932, the employer shall withhold
89 and pay to the payment center an amount equal to the wage withholding limitations. The
90 payment center shall first satisfy current support obligations by dividing the amount available
91 to be withheld among the orders on a pro rata basis using the percentages derived from the
92 relationship each current support order amount has to the sum of all current child support
93 obligations. Thereafter, arrearages shall be satisfied using the same pro rata distribution
94 procedure used for distributing current support, up to the applicable limitation.

95 8. No employer or other payer who complies with an order entered pursuant to this
96 section shall be liable to the parent, or to any other person claiming rights derived from the
97 parent, for wrongful withholding. An employer or other payer who fails or refuses to withhold
98 or pay the amounts as ordered pursuant to this section shall be liable to the party holding the
99 support rights in an amount equal to the amount which became due the parent during the relevant
100 period and which, pursuant to the order, should have been withheld and paid over. The director
101 is hereby authorized to bring an action in circuit court to determine the liability of an employer
102 or other payer for failure to withhold or pay the amounts as ordered. If a court finds that a
103 violation has occurred, the court may fine the employer in an amount not to exceed five hundred
104 dollars. The court may also enter a judgment against the employer for the amounts to be
105 withheld or paid, court costs and reasonable attorney's fees.

106 9. The remedy provided by this section shall be available where the state or any of its
107 political subdivisions is the employer or other payer of the obligated parent in the same manner
108 and to the same extent as where the employer or other payer is a private party.

109 10. An employer shall not discharge, or refuse to hire or otherwise discipline, an
110 employee as a result of an order to withhold and pay over certain money authorized by this
111 section. If any such employee is discharged within thirty days of the date upon which an order
112 to withhold and pay over certain money is to take effect, there shall arise a rebuttable

presumption that such discharge was a result of such order. This presumption shall be overcome only by clear, cogent and convincing evidence produced by the employer that the employee was not terminated because of the order to withhold and pay over certain money. The director is hereby authorized to bring an action in circuit court to determine whether the discharge constitutes a violation of this subsection. If the court finds that a violation has occurred, the court may enter an order against the employer requiring reinstatement of the employee and may fine the employer in an amount not to exceed one hundred fifty dollars. Further, the court may enter judgment against the employer for the back wages, costs, attorney's fees, and for the amount of child support which should have been withheld and paid over during the period of time the employee was wrongfully discharged.

11. If an obligor for whom an order to withhold has been issued pursuant to subsection 1 of this section terminates the obligor's employment, the employer shall, within ten days of the termination, notify the division of the termination, shall provide to the division the last known address of the obligor, if known to the employer, and shall provide to the division the name and address of the obligor's new employer, if known. When the division determines the identity of the obligor's new employer, the director shall issue an order to the new employer as provided in subsection 1 of this section.

12. If an employer or other payer is withholding amounts for more than one order issued pursuant to subsection 1 of this section, the employer or other payer may transmit all such withholdings which are to be remitted to the same circuit clerk, other collection unit or to the payment center after October 1, 1999, as one payment together with a separate list identifying obligors for whom a withholding has been made and the amount withheld from each obligor so listed, and the withholding date or dates for each obligor.

13. For purposes of this section, "income" means any periodic form of payment due to an individual, regardless of source, including wages, salaries, commissions, bonuses, workers' compensation benefits, disability benefits, payments pursuant to a pension or a retirement program, and interest.

14. The employer shall withhold funds as directed in the notice, except if an employer receives an income withholding order issued by another state, the employer shall apply the income withholding law of the state of the obligor's principal place of employment in determining:

- (1) The employer's fee for processing an income withholding order;
- (2) The maximum amount permitted to be withheld from the obligor's income;
- (3) The time periods within which the employer shall implement the income withholding order and forward the child support payments;

148 (4) The priorities for withholding and allocating income withheld for multiple child
149 support obligees; and

150 (5) Any withholding terms and conditions not specified in the order.

151 15. If the secretary of the Department of Health and Human Services promulgates a final
152 standard format for an employer income withholding notice, the director shall use such notice
153 prescribed by the secretary.

454.513. 1. Any attorney initiating any legal proceedings at the request of the Missouri
2 **family support** division [of child support enforcement] shall represent the state of Missouri,
3 department of social services, **family support** division [of child support enforcement]
4 exclusively. An attorney/client relationship shall not exist between the attorney and any
5 applicant or recipient of child support enforcement services for and on behalf of a child or
6 children, without regard to the name in which legal proceedings are initiated. The provisions of
7 this section shall apply to a prosecuting attorney, circuit attorney, attorney employed by the state
8 or attorney under contract with the **family support** division [of child support enforcement].

9 2. An attorney representing the division in a proceeding in which a child support
10 obligation may be established or modified shall, whenever possible, notify an applicant or
11 recipient of child support enforcement services of such proceedings if such applicant or recipient
12 is a party to such a proceeding but is not represented by an attorney.

454.530. 1. On or before October 1, 1999, the **family support** division [of child support
2 enforcement] shall establish and operate a state disbursement unit to be known as the "Family
3 Support Payment Center" for the receipt and disbursement of payments pursuant to support
4 orders for:

5 (1) All cases enforced by the division pursuant to section 454.400; and

6 (2) Any case required by federal law to be collected or disbursed by the payment center
7 including, but not limited to, cases in which a support order is initially issued on or after January
8 1, 1994, in which the income of the obligor is subject to withholding; and

9 (3) Beginning July 1, 2001:

10 (a) Any other case with a support order in which payments are ordered or directed by a
11 court or the division to be made to the payment center or in which the income of the obligor is
12 subject to withholding; and

13 (b) Any case prior to July 1, 2001, in which support payments are ordered paid to the
14 clerk of the court as trustee pursuant to section 452.345.

15 2. The family support payment center shall be operated by the division, in conjunction
16 with other state agencies pursuant to a cooperative agreement, or by a contractor responsible
17 directly to the division. Notwithstanding any other provision of law to the contrary, after notice
18 by the division or the court that issued the support order to the obligor that all future payments

19 shall be made to the payment center, the payment center shall become trustee for payments made
20 by parents, employers, states and other entities, and all future payments shall be made to the
21 payment center. The payment center shall disburse payments to custodial parents and other
22 obligees, the state or agencies of other states. If the payment center is operated by a contractor
23 and the contractor receives and disburses the payments, the contractor shall have an annual audit
24 conducted by an independent certified public accountant. The audit will determine whether
25 funds received are disbursed or otherwise accounted for, and make recommendations as to the
26 procedures and changes that the contractor should take to protect the funds received from
27 misappropriation and theft. A copy of the audit shall be delivered to the division, the office of
28 administration and the office of the state courts administrator.

29 3. Except as otherwise provided in sections 454.530 to 454.560, the payment center shall
30 disburse support payments within two business days after receipt from the employer or other
31 source of periodic income, if sufficient information identifying the payee is provided. As used
32 in sections 454.530 to 454.560, "business day" means a day state government offices are open
33 for regular business. Disbursement of payments made toward arrearages may be delayed until
34 the resolution of any timely appeal with respect to such arrearage or upon order of a court.

35 4. The family support payment center shall establish an electronic funds transfer system
36 for the transfer of child support payments. Obligees who want electronic transfer of support
37 payments to a designated account shall complete an application for direct deposit and submit it
38 to the family support payment center. The family support payment center may issue an electronic
39 access card for the purpose of disbursing support payments to any obligee not using automated
40 deposit to a designated account. Any person or employer may, without penalty, choose to
41 disburse payments to the payment center by check or draft instead of by electronic transfer.

454.531. 1. Whenever a parent or other person receives support moneys for a child paid
2 to him or her by the **family support** division [of child support enforcement pursuant to] **under**
3 the provisions of chapter 454, and the division subsequently determines that such payment,
4 through no fault of the division, was erroneously made, either in good faith, or due to fraud or
5 receipt of inaccurate information from the recipient of such support, such parent or other person
6 shall be indebted to the division in an amount equal to the amount of the support money received
7 by the parent or other person for that child. The division may utilize any available administrative
8 or legal process to collect the erroneously paid support to effect recoupment and satisfaction of
9 the debt incurred by reason of the failure of such parent or other person to reimburse the division
10 for such erroneously paid child support. The division is also authorized to make a setoff to effect
11 satisfaction of the debt by deduction from support moneys for that child in its possession or in
12 the possession of any clerk of the court or other forwarding agent which would otherwise be
13 payable to such parent or other person for the satisfaction of any support reimbursement.

14 Nothing in this section authorizes the division to make a setoff as to current support paid during
15 the month for which the payment is due and owing.

16 2. A person commits the crime of stealing, as defined by section 570.030, if he or she
17 knowingly retains possession of child support payments which have been erroneously paid by
18 the division through no fault of the division and the division has requested reimbursement of
19 such support paid, if the purpose is to deprive the division of such reimbursement, either without
20 the consent of the division or by means of deceit or coercion.

454.565. Beginning in 2000, the **family support** division [of child support enforcement]
2 shall report to the general assembly regarding the family support payment center by December
3 1, 2000, and by each December first thereafter. Such report shall include recommendations and
4 an analysis of the efficiency and effectiveness of the system.

454.700. 1. In any case in which a parent is required by a court or administrative order to provide medical coverage for a child, under any health benefit plan, as defined in section 454.600, and a parent is eligible through employment, under the provisions of the federal Comprehensive Omnibus Budget Reconciliation Act (COBRA) or the provisions of section 376.892, or for health coverage through an insurer or group health plan, any insurers, including group health plans as defined in Section 607(1) of the federal Employee Retirement Income Security Act of 1974, offering, issuing, or renewing policies in this state on or after July 1, 1994, shall:

(3) Not disenroll or eliminate coverage of any such child unless:

37 (a) The employer or union is provided satisfactory written evidence that such court or
38 administrative order is no longer in effect; or

41 later than the effective date of such disenrollment; or

43 or members.

44 3. No insurer may impose any requirements on a state agency, which has been assigned
45 the rights of an individual eligible for medical assistance under chapter 208 and covered for
46 health benefits from the insurer, that are different from requirements applicable to an agent or
47 assignee of any other individual so covered.

48 4. All insurers shall in any case in which a child has health coverage through the insurer
49 of a noncustodial parent:

50 (1) Provide such information to the custodial parent or legal guardian as may be
51 necessary for the child to obtain benefits through such coverage;

52 (2) Permit the custodial parent or legal guardian, or provider, with the custodial parent's
53 approval, to submit claims for covered services without the approval of the noncustodial parent;

56 subsection directly to the parent, the provider, or the **MO HealthNet** division [of medical

59 other employment income of, and require withholding amounts from state tax refunds, pursuant
60 to section 143.783, to any person who:

61 (1) Is required by court or administrative order to provide coverage of the costs of health
62 services to a child who is eligible for medical assistance under Medicaid; and

63 (2) Has received payment from a third party for the costs of such services to such child,
64 but has not used such payment to reimburse, as appropriate, either the other parent or guardian
65 of such child or the provider of such services, to the extent necessary to reimburse the **MO**
66 **HealthNet** division [of medical services] for expenditures for such costs under its plan.
67 However, claims for current or past due child support shall take priority over claims by the **MO**
68 **HealthNet** division [of medical services].

69 6. The remedies for the collection and enforcement of medical support established in this

17 3. The notice of intent to suspend a license shall be served on the obligor personally or

20 service unless, within such time, the obligor:

21 (1) Pays the entire arrearage stated in the notice;

22 (2) Enters into and complies with a payment plan approved by the court or the division;

25 4. In a IV-D case, the notice shall advise the obligor that hearings are subject to the

28 a subpoena relating to paternity or a child support proceeding, or order of the director for genetic
29 testing, the notice of intent to suspend shall inform the person that such person's license shall be
30 suspended sixty days after service, unless the person complies with the subpoena or order.

31 6. If the obligor fails to comply with the terms of repayment agreement, a court or the

5 which mandates the making of payments over a period of time or payments in the future, shall
6 be presumed to be paid and satisfied after the expiration of ten years from the date of the original
7 rendition thereof, or if the same has been revived upon personal service duly had upon the
8 defendant or defendants therein, then after ten years from and after such revival, or in case a
9 payment has been made on such judgment, order or decree, and duly entered upon the record
10 thereof, after the expiration of ten years from the last payment so made, and after the expiration
11 of ten years from the date of the original rendition or revival upon personal service, or from the
